26 within 30 days of such a request, the notification of cease practice shall be dissolved.

28 the effective date of this Decision, Respondent shall enroll in a professionalism program, that

1 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
2 Respondent shall participate in and successfully complete that program. Respondent shall  
3 provide any information and documents that the program may deem pertinent. Respondent shall  
4 successfully complete the classroom component of the program not later than six (6) months after  
5 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
6 time specified by the program, but no later than one (1) year after attending the classroom  
7 component. The professionalism program shall be at Respondent's expense and shall be in  
8 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

9 A professionalism program taken after the acts that gave rise to the charges in the  
10 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
11 or its designee, be accepted towards the fulfillment of this condition if the program would have  
12 been approved by the Board or its designee had the program been taken after the effective date of  
13 this Decision.

14 Respondent shall submit a certification of successful completion to the Board or its  
15 designee not later than 15 calendar days after successfully completing the program or not later  
16 than 15 calendar days after the effective date of the Decision, whichever is later.

17 5. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of  
18 this Decision, and on whatever periodic basis thereafter may be required by the Board or its  
19 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological  
20 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall  
21 consider any information provided by the Board or designee and any other information the  
22 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its  
23 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not  
24 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all  
25 psychiatric evaluations and psychological testing.

26 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
27 psychiatrist within 15 calendar days after being notified by the Board or its designee.

28 6. PSYCHOTHERAPY. If the evaluating psychiatrist described in the above paragraph

1 determines that Respondent requires psychotherapy treatment, within 15 calendar days of that  
2 determination, Respondent shall submit to the Board or its designee for prior approval the name  
3 and qualifications of a board certified psychiatrist or a licensed psychologist who has a doctoral  
4 degree in psychology and at least five years of postgraduate experience in the diagnosis and  
5 treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and  
6 continue psychotherapy treatment, including any modifications to the frequency of  
7 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

8 The psychotherapist shall consider any information provided by the Board or its designee  
9 and any other information the psychotherapist deems relevant and shall furnish a written  
10 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
11 psychotherapist with any information and documents that the psychotherapist may deem  
12 pertinent.

13 Respondent shall have the treating psychotherapist submit quarterly status reports to the  
14 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric  
15 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of  
16 probation, Respondent is found to be mentally unfit to resume the practice of medicine without  
17 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the  
18 period of probation shall be extended until the Board determines that Respondent is mentally fit  
19 to resume the practice of medicine without restrictions.

20 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

21 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
22 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
23 Chief Executive Officer at every hospital where privileges or membership are extended to  
24 Respondent, at any other facility where Respondent engages in the practice of medicine,  
25 including all physician and locum tenens registries or other similar agencies, and to the Chief  
26 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
27 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
28 calendar days.

1 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

2 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
3 governing the practice of medicine in California and remain in full compliance with any court  
4 ordered criminal probation, payments, and other orders.

5 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
6 under penalty of perjury on forms provided by the Board, stating whether there has been  
7 compliance with all the conditions of probation.

8 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
9 of the preceding quarter.

10 10. GENERAL PROBATION REQUIREMENTS.

11 Compliance with Probation Unit

12 Respondent shall comply with the Board's probation unit.

13 Address Changes

14 Respondent shall, at all times, keep the Board informed of Respondent's business and  
15 residence addresses, email address (if available), and telephone number. Changes of such  
16 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
17 circumstances shall a post office box serve as an address of record, except as allowed by Business  
18 and Professions Code section 2021, subdivision (b).

19 Place of Practice

20 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
21 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
22 facility.

23 License Renewal

24 Respondent shall maintain a current and renewed California physician's and surgeon's  
25 license.

26 Travel or Residence Outside California

27 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
28 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty

1 (30) calendar days.

2 In the event Respondent should leave the State of California to reside or to practice  
3 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
4 departure and return.

5 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
6 available in person upon request for interviews either at Respondent's place of business or at the  
7 probation unit office, with or without prior notice throughout the term of probation.

