Pursuant to ACA §25-15-201 and ACA §25-15-211, both of the Administrative Procedure Act, and ACA §17-95-410 of the Medical Practices Act, the Arkansas State Medical Board issues the following Emergency Order of Suspension and Second Amended Notice of Hearing charging Joseph Premalar Fernando, M.D., with alleged violations of the Medical Practices Act, more specifically:

WHEREFORE, IT IS CONSIDERED, ORDERED, AND ADJUDGED by the Arkansas State Medical Board that the license to practice medicine in the State of Arkansas of Joseph Premalal Fernando, M.D., is suspended on an emergency basis, pending a disciplinary hearing in this matter or further Orders of the Board.

IT IS FURTHER CONSIDERED, ORDERED, AND ADJUDGED by the Arkansas State Medical Board, that a hearing should be conducted to determine whether Joseph Premalal Fernando, M.D., has violated the Medical Practices Act; if it is determined that he has, in fact, violated the Medical Practices Act, then the Board should determine whether the license of Joseph Premalal Fernando, M.D., to practice medicine in the State of Arkansas, should be revoked or suspended, or whether other sanctions should be imposed pursuant to the authority granted the

Board in ACA § 17-95-410. Said hearing will be conducted on the 8 day of April, 2021 at 1 o'clock P.m. at a meeting of the Arkansas State Medical Board at the offices of the Board, 1401 W. Dr. Fernando is further advised that any additional records and/or exhibits that he as a Respondent wishes to present to the Board at his hearing MUST be supplied to the Board no later than 20 days prior to the hearing date. Failure to do so can result in the Board's refusal to allow the information or documentation to be presented by the Respondent. Any and all documents submitted after the 20-day deadline are subject to the Chairman's discretion regarding admission of those documents to the Board. Further, any submission of documents after the 20-day deadline are provided with the knowledge of the respondent that the Board and/or its expert may not have time to review those documents prior to or during the hearing.

IN THE MATTER OF
THE LICENSE OF

JOSEPH PREMALAR KUMARA
FERNANDO, M.D.

BEFORE THE DISCIPLINARY
PANEL OF THE
TEXAS MEDICAL BOARD

ORDER OF TEMPORARY SUSPENSION
(WITHOUT NOTICE OF HEARING)

On April 23, 2021, came to be heard before the Disciplinary Panel (Panel) of the Texas Medical Board (Board), composed of Manuel "Manny" Quinones, Jr., M.D., Robert Gracia, and Sharon Barnes, members of the Board duly in session, the matter of the Application for Temporary Suspension (Without Notice of Hearing) of the license of Joseph Premalar Kumara Fernando, M.D. (Respondent). Jared Brehmer represented Board Staff. Based on evidence submitted, the Board through this Panel makes the following Findings of Fact and Conclusions of Law and enters this Order of Temporary Suspension (Without Notice of Hearing):

FINDINGS OF FACT

1. Respondent is sixty-five years of age and is engaged in the practice of pediatrics.
2. Until his recent arrest, related to the underlying allegations, Respondent was employed as a pediatrician by Heartland Women's Healthcare, located at 2340 Katy Lane, Poplar Bluff, Missouri.
3. Respondent is currently being held in jail, in the state of Missouri, and has been charged with first-degree felony statutory sodomy, deviate sexual behavior with a minor.
4. The victim is twelve years of age and a male patient of Respondent.
5. The alleged sexual crimes took place outside of Respondent's medical practice setting.
6. This matter came to light after the victim's father discovered unusual text messages and video from Respondent to the victim on the victim's cellular telephone. When questioned about these text messages, the victim indicated that Respondent had sexually assaulted the victim on several occasions. On one occasion, Respondent was allegedly at the victim's house while the victim's mother was away and Respondent allegedly threatened to harm

the victim's mother and other family members if the victim refused to allow Respondent to perform oral sex upon him.

7. On January 18, 2021, Detective Lt. Cory Mills obtained Respondent's cellular telephone which was subsequently searched and produced evidence corroborating that the crime had occurred as alleged by the victim.

8. Respondent turned himself in on February 10, 2021, and is being held in custody without bail. Respondent has a Preliminary Hearing set for May 27, 2021.

CONCLUSIONS OF LAW

Based on the above Findings of Fact, the Panel concludes the following:

1. Section 164.059 of the Act authorizes the Disciplinary Panel to temporarily suspend or restrict the medical license of Respondent if the Disciplinary Panel determines from evidence presented to it that the Respondent's continuation in the practice of medicine would constitute a continuing threat to the public welfare.

2. Section 164.0595(a) of the Act authorizes the Board to suspend or restrict the license of a person arrested for certain sexual offenses committed against children.

3. Section 164.0595(c) of the Act provides that a suspension or restriction under Section 164.0595 remains in effect until the final disposition of the case.

4. Based on the evidence presented and the Findings of Fact set forth herein, the Disciplinary Panel finds that Respondent violated various sections of the Medical Practice Act, specifically:

Section 164.052(a)(5) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's unprofessional or dishonorable conduct that is likely to deceive or defraud the public as provided by Section 164.053 of the Act, or injure the public, and further defined by Board Rules 190.8(2)(E), engaging in sexual contact with a patient; 190.8(2)(F), engaging in sexually inappropriate behavior or comments directed towards a patient; 190.8(2)(G), becoming financially or personally involved with a patient in an inappropriate manner; and 190.8(2)(R), commission of the following violations of federal and state laws whether or not there is a complaint, indictment, or

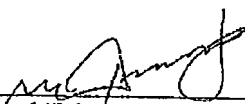

conviction: (i), any felony; (ii), any offense in which assault or battery, or the attempt of either is an essential element; and (vii), child molestation.

ORDER

Based on the above Findings of Fact and Conclusions of Law, the Panel ORDERS that:

1. Respondent's Texas Medical License No. S-8036 is hereby TEMPORARILY SUSPENDED. Respondent shall not be permitted to practice medicine in Texas.
2. This Order of Temporary Suspension (Without Notice of Hearing) is effective on the date rendered.
3. Notice of this Order of Temporary Suspension (Without Notice of Hearing) shall be given immediately to Respondent.
4. A hearing on the Application for Temporary Suspension (With Notice of Hearing) will hereby be scheduled before a Disciplinary Panel of the Board at a date to be determined as soon as practicable, at the offices of the Board, unless such hearing is specifically waived by Respondent.
5. This Order of Temporary Suspension (Without Notice of Hearing) shall remain in effect until such time as a hearing on the Application for Temporary Suspension (With Notice of Hearing) is conducted and a Disciplinary Panel enters an order, or until superseded by a subsequent order of the Board.

Signed and entered this April 23, 2021.

Chair, Disciplinary Panel
