27 production of documents; the right to reconsideration and court review of an adverse decision;

28 ///

1 and all other rights accorded by the California Administrative Procedure Act and other applicable  
2 laws.

3 8. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently  
4 waives and gives up each and every right set forth above.

5 **CULPABILITY**

6 9. Respondent does not contest that, at an administrative hearing, Complainant could  
7 establish a *prima facie* case with respect to each and every charge and allegation contained in  
8 the First Amended Accusation No. 800-2018-044106, and agrees that he has thereby subjected his  
9 Physician's and Surgeon's Certificate No. A 54498 to disciplinary action, and hereby surrenders  
10 his Physician's and Surgeon's Certificate No. A 54498 for the Board's formal acceptance.

11 9. Respondent agrees that if he files a petition for reinstatement or relicensure, or an  
12 accusation and/or petition to revoke probation is filed against him before the Medical Board of  
13 California, all of the charges and allegations contained in the First Amended Accusation No. 800-  
14 2018-044106 shall be deemed true, correct, and fully admitted by Respondent for purposes of any  
15 such proceeding or any other licensing proceeding involving Respondent in the State of  
16 California.

17 10. Respondent understands that by signing this stipulation he enables the Board to issue  
18 an order accepting the surrender of his Physician's and Surgeon's Certificate No. A 54498  
19 without notice to, or opportunity to be heard by, Respondent.

20 **CONTINGENCY**

21 12. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
22 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
23 stipulation for surrender of a license."

24 13. Respondent understands that, by signing this stipulation, he enables the Executive  
25 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
26 Physician's and Surgeon's Certificate No. A 54498, without further notice to, or opportunity to be  
27 heard by, Respondent.

28 ///

1           14. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
2 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
3 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
4 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
5 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
6 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
7 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the  
8 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

9           15. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
10 shall be null and void and not binding upon the parties unless approved and adopted by the  
11 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full  
12 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
13 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
14 Director and/or the Board may receive oral and written communications from its staff and/or the  
15 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
16 Executive Director, the Board, any member thereof, and/or any other person from future  
17 participation in this or any other matter affecting or involving Respondent. In the event that the  
18 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this  
19 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
20 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied  
21 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
22 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
23 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
24 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,  
25 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or  
26 of any matter or matters related hereto.

3 herein to be an integrated writing representing the complete, final and exclusive embodiment of  
4 the agreements of the parties in the above-entitled matter.

5 17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary  
6 Order, including copies of the signatures of the parties, may be used in lieu of original documents  
7 and signatures and, further, that such copies shall have the same force and effect as originals.

12 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 54498 issued

15 and the acceptance of the surrendered license by the Board shall constitute the imposition of  
16 discipline against Respondent. This stipulation constitutes a record of the discipline and shall  
17 become a part of Respondent's license history with the Board.

19 California as of the effective date of the Board's Decision and Order.

22 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
23 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
24 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
25 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
26 contained in the First Amended Accusation No. 800-2018-044106 shall be deemed to be true,  
27 correct and fully admitted by Respondent when the Board determines whether to grant or deny  
28 the petition.

2 petition for reinstatement of a license, by any other health care licensing agency in the State of  
3 California, all of the charges and allegations contained in the First Amended Accusation, No.  
4 800-2018-044106 shall be deemed to be true, correct, and fully admitted by Respondent for the

1 JURISDICTION

2 3. This First Amended Accusation, which supersedes the Accusation filed on July 28,  
3 2020, is brought before the Board, under the authority of the following laws. All section  
4 references are to the Business and Professions Code (Code) unless otherwise indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of  
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
8 Code, or whose default has been entered, and who is found guilty, or who has entered  
9 into a stipulation for disciplinary action with the board, may, in accordance with the  
10 provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed one  
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation  
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a  
17 requirement that the licensee complete relevant educational courses approved by the  
18 board.

19 (5) Have any other action taken in relation to discipline as part of an order of  
20 probation, as the board or an administrative law judge may deem proper.

