5. The current disciplinary action provides in pertinent part, "Following the effective date of this Decision, if applicant ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, applicant may request to surrender his license." 7. Respondent fully understands and agrees that if Respondent ever files an application for relicensure or reinstatement in the State of California, the Board shall treat it as a Petition for Reinstatement of a revoked license in effect at the time the Petition is filed. In addition, any Medical Board Investigation Report(s), including all referenced documents and other exhibits, upon which the Board is predicated, and any such Investigation Report(s), attachments, and other exhibits, that may be generated subsequent to the filing of this Agreement for Surrender of License, shall be admissible as direct evidence, and any time-based defenses, such as laches or any applicable statute of limitations, shall be waived when the Board determines whether to grant or deny the Petition.