8 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
9 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
10 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
11 defined as any period of time Respondent is not practicing medicine as defined in Business and  
12 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
13 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
14 Respondent resides in California and is considered to be in non-practice, Respondent shall  
15 comply with all terms and conditions of probation. All time spent in an intensive training  
16 program which has been approved by the Board or its designee shall not be considered non-  
17 practice and does not relieve Respondent from complying with all the terms and conditions of  
18 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
19 on probation with the medical licensing authority of that state or jurisdiction shall not be  
20 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
21 period of non-practice.

22 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
23 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
24 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
25 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
26 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

27 Respondent's period of non-practice while on probation shall not exceed two (2) years.

28 Periods of non-practice will not apply to the reduction of the probationary term.

1           Periods of non-practice for a Respondent residing outside of California will relieve  
2 Respondent of the responsibility to comply with the probationary terms and conditions with the  
3 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
4 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
5 Controlled Substances; and Biological Fluid Testing..

6           13.   COMPLETION OF PROBATION. Respondent shall comply with all financial  
7 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
8 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
9 be fully restored.

10          14.   VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
11 of probation is a violation of probation. If Respondent violates probation in any respect, the  
12 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
13 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
14 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
15 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
16 the matter is final.

17          15.   LICENSE SURRENDER. Following the effective date of this Decision, if  
18 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
19 the terms and conditions of probation, Respondent may request to surrender his or her license.  
20 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
21 determining whether or not to grant the request, or to take any other action deemed appropriate  
22 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
23 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
24 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
25 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
26 application shall be treated as a petition for reinstatement of a revoked certificate.

27          16.   PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
28 with probation monitoring each and every year of probation, as designated by the Board, which

1 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
2 California and delivered to the Board or its designee no later than January 31 of each calendar  
3 year.

4 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
5 a new license or certification, or petition for reinstatement of a license, by any other health care  
6 licensing action agency in the State of California, all of the charges and allegations contained in  
7 Accusation No. 800-2019-055303 shall be deemed to be true, correct, and admitted by  
8 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
9 restrict license.

27 <sup>1</sup> There is a nexus between a physician’s use of alcoholic beverages and his or her fitness to  
28 practice medicine, established by the Legislature in section 2239, “in all cases where a licensed physician  
used alcoholic beverages to the extent or in such a manner as to pose a danger to himself or others.”  
(*Watson v. Superior Court (Medical Board)* (2009) 176 Cal.App.4th 1407, 1411.)

1 9. California Code of Regulations, title 16, section 1360, states:

2 "For the purposes of denial, suspension or revocation of a license, certificate or

4 or act shall be considered to be substantially related to the qualifications, functions or  
5 duties of a person holding a license, certificate or permit under the Medical Practice  
6 Act if to a substantial degree it evidences present or potential unfitness of a person  
7 holding a license, certificate or permit to perform the functions authorized by the

12 **FIRST CAUSE FOR DISCIPLINE**

13 **(Use of Alcohol in a Dangerous or Injurious Manner)**

14 10. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined  
15 by section 2239, of the Code, and California Code of Regulations, title 16, section 1360, in that  
16 he used alcoholic beverages, to the extent, or in such a manner, as to be dangerous or injurious to  
17 himself, or to any other person or to the public, as more particularly alleged as follows:

18 11. On or about June 10, 2017, at approximately 1:38 a.m., Sacramento Communications  
19 Center advised of a solo vehicle traffic collision with an ambulance responding on the Mace  
20 Boulevard off-ramp from Interstate-80 westbound. California Highway Patrol (CHP) Officers  
21 A.P. and N.H.<sup>2</sup> responded and arrived at approximately 1:40 a.m. CHP Officer A.P. observed a  
22 red Honda HRV against a large pole facing west. It had major front-end damage and the front  
23 airbags were deployed. The CHP Officers checked the registration, which showed Respondent as  
24 the owner.

