Case No. 800-2019-058667

**STIPULATED SURRENDER AND  
DISCIPLINARY ORDER**

21  
22 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
23 entitled proceedings that the following matters are true:

24 **PARTIES**

25 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
26 California (Board). He brought this action solely in his official capacity and is represented in this  
27 matter by Xavier Becerra, Attorney General of the State of California, by Megan R. O'Carroll,  
28 Deputy Attorney General.

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in  
3 Accusation/Petition to Revoke Probation No. 800-2019-058667, if proven at a hearing, constitute  
4 cause for imposing discipline upon his Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case  
6 or factual basis for the charges in the Accusation/Petition to Revoke Probation, and that  
7 Respondent hereby gives up his right to contest those charges.

8 11. Respondent does not contest that, at an administrative hearing, complainant could  
9 establish a prima facie case with respect to the charges and allegations in Accusation/Petition to  
10 Revoke Probation No. 800-2019-058667, a true and correct copy of which is attached hereto as  
11 Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A  
12 37880 to disciplinary action. Respondent understands and agrees that in any petition for  
13 reinstatement of his license, or petition for a new license, the allegations in Accusation/Petition to  
14 Revoke Probation No. 800-2019-058667, shall be deemed to be true and correct and admitted by  
15 him.

16 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
17 discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the  
18 Disciplinary Order below.

19 RESERVATION

20 13. The admissions made by Respondent herein are only for the purposes of this  
21 proceeding, or any other proceedings in which the Medical Board of California or other  
22 professional licensing agency is involved, and shall not be admissible in any other criminal or  
23 civil proceeding.

24 CONTINGENCY

25 14. This stipulation shall be subject to approval by the Medical Board of California.  
26 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
27 Board of California may communicate directly with the Board regarding this stipulation and  
28 settlement, without notice to or participation by Respondent or his counsel. By signing the

1 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
2 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
3 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
4 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
5 action between the parties, and the Board shall not be disqualified from further action by having  
6 considered this matter.

7 15. The parties understand and agree that Portable Document Format (PDF) and facsimile  
8 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
9 signatures thereto, shall have the same force and effect as the originals.

10 16. In consideration of the foregoing admissions and stipulations, the parties agree that  
11 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
12 enter the following Disciplinary Order:

13 **DISCIPLINARY ORDER**

14 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 37880 issued  
15 to Respondent Larry Richard Pyle, M.D. is surrendered and accepted by the Medical Board of  
16 California.

17 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the Board's  
18 acceptance of it shall constitute the imposition of discipline against Respondent. This stipulation  
19 constitutes a record of the discipline and shall become a part of Respondent's license history with  
20 the Medical Board of California.

21 2. Respondent shall lose all rights and privileges as a Physician in California as of the  
22 effective date of the Board's Decision and Order.

23 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
24 issued, his wall certificate on or before the effective date of the Decision and Order.

25 4. If Respondent should ever apply or reapply for a new license or certification, or  
26 petition for reinstatement of a license, by any other health care licensing agency in the State of  
27 California, all of the charges and allegations contained in Accusation, No. 800-2019-058667 shall  
28 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of

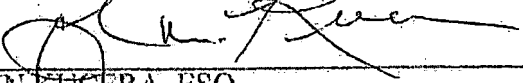

1 Issues or any other proceeding seeking to deny or restrict licensure, and any proceeding where a  
2 Board determines whether to grant or deny the petition.

19  
20 **PARTIES**

- 21 1. William Prasifka (Complainant) brings this Accusation solely in his official capacity  
22 as the Executive Director of the Medical Board of California, Department of Consumer Affairs  
23 (Board).  
24 2. On or about December 21, 1981, the Medical Board issued Physician's and Surgeon's  
25 Certificate No. A 37880 to Larry Richard Pyle, M.D. (Respondent). The Physician's and  
26 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
27 herein and will expire on December 31, 2021, unless renewed.

1 **PRIOR DISCIPLINE**

2 3. On April 29, 1997, Respondent's medical license was suspended by an Interim Order  
3 of Suspension in Case No. 02-1995-057101 based on allegations of sexual misconduct by seven  
4 patients. His license remained suspended until a Decision After Reconsideration became  
5 effective on June 29, 1998 issuing him a Public Reprimand. The Decision stated that six of the  
6 patients who brought the allegations were unreliable due to their drug abuse and the passage of  
7 time. The Decision noted, however, that Respondent had been evaluated by a Board psychiatrist  
8 in 1993 during his participation in the Board's Diversion program, and the Board psychiatrist  
9 recommended Respondent to have a chaperone present during pelvic examinations.  
10 Respondent's failure to have a chaperone present during the pelvic examination of the seventh  
11 patient, who was found to be credible, was unprofessional conduct supporting the Public  
12 Reprimand. That decision is now final and is incorporated by reference as if fully set forth.

