JURISDICTION

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2004 of the Code states:

6 The board shall have the responsibility for the following:

7 (a) The enforcement of the disciplinary and criminal provisions of the Medical
8 Practice Act.

9 (b) The administration and hearing of disciplinary actions.

10 (c) Carrying out disciplinary actions appropriate to findings made by a panel or
an administrative law judge.

11 (d) Suspending, revoking, or otherwise limiting certificates after the conclusion
12 of disciplinary actions.

13 (e) Reviewing the quality of medical practice carried out by physician and
surgeon certificate holders under the jurisdiction of the board.

14 (f) Approving undergraduate and graduate medical education programs.

15 (g) Approving clinical clerkship and special programs and hospitals for the
16 programs in subdivision (f).

17 (h) Issuing licenses and certificates under the board's jurisdiction.

18 (i) Administering the board's continuing medical education program.

19 5. Section 2227 of the Code provides that a licensee who is found guilty under the
20 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
21 one year, placed on probation and required to pay the costs of probation monitoring, or such other
22 action taken in relation to discipline as the Board deems proper.

23
24 6. Section 2234 of the Code, states:

25 The board shall take action against any licensee who is charged with
26 unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

27 (a) Violating or attempting to violate, directly or indirectly, assisting in or
28 abetting the violation of, or conspiring to violate any provision of this chapter.

1 (b) Gross negligence.

2 (c) Repeated negligent acts. To be repeated, there must be two or more
3 negligent acts or omissions. An initial negligent act or omission followed by a
4 separate and distinct departure from the applicable standard of care shall constitute
5 repeated negligent acts.

6 (1) An initial negligent diagnosis followed by an act or omission medically
7 appropriate for that negligent diagnosis of the patient shall constitute a single
8 negligent act.

9 (2) When the standard of care requires a change in the diagnosis, act, or
10 omission that constitutes the negligent act described in paragraph (1), including, but
11 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
12 licensee's conduct departs from the applicable standard of care, each departure
13 constitutes a separate and distinct breach of the standard of care.

14 (d) Incompetence.

15 (e) The commission of any act involving dishonesty or corruption that is
16 substantially related to the qualifications, functions, or duties of a physician and
17 surgeon.

18 (f) Any action or conduct that would have warranted the denial of a certificate.

19 (g) The failure by a certificate holder, in the absence of good cause, to attend
20 and participate in an interview by the board. This subdivision shall only apply to a
21 certificate holder who is the subject of an investigation by the board.

22 7. Section 2236 of the Code states:

23 (a) The conviction of any offense substantially related to the qualifications,
24 functions, or duties of a physician and surgeon constitutes unprofessional conduct
25 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
26 of conviction shall be conclusive evidence only of the fact that the conviction
27 occurred.

28 (b) The district attorney, city attorney, or other prosecuting agency shall notify
the Medical Board of the pendency of an action against a licensee charging a felony
or misdemeanor immediately upon obtaining information that the defendant is a
licensee. The notice shall identify the licensee and describe the crimes charged and
the facts alleged. The prosecuting agency shall also notify the clerk of the court in
which the action is pending that the defendant is a licensee, and the clerk shall record
prominently in the file that the defendant holds a license as a physician and surgeon.

(c) The clerk of the court in which a licensee is convicted of a crime shall,
within 48 hours after the conviction, transmit a certified copy of the record of
conviction to the board. The division may inquire into the circumstances surrounding
the commission of a crime in order to fix the degree of discipline or to determine if
the conviction is of an offense substantially related to the qualifications, functions, or
duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
deemed to be a conviction within the meaning of this section and Section 2236.1.
The record of conviction shall be conclusive evidence of the fact that the conviction
occurred.

8. California Code of Regulations, title 16, section 1360, states:

For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act.

9. Section 118 of the Code states:

(a) The withdrawal of an application for a license after it has been filed with a board in the department shall not, unless the board has consented in writing to such withdrawal, deprive the board of its authority to institute or continue a proceeding against the applicant for the denial of the license upon any ground provided by law or to enter an order denying the license upon any such ground.