21 (b) Any matter heard pursuant to subdivision (a), except for warning letters,  
22 medical review or advisory conferences, professional competency examinations,

24 agreed to with the board and successfully completed by the licensee, or other matters

27 5. Section 2234 of the Code, states, in pertinent part:

28 The board shall take action against any licensee who is charged with  
unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or  
abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more  
negligent acts or omissions. An initial negligent act or omission followed by a  
separate and distinct departure from the applicable standard of care shall constitute  
repeated negligent acts.

///

1 (1) An initial negligent diagnosis followed by an act or omission medically  
2 appropriate for that negligent diagnosis of the patient shall constitute a single  
negligent act.

3 (2) When the standard of care requires a change in the diagnosis, act, or  
4 omission that constitutes the negligent act described in paragraph (1), including, but  
5 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
licensee's conduct departs from the applicable standard of care, each departure  
constitutes a separate and distinct breach of the standard of care.

6 ...

7 **FIRST CAUSE FOR DISCIPLINE**

8 **(Gross Negligence)**

9 6. Respondent has subjected his Physician's and Surgeon's Certificate No. A 54498 to  
10 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of  
11 the Code, in that he has committed gross negligence in his care and treatment of Patient A<sup>1</sup>, as  
12 more particularly alleged hereinafter.

13 7. On or about August 31, 2015, Patient A, a then 31-year old male, was admitted to  
14 Patton State Hospital (PSH) after a determination was made that he was incompetent to stand  
15 trial. Patient A's medical history was significant for, among other things, asthma, anxiety  
16 disorder, and schizophrenia. Upon admission, Patient A's medications included, among other  
17 things, Flovent<sup>2</sup>, Singulair<sup>3</sup>, and Xopenex.<sup>4</sup> Respondent was assigned as Patient A's medical  
18 physician during his admission at PSH.

19 8. On or about September 1, 2015, Respondent performed an initial patient assessment  
20 of Patient A. According to records, Respondent noted Patient A's medical history of asthma, but  
21 documented Patient A's asthma as not active and documented no wheezing detected. Respondent  
22

---

23 <sup>1</sup> Patient identity has been withheld for patient privacy purposes. Respondent is aware of the  
24 identity of the patient referred to herein.

25 <sup>2</sup> Flovent, brand name for fluticasone, is a corticosteroid used for the long-term treatment of  
asthma.

26 <sup>3</sup> Singulair, brand name for montelukast, is a leukotriene inhibitor, commonly used to treat asthma  
27 by preventing asthma attacks.

28 <sup>4</sup> Xopenex, brand name for levalbuterol, is a short-acting bronchodilator used to increase the  
airflow to the lungs, commonly used to treat or prevent bronchospasm.

1 then issued an order to continue Respondent's prescription for Xopenex, as needed. Respondent  
2 did not issue a renewal prescription for Flovent or Singulair, which were due to expire on  
3 September 7, 2015.

4 9. After the expiration of Patient A's prescriptions for Flovent and Singulair, PSH  
5 documents show an increase in Patient A's daily requests for his Xopenex inhaler.

6 10. On or about January 4, 2016, Respondent performed a quarterly review and  
7 assessment of Patient A. During this evaluation, Respondent documented Patient A had no  
8 complaints, his lungs were clear, and no wheezing in his lungs. Respondent noted Patient A was  
9 using his Xopenex inhaler daily, but documented the reason for the multiple requests was  
10 Respondent's anxiety and reported shortness of breath. Respondent continued prescribing  
11 Xopenex to Patient A, but did not add any other medications for asthma.

12 11. On or about January 24, 2016, Respondent evaluated Patient A, who presented with  
13 complaints of shortness of breath and wheezing. Respondent documented no shortness of breath,  
14 minimal inspiratory wheezing, and no expiratory wheezing. Respondent further documented no  
15 acute bronchial asthma wheezing since admission, but Patient A still made daily requests for his  
16 inhaler. Respondent then determined it was "mostly inhaler dependence."