13 4. On or about May 15, 2013, an Accusation was filed in Case No. 02-2011-216211  
14 charging Respondent with sexual misconduct with a patient for kissing the patient on the mouth  
15 during a medical examination. On June 11, 2014, the Decision became effective and  
16 Respondent's license was revoked, stayed and placed on three years probation.

17 5. On or about February 2, 2015, an Accusation was filed in Case No. 02-2013-234269  
18 charging Respondent with gross negligence and sexual misconduct with a minor patient for  
19 fondling her breasts, rubbing her upper thigh, and placing his ungloved finger in her vagina while  
20 she was a minor. On February 11, 2016, the Decision became effective and Respondent was  
21 revoked, stayed and placed on seven years of probation, with various terms and conditions.

22 **JURISDICTION**

23 6. This Accusation is brought before the Board, under the authority of the following  
24 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
25 indicated.

26 7. Section 2227 of the Code provides that a licensee who is found guilty under the  
27 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
28

1 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
2 action taken in relation to discipline as the Board deems proper.

3 8. Section 2234 of the Code, states:

4 The board shall take action against any licensee who is charged with  
5 unprofessional conduct. In addition to other provisions of this article, unprofessional  
6 conduct includes, but is not limited to, the following:

7 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
8 abetting the violation of, or conspiring to violate any provision of this chapter.

9 (b) Gross negligence.

10 (c) Repeated negligent acts. To be repeated, there must be two or more  
11 negligent acts or omissions. An initial negligent act or omission followed by a  
12 separate and distinct departure from the applicable standard of care shall constitute  
13 repeated negligent acts.

14 (1) An initial negligent diagnosis followed by an act or omission medically  
15 appropriate for that negligent diagnosis of the patient shall constitute a single  
16 negligent act.

17 (2) When the standard of care requires a change in the diagnosis, act, or  
18 omission that constitutes the negligent act described in paragraph (1), including, but  
19 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
20 licensee's conduct departs from the applicable standard of care, each departure  
21 constitutes a separate and distinct breach of the standard of care.

22 (d) Incompetence.

23 (e) The commission of any act involving dishonesty or corruption that is  
24 substantially related to the qualifications, functions, or duties of a physician and  
25 surgeon.

26 (f) Any action or conduct that would have warranted the denial of a certificate.

27 (g) The failure by a certificate holder, in the absence of good cause, to attend  
28 and participate in an interview by the board. This subdivision shall only apply to a  
certificate holder who is the subject of an investigation by the board.

9. Section 2242 of the Code states:

(a) Prescribing, dispensing, or furnishing dangerous drugs as defined in Section  
4022 without an appropriate prior examination and a medical indication, constitutes  
unprofessional conduct.

...

10. Section 4022 of the Code states:

"Dangerous drug" or "dangerous device" means any drug or device unsafe for  
self use, except veterinary drugs that are labeled as such, and includes the following:

1 (a) Any drug that bears the legend: "Caution: federal law prohibits dispensing  
without prescription," "Rx only," or words of similar import.

2 (b) Any device that bears the statement: "Caution: federal law restricts this  
3 device to sale by or on the order of a \_\_\_\_\_," "Rx only," or words of similar  
import, the blank to be filled in with the designation of the practitioner licensed to use  
4 or order use of the device.

5 (c) Any other drug or device that by federal or state law can be lawfully  
dispensed only on prescription or furnished pursuant to Section 4006.

6 11. Section 2052 of the Code states:

7 (a) Notwithstanding Section 146, any person who practices or attempts to  
8 practice, or who advertises or holds himself or herself out as practicing, any system or  
mode of treating the sick or afflicted in this state, or who diagnoses, treats, operates  
9 for, or prescribes for any ailment, blemish, deformity, disease, disfigurement,  
disorder, injury, or other physical or mental condition of any person, without having  
10 at the time of so doing a valid, unrevoked, or unsuspended certificate as provided in  
this chapter [Chapter 5, the Medical Practice Act], or without being authorized to  
11 perform the act pursuant to a certificate obtained in accordance with some other  
provision of law, is guilty of a public offense, punishable by a fine not exceeding ten  
12 thousand dollars (\$10,000), by imprisonment pursuant to subdivision (h) of Section  
1170 of the Penal Code, by imprisonment in a county jail not exceeding one year, or  
13 by both the fine and either imprisonment.