(b) The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground.

(c) As used in this section, "board" includes an individual who is authorized by any provision of this code to issue, suspend, or revoke a license, and "license" includes "certificate," "registration," and "permit."

10. Section 490 of the Code provides, in pertinent part, that a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

FACTUAL SUMMARY

11. On February 11, 2020, in the case entitled *The People of the State of California v. Rodolfo Ecaro Magsino*, case number BA464660, in the Superior Court of California, County of Los Angeles, Respondent, upon a plea of nolo contendere, was convicted of a violation of Business and Professions Code section 650, subdivision (a), soliciting or accepting fees for patient referrals, a felony. All other charges were dismissed as the result of the plea agreement.

Respondent was sentenced to the following terms and conditions:

- 1 A. 3 years of formal probation.
- 2 B. Obey all laws and orders of the court.
- 3 C. Obey all rules and regulations of the probation department.
- 4 D. Submit person and property to search and seizure.

5 12. The circumstances leading to the above-referenced conviction are as follows:

6 A. In or around May of 2015, a hospice company representative (R-1) had a
7 meeting with Grace Schwartz, the wife of the administrator at Allen Care Center (ACC), a skilled
8 nursing facility. Schwartz relayed to R-1 that she knew doctors who could refer patients to R-1's
9 hospice company in exchange for money. In exchange for the referrals, R-1 would have to pay
10 Schwartz \$600 per patient and the doctors \$600 for each month the patients remained on hospice.

11 B. On January 4, 2016, Schwartz spoke with R-1 via telephone and offered to refer
12 patients to R-1's hospice company. Schwartz indicated that she expected to be paid for the
13 referrals and expected R-1 to pay the doctors who would write the prescriptions for hospice.

14 C. At an in-person meeting on January 5, 2016, Schwartz relayed to R-1 that she
15 expected to be paid \$800 per week and \$500 for each patient she referred. Schwartz also stated
16 that R-1 would have to pay, per patient, \$500 to the doctor who wrote the prescription for hospice
17 and \$500 to the administration of the facility where the patient resided. These payments were to
18 be paid each month as long as the patient remained on hospice. A written contract expressing
19 these terms was presented to R-1 by Schwartz and both parties signed the contract.

20 D. Shortly thereafter, R-1 received the files of two patients who had been referred
21 by Schwartz from San Dimas Retirement Center (SDRC). Included in the files was
22 documentation that Respondent was the attending physician for Patient 1¹ (P-1), one of the
23 referred patients. Additionally, Schwartz provided documentation to R-1 for the referral of
24 Patient 2 (P-2). This documentation included a hospice prescription for P-2 signed by
25 Respondent.

26 E. By January 21, 2016, Schwartz had referred more than ten patients to R-1;
27 however, only five were accepted for hospice. The orders for hospice care for at least one of the

28 ¹ Patient names are withheld to protect privacy.

1 referred patients had been written by Respondent.

2 F. On or around January 21, 2016, Schwartz referred Patient 3 (P-3) to R-1 for
3 hospice care and sent a patient file along with the referral. The order for hospice care included in
4 the file was written by Respondent.

5 G. On January 28, 2016, R-1 met Schwartz for a planned meeting. The purpose of
6 the meeting was for R-1 to pay Schwartz for the referrals for P-1 and P-2. At the meeting, R-1
7 told Schwartz that he would not pay her a salary because the salary could be traced to his
8 company. R-1 told Schwartz that he would pay her \$500 per patient referral and \$500 to the
9 doctors per patient referral. Schwartz produced a document that had a list of the referred patients.
10 The list also included the amounts owed to Respondent. R-1 paid a total of \$1,000 to Schwartz
11 for P-1 and P-2. R-1 asked Schwartz not to pay Respondent in advance because he wanted to pay
12 Respondent in person.