25 12. CHP Officer A.P. observed paramedics evaluating Respondent behind the vehicle.  
26 Respondent had sustained a small laceration to his left wrist as a result of the collision. (It was

1 discovered shortly after that Respondent had also suffered a broken back.) CHP Officer A.P.  
2 observed that Respondent's eyes were red and watery, his speech was slurred, and his breath had  
3 the strong odor of an alcoholic beverage.

4 13. While paramedics evaluated Respondent, CHP Officer A.P. contacted a male  
5 ("Passenger A") who was sitting on the curb just north of Respondent's vehicle. He stated that he  
6 was the right front passenger in Respondent's vehicle at the time of the collision. He further  
7 stated that Respondent was driving the vehicle at the time of the collision, and that they were on  
8 their way to Respondent's residence coming from a bar/nightclub in Sacramento.

9 14. After Respondent declined hospital treatment and signed a medical release, he  
10 admitted to CHP Officer A.P. that he had been driving his vehicle. The ignition key was in his  
11 right front pocket, which he provided to CHP Officer A.P. Respondent admitted to drinking two  
12 16-ounce beers at the bar/nightclub in Sacramento prior to the collision. Respondent stated that he  
13 was exiting on Mace Boulevard at an unknown speed when he hit the pole. He further stated that  
14 he had lived in Davis since 2005 and taken that exit on countless occasions.

15 15. CHP Officer A.P. explained and demonstrated a series of field sobriety tests to  
16 Respondent, including the Horizontal Gaze Nystagmus, Romberg, Finger to Nose, and One Leg  
17 Stand. Respondent failed to perform each test as explained and demonstrated. Respondent also  
18 consented to a preliminary breath test. He provided two breath samples that measured 0.137% at  
19 2:05 a.m., and 0.134% at 2:07 a.m.

20 16. The CHP Officers arrested Respondent at 2:12 a.m. but did not handcuff Respondent  
21 so that paramedics could re-evaluate him. The paramedics observed a protrusion on Respondent's  
22 lower back, and he was placed in an ambulance for transport to U.C. Davis Medical Center. Prior  
23 to leaving for the hospital, Respondent agreed to submit a blood sample. At approximately 2:25  
24 a.m., the paramedic removed a blood sample from Respondent's right wrist, which measured a  
25 blood alcohol concentration of 0.175%.

26 17. On or about August 1, 2017, in *The People of the State of California v. Arturo Lo*  
27 *Villamor*, Yolo County Superior Court Case No. CR-17004114, Respondent was charged with the  
28 following misdemeanors: (1) Driving Under the Influence of Alcohol, in violation of Vehicle

1 Code section 23152(a); (2) Driving at 0.08% or Above, in violation of Vehicle Code section  
2 23152(b). It was further alleged that Respondent had a blood alcohol concentration that was  
3 0.15% or more, thus subjecting him to additional punishment under Vehicle Code section 23578.

4 18. On or about January 30, 2019, Respondent pleaded no contest to the charge of driving  
5 at 0.08% or above, in violation of Vehicle Code section 23152(b). The Court sentenced  
6 Respondent to: serve 4 days in jail; serve 3 years' probation; enroll in and complete a 3-month  
7 DUI program; pay fines and fees in the amount of \$2,158.00; refrain from driving after  
8 consuming any alcohol; submit to chemical tests when stopped or suspected of driving while  
9 under the influence of alcohol or drugs; and refrain from consuming alcoholic beverages for  
10 approximately six months.

11 19. On or about August 26, 2020, a Board Investigator interviewed Respondent.  
12 Respondent stated that he had a glass of wine at dinner and approximately 2-3 beers and a Jell-O  
13 shot at the bar/nightclub in the several hours before his arrest. Respondent stated that, as a result  
14 of the drunk driving accident, he suffered a broken back and had surgery the day after the  
15 accident. In addition, his vehicle was totaled.
