STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER

19
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
24 California (Board). He brought this action solely in his official capacity and is represented in this
25 matter by Rob Bonta, Attorney General of the State of California, by Christine R. Friar, Deputy
26 Attorney General.

27 2. Respondent Bruce Mark Albert, M.D. (Respondent) is represented in this proceeding
28 by attorneys Dennis Ames and Poge Henderson of La Follette, Johnson, Dehaas, Fesler &

1 Ames, whose address is: 2677 North Main Street, Suite 901, Santa Ana, CA 92705-6632.

2 3. On or about August 24, 1979, the Board issued Physician's and Surgeon's Certificate
3 No. G 40650 to Respondent. The Physician's and Surgeon's Certificate was in full force and
4 effect at all times relevant to the charges brought in Accusation No. 800-2017-032243, and will
5 expire on December 31, 2022, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2017-032243 was filed before the Board, and is currently
8 pending against Respondent. The Accusation and all other statutorily required documents were
9 properly served on Respondent on April 3, 2020. Respondent timely filed his Notice of Defense
10 contesting the Accusation.

11 5. A copy of Accusation No. 800-2017-032243 is attached as Exhibit A and
12 incorporated herein by reference.

13 **ADVISEMENT AND WAIVERS**

14 6. Respondent has carefully read, fully discussed with counsel, and understands the
15 charges and allegations in Accusation No. 800-2017-032243. Respondent has also carefully read,
16 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
17 Disciplinary Order.

18 7. Respondent is fully aware of his legal rights in this matter, including the right to a
19 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
20 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
21 to the issuance of subpoenas to compel the attendance of witnesses and the production of
22 documents; the right to reconsideration and court review of an adverse decision; and all other
23 rights accorded by the California Administrative Procedure Act and other applicable laws.

24 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
25 every right set forth above.

26 **CULPABILITY**

27 9. Respondent agrees that, at a hearing, Complainant could establish a *prima facie* case
28 for the charges and allegations contained in Accusation No. 800-2017-032243 and Respondent

1 hereby gives up his right to contest those charges.

2 10. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a *prima facie* case with respect to the charges and allegations in Accusation No. 800-
4 2017-032243, a true and correct copy of which is attached hereto as Exhibit A, and that he has
5 thereby subjected his Physician's and Surgeon's Certificate No. A 40650 to disciplinary action.

6 11. Respondent agrees that if he ever petitions for early termination or modification of
7 probation, or if an Accusation and/or Petition to Revoke Probation is filed against him before the
8 Board, all of the charges and allegations contained in Accusation No. 800-2017-032243 shall be
9 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
10 any other licensing proceeding involving Respondent in the State of California.

11 12. Respondent agrees to be bound by the Board's imposition of discipline as set forth in
12 the Disciplinary Order below.

13 CONTINGENCY

14 13. This stipulation shall be subject to approval by the Medical Board of California.
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
16 Board of California may communicate directly with the Board regarding this stipulation and
17 settlement, without notice to or participation by Respondent or his counsel. By signing the
18 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
22 action between the parties, and the Board shall not be disqualified from further action by having
23 considered this matter.

24 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
25 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
26 signatures thereto, shall have the same force and effect as the originals.

27 15. In consideration of the foregoing admissions and stipulations, the parties agree that
28 the Board may, without further notice or formal proceeding, issue and enter the following

Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 40650 issued to Respondent Bruce Mark Albert, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions:

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 25 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 50 hours of CME of which 25 hours were in satisfaction of this condition.

2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent. Respondent shall participate in and successfully complete the classroom component of the course not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully complete any other component of the course within one (1) year of enrollment. The medical record keeping course shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A medical record keeping course taken after the acts that gave rise to the charges in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of

1 this Decision.

2 Respondent shall submit a certification of successful completion to the Board or its
3 designee not later than 15 calendar days after successfully completing the course, or not later than
4 15 calendar days after the effective date of the Decision, whichever is later.