13 H. On February 5, 2016, R-1 met at the office of Respondent. The purpose of the
14 meeting was to pay Respondent for the referrals of P-1, P-2, P-3, and 3 additional patients that
15 had been referred in the interim: Patient 4 (P-4), Patient 5 (P-5), and Patient 6 (P-6). At the
16 meeting, R-1 paid \$3,000 to Respondent and \$2,000 to Schwartz for the referrals. R-1 told
17 Respondent that the payments were for the month of January for P-1 through P-6. R-1 had
18 Respondent sign paperwork from the files of the referred patients.

19 I. On March 14, 2016, R-1 met at the office of Respondent. The purpose of the
20 meeting was to pay Respondent for the month of February for the referrals of P-4, P-5, P-6.
21 Present at the meeting were Respondent, R-1, and Schwartz. R-1 placed three piles of money
22 onto a table. Each pile contained \$500. R-1 pointed to the first pile and stated that it was for P-4.
23 R-1 pointed to the second and third piles of money and Schwartz stated that those piles were for
24 P-5 and P-6, respectively. Respondent took possession of all three piles of money and placed the
25 money in his pocket.

26 J. On May 11, 2016, R-1 met at the office of Respondent. The purpose of the
27 meeting was to pay Respondent \$500 for the month of April for the referral of P-4. Present at the
28 meeting were Respondent and R-1. At the meeting, R-1 produced \$500 while telling Respondent

1 that the money was for P-4 for the month of April. R-1 placed the money in the envelope and
2 handed it to Respondent. Respondent placed the money in a desk drawer. During the meeting,
3 R-1 proposed that he pays Respondent a lump-sum amount for patient referrals instead of their
4 current per month arrangement. Respondent and R-1 agreed upon a lump-sum amount of \$1,000
5 per patient. Respondent and R-1 also agreed that Respondent would contact R-1 directly with
6 patient referrals and that they would no longer use Schwartz as an intermediary.

7 **FIRST CAUSE FOR DISCIPLINE**

8 **(Conviction of Substantially Related Crime)**

9 13. Respondent is subject to disciplinary action under section 2236, subdivision (a), and
10 section 490 of the Code, as well as California Code of Regulations, title 16, section 1360, in that

14 14. Respondent's acts and/or omissions as set forth in paragraphs 11 and 12, whether

17 to section 2236, subdivision (a), and section 490 of the Code, as well as California Code of
18 Regulations, title 16, section 1360. Therefore, cause for discipline exists.

19 **SECOND CAUSE FOR DISCIPLINE**

20 **(Act Involving Dishonesty or Corruption)**

21 15. Respondent is subject to disciplinary action under section 2234, subdivision (e), in
22 that Respondent committed an act involving dishonesty or corruption that was substantially
23 related to the qualifications, functions, or duties of a physician and surgeon. Complainant refers
24 to and, by this reference, incorporates herein, paragraphs 11 and 12, as though fully set forth
25 herein.

26 16. Respondent's acts and/or omissions as set forth in paragraphs 11 and 12, whether
27 proven individually, jointly, or in any combination thereof, involve dishonesty or corruption that
28 is substantially related to the qualifications, functions, or duties of a physician and surgeon

1 pursuant to Section 2234, subdivision (e), of the Code. Therefore, cause for discipline exists.

2 **THIRD CAUSE FOR DISCIPLINE**

3 **(Unprofessional Conduct)**

4 17. Respondent is subject to disciplinary action under section 2234 of the Code, in that he
5 engaged in unprofessional conduct generally. Complainant refers to and, by this reference,
6 incorporates herein, paragraphs 11 through 16, as though fully set forth herein.

7 18. Respondent's acts and/or omissions as set forth in paragraphs 11 through 16, whether
8 proven individually, jointly, or in any combination thereof, constitute unprofessional conduct
9 pursuant to section 2234 of the Code. Therefore, cause for discipline exists.

10 **PRAYER**