17 12. On or about January 28, 2016, Respondent evaluated Patient A, who presented with  
18 wheezing. Respondent documented wheezing at Patient A's larynx area, but none at his lungs.  
19 Respondent documented a diagnosis of Acute Reactive Airway disease with signs of  
20 bronchospasm and prescribed Xopenex inhaler.

21 13. From on or about August 31, 2015, through on or about February 14, 2016, Patient A  
22 requested his Xopenex inhaler on a daily basis, multiple times per day. Patient A complained of  
23 shortness of breath and wheezing, and reported improved breathing after taking several puffs of  
24 his Xopenex inhaler.

25 14. At no time during Patient A's stay as PSH did Respondent issue a prescription to  
26 Patient A for Flovent or Singulair, or any equivalent or similar prescription for Flovent or  
27 Singulair, to renew these two medications for Patient A after their expiration on September 7,  
28 2015.

1           15. At no time during Patient A's stay at PSH did Respondent order any objective testing  
2 to determine Patient A's respiratory status or to confirm the validity of Patient A's repeated  
3 requests for his Xopenex inhaler.

4           16. On or about February 14, 2016, Patient A complained of shortness of breath and by  
5 approximately 7:40 A.M., he had already used his inhaler once. After using his inhaler, Patient A  
6 continued to report feeling unable to breathe. Without performing an examination of Patient A,  
7 Respondent attributed Patient A's condition to his anxiety and transferred the care of Patient A to  
8 the incoming staff physician of the day, a psychiatrist, as Respondent's shift was ending. Later  
9 that same morning, Patient A was pronounced dead. The cause of death was determined to be  
10 acute and chronic bronchial asthma.

11           17. Respondent committed gross negligence in his care and treatment of Patient A, which  
12 included, but is not limited to:

13           A. Paragraphs 6 through 16, above, are hereby incorporated by reference and  
14 realleged as if fully set forth herein;

15           B. Respondent failed to recognize and/or properly manage Patient A's acute  
16 asthma attack on February 14, 2016;

17           C. Respondent failed to take proper precautions in discontinuing Patient A's two  
18 asthma maintenance medications, Flovent and Singulair, by discontinuing both  
19 medications at the same time, and Respondent failed to restart Patient A's two asthma  
20 maintenance medications, or their equivalent, when indicated by Patient A's  
21 condition; and

22           D. Respondent failed to use step up therapy in the treatment and management of  
23 Patient A's asthma.

1 **SECOND CAUSE FOR DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 18. Respondent has further subjected his Physician's and Surgeon's Certificate No. A  
4 54498 to disciplinary action under sections 2227 and 2234, as defined by section 2234,  
5 subdivision (c), of the Code, in that he has committed repeated negligent acts in his care and  
6 treatment of Patient A, as more particularly alleged hereinafter.

7 A. Paragraphs 6 through 17, above, are hereby incorporated by reference and  
8 realleged as if fully set forth herein;

9 B. Respondent failed to order objective testing to assess Patient A's asthma and  
10 respiratory status, including but not limited to, peak expiratory flow rate and  
11 pulmonary function testing; and

12 C. Respondent failed to consider and/or document the consideration of other  
13 underlying causes of Patient A's anxiety other than mental illness, including the  
14 possibility of Patient A's inability to breathe.

15 **THIRD CAUSE FOR DISCIPLINE**

16 **(Violations of Provisions of the Medical Practice Act)**

17 19. Respondent has further subjected his Physician's and Surgeon's Certificate No. A  
18 54498 to disciplinary action under sections 2227 and 2234, as defined by section 2234,  
19 subdivision (a), of the Code, in that he violated a provision or provisions of the Medical Practice  
20 Act, as more particularly alleged in paragraphs 6 through 18, above, which are hereby  
21 incorporated by reference and realleged as if fully set forth herein.