5 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
6 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
7 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
8 Respondent shall participate in and successfully complete that program. Respondent shall
9 provide any information and documents that the program may deem pertinent. Respondent shall
10 successfully complete the classroom component of the program not later than six (6) months after
11 Respondent's initial enrollment, and the longitudinal component of the program not later than the
12 time specified by the program, but no later than one (1) year after attending the classroom
13 component. The professionalism program shall be at Respondent's expense and shall be in
14 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

15 A professionalism program taken after the acts that gave rise to the charges in the
16 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
17 or its designee, be accepted towards the fulfillment of this condition if the program would have
18 been approved by the Board or its designee had the program been taken after the effective date of
19 this Decision.

20 Respondent shall submit a certification of successful completion to the Board or its
21 designee not later than 15 calendar days after successfully completing the program or not later
22 than 15 calendar days after the effective date of the Decision, whichever is later.

23 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
24 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
25 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
26 licenses are valid and in good standing, and who are preferably American Board of Medical
27 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
28 relationship with Respondent, or other relationship that could reasonably be expected to

1 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
2 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
3 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

4 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
5 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
6 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
7 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
8 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
9 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
10 signed statement for approval by the Board or its designee.

11 Within 60 calendar days of the effective date of this Decision, and continuing throughout
12 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
13 make all records available for immediate inspection and copying on the premises by the monitor
14 at all times during business hours and shall retain the records for the entire term of probation.

15 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
16 date of this Decision, Respondent shall receive a notification from the Board or its designee to
17 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
18 shall cease the practice of medicine until a monitor is approved to provide monitoring
19 responsibility.

20 The monitor shall submit a quarterly written report to the Board or its designee which
21 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
22 are within the standards of practice of medicine, and whether Respondent is practicing medicine
23 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
24 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
25 preceding quarter.

26 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
27 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
28 name and qualifications of a replacement monitor who will be assuming that responsibility within

1 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
2 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
3 notification from the Board or its designee to cease the practice of medicine within three (3)
4 calendar days after being so notified. Respondent shall cease the practice of medicine until a
5 replacement monitor is approved and assumes monitoring responsibility.

6 In lieu of a monitor, Respondent may participate in a professional enhancement program
7 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
8 review, semi-annual practice assessment, and semi-annual review of professional growth and
9 education. Respondent shall participate in the professional enhancement program at Respondent's
10 expense during the term of probation.

11 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
12 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
13 Chief Executive Officer at every hospital where privileges or membership are extended to
14 Respondent, at any other facility where Respondent engages in the practice of medicine,
15 including all physician and locum tenens registries or other similar agencies, and to the Chief
16 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
17 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
18 calendar days.

19 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

20 6. SUPERVISION OF ADVANCED PRACTICE NURSES. During probation,
21 Respondent is prohibited from supervising advanced practice nurses.

22 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
23 governing the practice of medicine in California and remain in full compliance with any court
24 ordered criminal probation, payments, and other orders.

25 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
26 under penalty of perjury on forms provided by the Board, stating whether there has been
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 9. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit.

5 Address Changes

6 Respondent shall, at all times, keep the Board informed of Respondent's business and
7 residence addresses, email address (if available), and telephone number. Changes of such
8 addresses shall be immediately communicated in writing to the Board or its designee. Under no
9 circumstances shall a post office box serve as an address of record, except as allowed by Business
10 and Professions Code section 2021, subdivision (b).

11 Place of Practice

12 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
13 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
14 facility.

15 License Renewal

16 Respondent shall maintain a current and renewed California physician's and surgeon's
17 license.

18 Travel or Residence Outside California

19 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
20 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
21 (30) calendar days.

22 In the event Respondent should leave the State of California to reside or to practice,
23 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
24 departure and return.

25 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
26 available in person upon request for interviews either at Respondent's place of business or at the
27 probation unit office, with or without prior notice throughout the term of probation.

28 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or

1 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
2 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
3 defined as any period of time Respondent is not practicing medicine as defined in Business and
4 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
5 patient care, clinical activity or teaching, or other activity as approved by the Board. If
6 Respondent resides in California and is considered to be in non-practice, Respondent shall
7 comply with all terms and conditions of probation. All time spent in an intensive training
8 program which has been approved by the Board or its designee shall not be considered non-
9 practice and does not relieve Respondent from complying with all the terms and conditions of
10 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
11 on probation with the medical licensing authority of that state or jurisdiction shall not be
12 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
13 period of non-practice.

