3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code states, in pertinent part:

(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

- (1) Have his or her license revoked upon order of the board.
- (2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.
- (3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.
- (4) Be publicly reprimanded by the board. The public reprimand may include a requirement that the licensee complete relevant educational courses approved by the board.
- (5) Have any other action taken in relation to discipline as part of an order of probation, as the board or an administrative law judge may deem proper.

....

5. Section 2234 of the Code states, in pertinent part:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

...

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a

separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

1 (2) When the standard of care requires a change in the diagnosis, act, or
2 omission that constitutes the negligent act described in paragraph (1), including, but
3 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
4 licensee's conduct departs from the applicable standard of care, each departure
5 constitutes a separate and distinct breach of the standard of care.

6 (d) Incompetence.

7

8 6. Section 2266 of the Code states:

9 The failure of a physician and surgeon to maintain adequate and accurate
10 records relating to the provision of services to their patients constitutes unprofessional
11 conduct.

12 **FIRST CAUSE FOR DISCIPLINE**

13 **(Repeated Negligent Acts)**

14 7. Respondent Barnet Gary Meltzer, M.D. has subjected his Physician's and Surgeon's
15 Certificate No. G 19625 to disciplinary action under sections 2227 and 2234, as defined by
16 section 2234, subdivision (c), of the Code in that he committed repeated negligent acts. The
17 circumstances are as follows:

18 8. At all times relevant to the allegations contained herein, Respondent has operated a
19 private, solo medical practice in or around Del Mar, California.

20 9. On or about January 6, 2017, "Patient A,"¹ a minor female patient, presented to
21 Respondent at his practice accompanied by Patient A's mother.

22 10. At one point during the January 6, 2017 encounter, Patient A's mother inquired about
23 obtaining a vaccination exemption for Patient A.

24 11. On or about January 6, 2017, Respondent issued a letter (referred to hereinafter as the
25 "Patient A Exemption Letter"), and provided a copy to Patient A's mother, stating, among other
26 things, that "[Patient A] needs to be exempt from diphtheria, tetanus, pertussis, polio, hepatitis B,
27 measles, mumps, rubella, and varicella [sic]." In the Patient A Exemption Letter, Respondent
28 further stated, "...it is advised not to inoculate [Patient A] at this time until further notice."

////

¹ Patient names or other personally identifying information are withheld from the instant
Accusation to preserve patient privacy. All patient identities are known to Respondent, or will be
provided to Respondent following Complainant's receipt of any duly issued request for discovery.

1 12. Respondent issued the Patient A Exemption Letter on or about June 6, 2017 without
2 adequate medical justification.

3 13. Patient A presented to Respondent again on June 30, 2017.

4 14. Respondent's medical records for the January 6, 2017 or June 30, 2017 encounter, or
5 both, are not adequately legible such that a third party reading the records could sufficiently
6 understand Respondent's thought process or clinical assessment and reasoning.

7 15. Respondent's issuance of the Patient A Exemption Letter, as well as statements made
8 by Respondent therein or in the course of the Board's subsequent investigation of the medical
9 care and treatment rendered to Patient A, demonstrate a lack of knowledge regarding the risks of
10 vaccines.

11 16. Respondent committed repeated negligent acts in his care and treatment of Patient A
12 including, but not limited to:

13 (a) Issuing a vaccination exemption for Patient A without adequate medical
14 justification.

15 (b) Failing to maintain adequate medical record documentation for Patient A.

16 **SECOND CAUSE FOR DISCIPLINE**

17 **(Incompetence)**

21 more particularly alleged in paragraphs 7 through 15, above, which are hereby incorporated by
22 reference as if fully set forth herein.

27 defined by section 2266, of the Code in that he failed to maintain adequate and accurate records
28 relating to the provision of services to Patient A as more particularly alleged in

1 paragraphs 7 through 16, above, which are hereby incorporated by reference as if fully set forth
2 herein.

3 **FOURTH CAUSE FOR DISCIPLINE**

4 **(Violating or Attempting to Violate the Medical Practice Act)**

5 19. Respondent Barnet Gary Meltzer, M.D. has further subjected his Physician's and
6 Surgeon's Certificate No. G 19625 to disciplinary action under sections 2227 and 2234, as
7 defined by section 2234, subdivision (a), of the Code in that he violated or attempted to violate,
8 directly or indirectly, assisted in or abetted the violation of, or conspired to violate one or more
9 provisions of the Medical Practice Act as more particularly alleged in paragraphs 7 through 18,
10 above, which are hereby incorporated by reference as if fully set forth herein.

11 **DISCIPLINARY CONSIDERATIONS**

12 20. To determine the degree of discipline, if any, to be imposed on Respondent Barnet
13 Gary Meltzer, M.D.'s Physician's and Surgeon's Certificate No. G 19625, Complainant alleges
14 that on or about September 19, 2002, in a prior disciplinary action titled *In the Matter of the*
15 *Accusation Against Barnet Gary Meltzer M.D.*, before the Medical Board of California, Case
16 No. 09-2000-106851, Respondent's license was revoked, with the revocation stayed, and
17 Respondent was placed on probation for seven years for committing gross negligence by
18 engaging in a sexual relationship with a patient. That decision is now final and is incorporated by
19 reference as if fully set forth herein.