14 (b) Any person who conspires with or aids or abets another to commit any act  
described in subdivision (a) is guilty of a public offense, subject to the punishment  
15 described in that subdivision.

16 (c) The remedy provided in this section shall not preclude any other remedy  
provided by law.

17 12. Section 2238 of the Code states:

18 A violation of any federal statute or federal regulation or any of the statutes or  
19 regulations of this state regulating dangerous drugs or controlled substances  
constitutes unprofessional conduct.

20 13. Section 2264 of the Code states:

21 The employing, directly or indirectly, the aiding, or the abetting of any  
22 unlicensed person or any suspended, revoked, or unlicensed practitioner to engage in  
the practice of medicine or any other mode of treating the sick or afflicted which  
23 requires a license to practice constitutes unprofessional conduct.

24 **FACTUAL ALLEGATIONS**

25 14. On or about April 27, 2018, the Board received an online complaint from a registered  
26 nurse in Redding, California. The Nurse explained that several patients told her that they had  
27 received Botox injections from an unlicensed person, Ms. S.T., working with Respondent at his  
28

1 medical office in Redding. The patients were suffering from side effects and disfigurement due  
2 to Ms. S.T.'s injections.

3 15. One of the patients who saw both Ms. S.T. and Respondent reported that Ms. S. T.  
4 worked with Respondent, and received Botox from Respondent. This Confidential Patient (C.P.)  
5 reported that she had been receiving Botox and filler injections from Ms. S.T. between 2007 and  
6 2018. Most of the injections C.P. received were done by Ms. S.T., at a salon near Respondent's  
7 office, but on one occasion she and Ms. S.T. went to Respondent's office where he injected her  
8 with Botox at his office. C.P. reported that she did not like the way Respondent injected her and  
9 did not return. C.P. suffered side effects and lumps on her face from the fillers Ms. S.T. used, and  
10 sought treatment with another provider in Redding.

11 16. Between April and October of 2018, state investigators spoke with approximately five  
12 other women who also received injections of fillers and Botox from Ms. S.T. for several years up  
13 to and including 2018. Several of these women believed that Ms. S.T. worked with Respondent,  
14 and was a licensed nurse. On or about September 5, 2018, state investigators executed a search  
15 warrant at Ms. S.T.'s home. Among other items, the investigators discovered syringes and new  
16 Botox patient information forms with Respondent's office information printed on them.

17 17. On or about November 15, 2018, state investigators traveled to Respondent's medical  
18 office in Redding, California, to conduct an unannounced visit. During this visit, a Board  
19 investigator interviewed Respondent and spoke with members of his staff.

20 18. Respondent's receptionist reported that Ms. S.T. had been obtaining Botox from Dr.  
21 Pyle for the last few years. The receptionist understood Ms. S.T. to be an esthetician with a salon  
22 near the medical practice. Ms. S.T. had access to the laboratory area of Respondent's practice  
23 where she would fill a syringe with Botox and either inject it at the practice, or take it to her  
24 nearby salon to inject her clients.

25 19. The receptionist explained that each of Ms. S.T.'s clients had a chart in Respondent's  
26 office to keep track of how much Botox they received. If Ms. S.T. took the Botox away to inject  
27 at her salon, she would pay the receptionist \$13.00 per unit for the Botox. The receptionist would  
28 also use Respondent's office to charge Ms. S.T.'s clients directly for the Botox. On one occasion,

1 two of Ms. S.T.'s clients complained about the Botox injections and Respondent issued each of  
2 them a refund check for the Botox. The receptionist reported that she would sometimes see  
3 Respondent, Ms. S.T., and one of her clients go into the treatment room together in Respondent's  
4 office.

5 20. During his interview with the Board investigator, Respondent acknowledged that he  
6 had been furnishing Botox and syringes to Ms. S.T., and that she paid him for the costs of the  
7 Botox. He claimed that he understood Ms. S.T. to be an esthetician and indicated that he did not  
8 know whether she was licensed to obtain and inject Botox or not.

9 21. Respondent stated that Ms. S.T. had her own office for her clients, and that she "was  
10 not very associated per se with this office." He denied Ms. S.T. had a room dedicated to her at  
11 his office, but indicated that if his front office staff had made a room available at his office for her  
12 to inject Botox that he would not have had a problem with that. He stated that when he learned  
13 that a complaint had been filed against Ms. S.T., he told her he would no longer provide her with  
14 the Botox. He indicated that he has performed Botox injections to his own patients as part of his  
15 practice since approximately 1996. He would estimate that he treats approximately 4-6 patients  
16 per month with Botox injections.