14 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
15 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
16 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
17 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
18 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve
22 Respondent of the responsibility to comply with the probationary terms and conditions with the
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
25 Controlled Substances; and Biological Fluid Testing..

26 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
28 completion of probation. Upon successful completion of probation, Respondent's certificate shall

1 be fully restored.

2 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
3 of probation is a violation of probation. If Respondent violates probation in any respect, the
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
6 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
7 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
8 the matter is final.

9 14. LICENSE SURRENDER. Following the effective date of this Decision, if
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
11 the terms and conditions of probation, Respondent may request to surrender his or her license.
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
13 determining whether or not to grant the request, or to take any other action deemed appropriate
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
20 with probation monitoring each and every year of probation, as designated by the Board, which
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
22 California and delivered to the Board or its designee no later than January 31 of each calendar
23 year.

24 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
25 a new license or certification, or petition for reinstatement of a license, by any other health care
26 licensing action agency in the State of California, all of the charges and allegations contained in
27 Accusation No. 800-2017-032243 shall be deemed to be true, correct, and admitted by
28 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or

FACTUAL ALLEGATIONS

20. At all relevant times herein, Respondent was a physician and surgeon, specializing in orthopaedic surgery and engaged in the solo practice of medicine.

21. Health and Safety Code section 106965 prohibits the performance of diagnostic and therapeutic X-ray on human beings, except by those who are properly permitted, are acting within the scope of that permit, and are acting under the supervision of a licentiate of the healing arts. A facility performing X-ray exams without employing operators trained with basic understanding of radiation and exam specific procedures, places both patients and operators at risk.

22. Respondent is the holder of Radiography and Fluoroscopy Supervisor and Operator Permit No. 122440 which was first issued on December 12, 1983. Holders of radiography and fluoroscopy supervisor and operations permits are subject to all of the applicable provisions of Health and Safety Code sections 106955 through 107115 and 114840 through 114896, and California Code of Regulations, title 17, sections 30100 *et seq.*

23. The Department of Public Health (CDPH) is the agency of the State of California responsible for the permitting of licentiates of the healing arts to administer or use diagnostic X-ray on human beings, pursuant to Health and Safety Code sections 107110, 114850, subdivision (h)(1), 114872, subdivision (a), and California Code of Regulations title 17, sections 30461, 30463, 30464, 30466 and 30468. Specifically, the Radiologic Health Branch (RHB) is the program that administers the licensing and certification for the state's radiography and fluoroscopy supervisors and operators.

24. Brea Urgent Care is an outpatient medical facility located in Brea, California, partially owned by Respondent, and where Respondent practiced orthopaedic medicine during the relevant time period.

///

1 25. Newport Urgent Care is an outpatient medical facility located in Newport Beach,
2 California, partially owned by Respondent, and where Respondent practiced orthopaedic
3 medicine during the relevant time period.

4 26. On or about September 25, 2015, a radiation safety inspection was conducted at Brea

12 September 29, 2015, agreeing not to violate and to comply with the regulatory sections cited in
13 the NOVRUD.

14 27. On or about November 16, 2016, a routine radiation safety inspection was conducted
15 at Brea Urgent Care by the CDPH. During the inspection, it was found that Respondent was
16 supervising the use of X-ray by three individuals who were working outside the scope of their XT
17 permits. A NOVRUD was issued to Respondent for supervising and/or directing three Limited
18 Permit X-ray Technicians who were working outside of the scope of their permits. A corrective
19 action plan was submitted by the facility's Practice Manager on or about December 15, 2016,
20 stating that the limited X-ray technicians will be monitored closely and will not be performing
21 any radiological testing outside the scope of their permits. Respondent also submitted a

9 2017, and February 25, 2019, Respondent was found to be supervising use of X-ray by
10 individuals working outside the scope of their permits and therefore not properly certified or
