1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

1 CAUSE FOR DISCIPLINE

2 (Unprofessional Conduct)

3 7. Respondent is subject to disciplinary action under Business and Professions Code
4 section 2234 (unprofessional conduct), and/or California Code of Regulations, Title 16, Code
5 section 1360 (a crime or act), in that: Respondent assaulted a man, outside of Respondent's
6 medical office building, on July 30, 2019. Respondent and his brother assaulted the man, who
7 was helping a tenant move out of Respondent's office space. Police officers were called to the
8 scene, and Respondent was placed under arrest. Respondent admitted to the officers that he hit
9 the man because "I'm not going to let him push my brother." During an interview with the
10 Board's investigator, Respondent repeated his admission that he hit the man, explaining that he
11 did so because "...you don't touch my brother." During the interview, Respondent blamed the
12 medical office tenant who was in the process of moving out, even though she was not physically
13 present outside at the scene of the incident when it began, saying she was the "initiator," and is
14 "always the initiator." When pressed to explain how the tenant initiated this fight, Respondent
15 said, "I - I don't remember exactly but it was - uh - a really stressful environment. She was
16 trying to move her stuff out."

17 8. Respondent is subject to disciplinary action under section 2234 of the Code, and/or
18 California Code of Regulations, title 16, Code section 1360, in that Respondent engaged in
19 physical violence, which is inconsistent with his ethical obligation as a physician and surgeon and
20 is conduct unbecoming of a member in good standing in the profession.