17 22. Records show that Respondent has purchased approximately 200 units (2 vials) of  
18 Botox each month since 2012, with an occasional exception when he would order more or less  
19 than 200 units in a single month. The 100 unit vials were often ordered every two weeks, with  
20 approximately one vial being ordered every other week.

21 23. On or about January 15, 2019, the Shasta County District Attorney's Office arrested  
22 Respondent and charged him with one felony count of aiding and abetting the unlicensed practice  
23 of medicine between January 2016 and September 2018. The criminal complaint is pending in  
24 Shasta County Superior Court with a preliminary hearing date currently set for December of  
25 2020.

26 24. On or about December 7, 2018, Respondent submitted an application for insurance  
27 coverage to Health Care Professional Risk Retention Group, with several false statements and  
28 representations. Specifically, Respondent represented in the application that he does not perform

1 Botox injections at his practice, and that his license to practice medicine has never been  
2 suspended or placed on probation or limited in any way. When the newspapers published the  
3 story of his arrest and charge for furnishing Botox to an unlicensed person, it became publicly  
4 known that he did in fact purchase and use Botox in his practice. On March 4, 2019,  
5 Respondent's insurer rescinded his insurance policy, effective January 1, 2019, for making false  
6 statements in his application.

7 **FIRST CAUSE FOR DISCIPLINE**

8 **(Aiding and Abetting the Unlicensed Practice of Medicine)**

9 25. Respondent is subject to disciplinary action under section 2052 and 2264 in that he  
10 aided and abetted the unlicensed practice of medicine. The circumstances are set forth in  
11 Paragraphs 14 through 24, above, which are incorporated here by reference as if fully set forth  
12 herein. Additional circumstances are as follows:

13 26. Respondent aided and abetted the unlicensed practice of medicine for his acts and  
14 omissions, including but not limited to, the following:

15 (a) Allowing Ms. S.T., an unlicensed person, access to dangerous drugs and syringes from  
16 his medical office;

17 (b) Authorizing his office staff to accept payment for medical services by Ms. S.T., an  
18 unlicensed person, under his name and office;

19 (c) Maintaining records of medical services by Ms. S.T., an unlicensed person, at his  
20 office;

21 (d) Issuing refund checks, under his personal signature, to dissatisfied patients treated by  
22 Ms. S.T., an unlicensed person; and

23 (e) Allowing Ms. S.T., an unlicensed person, access to preprinted forms with his office  
24 information.

25 **SECOND CAUSE FOR DISCIPLINE**

26 **(Furnishing Dangerous Drugs)**

27 27. Respondent is subject to disciplinary action under sections 2234, and 2242, in that he  
28 furnished dangerous drugs without a prior examination or medical indication.

1 28. The circumstances are set forth in Paragraphs 14 through 24, above, which are  
2 incorporated here by reference as if fully set forth herein.

3 29. Respondent's conduct of furnishing dangerous drugs without a prior examination or  
4 medical indication, violates section 2242, and is grounds for imposition of discipline against his  
5 license.

6 **THIRD CAUSE FOR DISCIPLINE**

7 **(Dishonest or Fraudulent Act Related to the Practice of Medicine)**

8 30. Respondent is subject to disciplinary action under section 2234, subdivision (e), in  
9 that he committed a dishonest act related to the practice of medicine.

10 31. The circumstances are set forth in Paragraphs 14 through 24, above, which are  
11 incorporated here by reference as if fully set forth herein.

12 32. Respondent's conduct, of providing false information about his license and practice in  
13 seeking insurance coverage for his practice, violated section 2234, subdivision (e), and is grounds  
14 for imposition of discipline against his license.

15 **FOURTH CAUSE FOR DISCIPLINE**

16 **(General Unprofessional Conduct)**

17 33. Respondent is subject to disciplinary action under section 2234 in that he has engaged  
18 in conduct which breaches the rules or ethical code of the medical profession, or conduct which is  
19 unbecoming to a member in good standing of the medical profession, and which demonstrated an  
20 unfitness to practice medicine. The circumstances are set forth in Paragraphs 14 through 24,  
21 above, which are incorporated here by reference as if fully set forth herein.

22 **CAUSE TO REVOKE PROBATION**

23 **(Failure to Comply with Provisions 8 and 10 of Probationary Order)**

24 34. Pursuant to Probation Condition 8 of the Board's Decision and Disciplinary Order  
25 Case No. 02-2013-234269, Respondent was required to provide a copy of the Disciplinary Order  
26 to the CEO of each insurance company that extended medical malpractice to him within 15 days.  
27 This condition also applied to changes in insurance carriers. Respondent was further required by  
28 Condition 10 of the Board's Decision and Disciplinary Order to obey all laws.
