ACCUSATION

20
21 Complainant alleges:

22 **PARTIES**

23 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board
24 of California, Department of Consumer Affairs, and brings this Accusation solely in her official
25 capacity.

26 2. On June 7, 2002, the Board issued Physician's and Surgeon's Certificate Number A
27 79406 to Sherif Sayed Ismail, M.D. (Respondent). The certificate is current with an expiration
28 date of December 31, 2019.

JURISDICTION

1
2 3. This Accusation is brought before the Medical Board of California (Board) under the
3 authority of the following sections of the California Business and Professions Code (Code) and
4 other relevant statutory enactments:

5 4. Section 2220 of the Code states, in part:

6 “Except as otherwise provided by law, the board may take action against all persons guilty
7 of violating [Chapter 5 of the Medical Practice Act]. The board shall enforce and administer this
8 article as to physician and surgeon certificate holders, including those who hold certificates that
9 do not permit them to practice medicine, such as, but not limited to, retired, inactive, or disabled
10 status certificate holders, and the board shall have all the powers granted in this chapter for these
11 purposes”

12 5. Section 2227 of the Code provides, in part, that the Board may revoke, suspend for a
13 period not to exceed one year, or place on probation, the license of any licensee who has been
14 found guilty under the Medical Practice Act, and may recover the costs of probation monitoring.

15 6. Section 2234 of the Code states, in part, that the board shall take action against any
16 licensee who is charged with unprofessional conduct.

17 7. Section 2236 of the Code states, in part:

18 “(a) The conviction of any offense substantially related to the qualifications, functions, or
19 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
20 chapter. The record of conviction shall be conclusive evidence only of the fact that the conviction
21 occurred.”

22 8. Section 2239 of the Code provides, in part, that the use of alcoholic beverages or any
23 controlled substance or dangerous drug, to the extent, or in such a manner as to be dangerous or
24 injurious to the licensee, or to any other person or to the public, or to the extent that such use
25 impairs the ability of the licensee to practice medicine safely or more than one misdemeanor or
26 any felony involving the use of these substances constitutes unprofessional conduct. The record
27 of the conviction is conclusive evidence of such unprofessional conduct.

1 9. Section 2305 of the Code provides, in part, that the revocation, suspension, or other
2 discipline, restriction or limitation imposed by another state upon a license to practice medicine
3 issued by that state, or the revocation, suspension, or restriction of the authority to practice
4 medicine by any agency of the federal government, that would have been grounds for discipline
5 in California under the Medical Practice Act, constitutes grounds for discipline for unprofessional
6 conduct against the licensee in California.

7 10. Section 141 of the Code provides:

8 “(a) For any licensee holding a license issued by a board under the jurisdiction of
9 the department, a disciplinary action taken by another state, by any agency of the federal
10 government, or by another country for any act substantially related to the practice regulated
11 by the California license, may be a ground for disciplinary action by the respective state
12 licensing board. A certified copy of the record of the disciplinary action taken against the
13 licensee by another state, an agency of the federal government, or another country shall be
14 conclusive evidence of the events related therein.”

15 “(b) Nothing in this section shall preclude a board from applying a specific statutory
16 provision in the licensing act administered by that board that provides for discipline based
17 upon a disciplinary action taken against the licensee by another state, an agency of the
18 federal government, or another country.”

19 CAUSE FOR DISCIPLINE

20 (Discipline, Restriction, or Limitation Imposed by another State)

21 11. On or around April 2, 2019, an Order Accepting Voluntary Submittal to Jurisdiction
22 (Oklahoma Order) from the Oklahoma State Board of Medical Licensure and Supervision
23 (Oklahoma Board) became effective. A copy of the Oklahoma Order issued by the Oklahoma
24 Board is attached to this Accusation as Exhibit A.

25 12. The Oklahoma Order concerned charges filed by the Oklahoma Board against
26 Respondent in a Verified Complaint. The Verified Complaint and Oklahoma Order address
27 multiple instances of alcohol abuse and dangerous behavior by Respondent.

1 13. The Oklahoma Order included stipulated findings of fact. These included two
2 Driving While Intoxicated (DWI) convictions for Respondent—one conviction on January 28,
3 2016, and another on January 4, 2019. The stipulated findings of fact also found that in 2002,
4 alcohol was detected on Respondent's breath during his Family Medicine Residency, resulting in
5 treatment for alcohol use disorder. The stipulated findings of fact also found that Respondent
6 entered in-patient treatment for substance abuse in December 2017, and remained until March
7 2018. This was before his second DWI.

8 14. The Oklahoma Order concluded that Respondent was guilty of unprofessional
9 conduct under the Oklahoma Allopathic Medical and Surgical Licensure and Supervision Act,
10 specifically violating the provisions against practicing medicine with reasonable skill and safety
11 by reason of drunkenness, engaging in conduct likely to harm the public, and engaging in habitual
12 intemperance. The Oklahoma Order accordingly ordered that Respondent be placed on probation
13 for a period of five years and imposed several terms and conditions.

14 15. Respondent's conduct and the action of the Oklahoma Board as set forth above
15 constitute unprofessional conduct within the meaning of section 2305 and conduct subject to
16 discipline within the meaning of section 141(a).

17 **SECOND CAUSE FOR DISCIPLINE**

18 **(Unprofessional Conduct – Convictions of Driving While Intoxicated)**

19 16. Respondent is subject to disciplinary action under Code sections 2234 [unprofessional
20 conduct] and/or 2236 [conviction of crime], and/or 2239 [misuse of controlled substances or
21 alcohol] in that on both January 4, 2019 and January 28, 2016, Respondent pled guilty to driving
22 while intoxicated (DWI), pursuant to Texas law. The circumstances are as follows:

23 17. On January 4, 2019, Respondent pled guilty to driving while intoxicated (DWI) on
24 August 9, 2017. A Judgment of Conviction by Court was filed January 4, 2019. Respondent had
25 his driver's license suspended and was assessed 5 days in jail with credit for time served, fines,
26 court costs, and labor detail. The criminal case arose out of Tarrant County, Texas, Case No.
27 1512106.
28

1 18. On January 28, 2016, Respondent pled guilty to driving while intoxicated (DWI) in
2 2014. Respondent was assessed, in part, a fine, a 90-day suspended sentence, and placement on
3 community supervision for twelve months. The criminal case arose out of Tarrant County, Texas,
4 Case No. 1395501.

5 PRAYER

6 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
7 and that following the hearing, the Board issue a decision:

- 8 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 79406,
9 issued to Sherif Sayed Ismail, M.D.;
- 10 2. Revoking, suspending or denying approval of Sherif Sayed Ismail, M.D.'s authority
11 to supervise physician assistants and advanced practice nurses;
- 12 3. Ordering Sherif Sayed Ismail, M.D., if placed on probation, to pay the Board the
13 costs of probation monitoring; and
- 14 4. Taking such other and further action as deemed necessary and proper.
