LICENSE AND ORDER**

16 **Physician's and Surgeon's Certificate No. C

Respondent.

17  
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Lawrence Mercer, Deputy  
24 Attorney General.

25 2. Albert James Schaefer, M.D. (Respondent) is representing himself in this proceeding  
26 and has chosen not to exercise his right to be represented by counsel.

27 3. On or about June 13, 2017, the Board issued Physician's and Surgeon's Certificate  
28 No. C 149879 to Albert James Schaefer, M.D. (Respondent). The Physician's and Surgeon's

1 Certificate was in full force and effect at all times relevant to the charges brought in Accusation  
2 No. 800-2019-053713 and will expire on May 31, 2023, unless renewed.

3 **JURISDICTION**

4 4. Accusation No. 800-2019-053713 was filed before the Board, and is currently  
5 pending against Respondent. The Accusation and all other statutorily required documents were  
6 properly served on Respondent on September 21, 2021. Respondent timely filed his Notice of  
7 Defense contesting the Accusation. A copy of Accusation No. 800-2019-053713 is attached as  
8 Exhibit A and incorporated by reference.

9 **ADVISEMENT AND WAIVERS**

10 5. Respondent has carefully read, and understands the charges and allegations in  
11 Accusation No. 800-2019-053713. Respondent also has carefully read, and understands the  
12 effects of this Stipulated Surrender of License and Order.

13 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
14 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at  
15 his own expense; the right to confront and cross-examine the witnesses against him; the right to  
16 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel  
17 the attendance of witnesses and the production of documents; the right to reconsideration and  
18 court review of an adverse decision; and all other rights accorded by the California  
19 Administrative Procedure Act and other applicable laws.

20 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
21 every right set forth above.

22 **CULPABILITY**

23 8. Respondent understands that the charges and allegations in Accusation No. 800-2019-  
24 053713, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and  
25 Surgeon's Certificate.

26 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
27 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
28 basis for the charges in the Accusation and that those charges constitute cause for discipline.

1 Respondent hereby gives up his right to contest that cause for discipline exists based on those  
2 charges.

3 10. Respondent understands that by signing this stipulation he enables the Board to issue  
4 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
5 process.

6 **CONTINGENCY**

7 11. This stipulation shall be subject to approval by the Board. Respondent understands  
8 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
9 with the Board regarding this stipulation and surrender, without notice to or participation by  
10 Respondent. By signing the stipulation, Respondent understands and agrees that he may not  
11 withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers  
12 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the  
13 Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this  
14 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
15 be disqualified from further action by having considered this matter.

16 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
17 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures  
18 thereto, shall have the same force and effect as the originals.

19 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
20 the Board may, without further notice or formal proceeding, issue and enter the following Order:

21 **ORDER**

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. C 149879,  
23 issued to Respondent Albert James Schaefer, M.D., is surrendered and accepted by the Board.

24 1. Respondent shall lose all rights and privileges as a physician in California as of the  
25 effective date of the Board's Decision and Order.

26 2. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
27 issued, his wall certificate on or before the effective date of the Decision and Order.

21 1. William Prasifka (Complainant) brings this Accusation solely in his official capacity  
22 as the Executive Director of the Medical Board of California, Department of Consumer Affairs  
23 (Board).

24 2. On or about June 13, 2017, the Medical Board issued Physician's and Surgeon's  
25 Certificate Number C 149879 to Albert James Schaefer, M.D. (Respondent). The Physician's and

28 certificate was suspended and Respondent was prohibited from engaging in the practice of

1 medicine until the Board renders a decision after the filing of an Accusation and hearing on the

3  
4 **JURISDICTION**

5 3. This Accusation is brought before the Board, under the authority of the following  
6 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
7 indicated.

8 4. Section 2227 of the Code states:

9 (a) A licensee whose matter has been heard by an administrative law judge of  
10 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
11 Code, or whose default has been entered, and who is found guilty, or who has entered  
into a stipulation for disciplinary action with the board, may, in accordance with the  
provisions of this chapter:

12 (1) Have his or her license revoked upon order of the board.

13 (2) Have his or her right to practice suspended for a period not to exceed one  
14 year upon order of the board.

15 (3) Be placed on probation and be required to pay the costs of probation  
monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a  
17 requirement that the licensee complete relevant educational courses approved by the  
board.

18 (5) Have any other action taken in relation to discipline as part of an order of  
19 probation, as the board or an administrative law judge may deem proper.

20 (b) Any matter heard pursuant to subdivision (a), except for warning letters,  
21 medical review or advisory conferences, professional competency examinations,  
22 continuing education activities, and cost reimbursement associated therewith that are  
agreed to with the board and successfully completed by the licensee, or other matters  
made confidential or privileged by existing law, is deemed public, and shall be made  
available to the public by the board pursuant to Section 803.1.

23 5. Section 2234 of the Code, states, in pertinent part:

24 The board shall take action against any licensee who is charged with  
25 unprofessional conduct. In addition to other provisions of this article, unprofessional  
26 conduct includes, but is not limited to, the following:

27 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
28 abetting the violation of, or conspiring to violate any provision of this chapter.

1 through April 9, 2019. Respondent's discharge diagnoses were Major Depression, Recurrent,  
2 without Psychotic Features, Anxiety Disorder, Alcohol Use Disorder, History of Post-Traumatic  
3 Stress Disorder, Transaminitis and Thrombocytopenia. The records document Respondent's  
4 depression, suicidal ideation and inability to carry out activities of daily living, while using  
5 alcohol to address anxiety. Thereafter, Respondent participated in an outpatient program and  
6 briefly treated with a psychiatrist and a psychologist. According to the records obtained by the  
7 Board, Respondent's treatment for alcohol abuse disorder ended in 2019.

8 15. On June 18, 2021, Respondent voluntarily underwent a psychiatric evaluation. In  
9 addition to his 2019 arrest, Respondent described his problems with finding and keeping  
10 employment, his past participation in 12-step programs, past psychological and psychiatric  
11 treatment, ongoing panic attacks and inability to carry out basic functions of living.

12 16. The psychiatrist who evaluated Respondent provided a report to the Board, which  
13 states that Respondent suffers from multiple disorders, including: Alcohol Use Disorder, Severe,  
14 rule out alcohol withdrawal; Major Depression, Recurrent, Moderate; and Generalized Anxiety  
15 Disorder. As described by the evaluator, these disorders severely impair Respondent's ability to  
16 function in his personal and professional life. According to his self-report, he has been unable to  
17 find and hold a job, pay his rent or to perform basic activities of daily living. He also appeared to  
18 be in acute alcohol withdrawal, had sudden startle responses to ordinary sounds like his telephone  
19 ringing, and experienced two episodes that Dr. Davies diagnosed as panic attacks and an episode  
20 of enuresis. From a fitness for duty perspective, Respondent demonstrated disorganized thinking  
21 and poor judgment. He also gave patently false accounts of his alcohol consumption.

22 17. The psychiatrist who evaluated Respondent reported that Respondent's severe alcohol  
23 use disorder and other diagnoses impair his ability to function as a physician to the extent that his  
24 continued practice of medicine poses a threat to his patients. The evaluator advised that no  
25 restrictions or conditions would make it possible for Respondent to engage in the practice of  
26 medicine without endangering his patients.
