1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Accusation
3 No. 800-2019-054631, if proven at a hearing, constitute cause for imposing discipline upon her
4 Physician's and Surgeon's Certificate.

5 10. Respondent does not contest that, at an administrative hearing, complainant could
6 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-
7 2019-054631, a true and correct copy of which is attached hereto as Exhibit A, and that she has
8 thereby subjected her Physician's and Surgeon's Certificate, No. G78794 to disciplinary action.
9 Respondent hereby gives up her right to contest those charges.

10 11. Respondent agrees that her Physician's and Surgeon's Certificate is subject to
11 discipline and she agrees to be bound by the Board's probationary terms as set forth in the

22 action between the parties, and the Board shall not be disqualified from further action by having
23 considered this matter.

26 Board, all of the charges and allegations contained in Accusation No. 800-2019-054631 shall be
27 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
28 other licensing proceeding involving Respondent in the State of California.

26 circumstances shall a post office box serve as an address of record, except as allowed by Business
27 and Professions Code section 2021, subdivision (b).

2 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
3 facility.

4 License Renewal

5 Respondent shall maintain a current and renewed California physician's and surgeon's
6 license.

7 Travel or Residence Outside California

8 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
9 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
10 (30) calendar days.

11 In the event Respondent should leave the State of California to reside or to practice

18 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
19 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
20 defined as any period of time Respondent is not practicing medicine as defined in Business and
21 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct

23 Respondent resides in California and is considered to be in non-practice, Respondent shall
24 comply with all terms and conditions of probation. All time spent in an intensive training
25 program which has been approved by the Board or its designee shall not be considered non-
26 practice and does not relieve Respondent from complying with all the terms and conditions of
27 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
28 on probation with the medical licensing authority of that state or jurisdiction shall not be

1 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
2 period of non-practice.

3 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
4 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
5 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program

7 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

8 Respondent's period of non-practice while on probation shall not exceed two (2) years.

9 Periods of non-practice will not apply to the reduction of the probationary term.

10 Periods of non-practice for a Respondent residing outside of California will relieve
11 Respondent of the responsibility to comply with the probationary terms and conditions with the
12 exception of this condition and the following terms and conditions of probation: Obey All Laws;
13 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
14 Controlled Substances; and Biological Fluid Testing..

17 completion of probation. Upon successful completion of probation, Respondent's certificate shall
18 be fully restored.

19 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
20 of probation is a violation of probation. If Respondent violates probation in any respect, the
21 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
22 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
23 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
24 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
25 the matter is final.

26 14. LICENSE SURRENDER. Following the effective date of this Decision, if
27 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
28 the terms and conditions of probation, Respondent may request to surrender his or her license.

1 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
2 determining whether or not to grant the request, or to take any other action deemed appropriate
3 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
4 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
5 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
6 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
7 application shall be treated as a petition for reinstatement of a revoked certificate.

8 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
9 with probation monitoring each and every year of probation, as designated by the Board, which
10 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
11 California and delivered to the Board or its designee no later than January 31 of each calendar
12 year.

13 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
14 a new license or certification, or petition for reinstatement of a license, by any other health care
15 licensing action agency in the State of California, all of the charges and allegations contained in
16 Accusation No. 800-2019-054631 shall be deemed to be true, correct, and admitted by
17 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
18 restrict license.

JURISDICTION

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code states, in part:

10 “The board shall take action against any licensee who is charged with unprofessional
11 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
12 limited to, the following:

13 “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
14 violation of, or conspiring to violate any provision of this chapter.”

15 6. Section 2236 of the Code states:

16 “(a) The conviction of any offense substantially related to the qualifications, functions, or
17 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
18 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
19 evidence only of the fact that the conviction occurred.

20 “. . . (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
21 deemed to be a conviction within the meaning of this section and Section 2236.1. The record of
22 conviction shall be conclusive evidence of the fact that the conviction occurred.”

23 7. Section 2239 of the Code states:

24 “(a) The use or prescribing for or administering to himself or herself, of any controlled
25 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic
26 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to
27 any other person or to the public, or to the extent that such use impairs the ability of the licensee
28 to practice medicine safely or more than one misdemeanor or any felony involving the use,

1 consumption, or self-administration of any of the substances referred to in this section, or any
2 combination thereof, constitutes unprofessional conduct. The record of the conviction is
3 conclusive evidence of such unprofessional conduct.

4 “(b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is
5 deemed to be a conviction within the meaning of this section. The Medical Board may order
6 discipline of the licensee in accordance with Section 2227 or the Medical Board may order the
7 denial of the license when the time for appeal has elapsed or the judgment of conviction has been
8 affirmed on appeal or when an order granting probation is made suspending imposition of
9 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal
10 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,
11 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or
12 indictment.”

13 8. California Code of Regulations, title 16, section 1360, states:

14 “For the purposes of denial, suspension or revocation of a license, certificate or permit
15 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
16 considered to be substantially related to the qualifications, functions or duties of a person holding
17 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
18 evidences present or potential unfitness of a person holding a license, certificate or permit to
19 perform the functions authorized by the license, certificate or permit in a manner consistent with
20 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
21 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
