1 and all other rights accorded by the California Administrative Procedure Act and other applicable  
2 laws.

3 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
4 every right set forth above.

5 **CULPABILITY**

6 8. Respondent does not contest that, at an administrative hearing, Complainant could  
7 establish a *prima facie* case with respect to the charges and allegations contained in Second  
8 Amended Accusation No. 800-2019-058499, a copy of which is attached hereto as Exhibit A, and  
9 that he has thereby subjected his Physician's and Surgeon's Certificate No. A 107815 to  
10 disciplinary action.

11 9. Respondent agrees that if an accusation is ever filed against him before the Medical  
12 Board of California, all of the charges and allegations contained in Second Amended Accusation  
13 No. 800-2019-058499 shall be deemed true, correct, and fully admitted by Respondent for  
14 purposes of that proceeding or any other licensing proceeding involving Respondent in the State  
15 of California.

16 10. Respondent agrees that his Physician's and Surgeon's Certificate No. A 107815 is  
17 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth  
18 in the Disciplinary Order below.

19 **CONTINGENCY**

20 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
21 part, that the Medical Board "shall delegate to its executive director the authority to adopt a . . .  
22 stipulation for surrender of a license."

23 12. This Stipulated Surrender of License and Disciplinary Order shall be subject to  
24 approval of the Executive Director on behalf of the Medical Board. The parties agree that this  
25 Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director  
26 for his consideration in the above-entitled matter and, further, that the Executive Director shall have  
27 a reasonable period of time in which to consider and act on this Stipulated Surrender of License  
28 and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands

1 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the  
2 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

3 13. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall  
4 be null and void and not binding upon the parties unless approved and adopted by the Executive  
5 Director on behalf of the Board, except for this paragraph, which shall remain in full force and  
6 effect. Respondent fully understands and agrees that in deciding whether or not to approve and  
7 adopt this Stipulated Surrender of License and Disciplinary Order, the Executive Director and/or  
8 the Board may receive oral and written communications from its staff and/or the Attorney General's  
9 Office. Communications pursuant to this paragraph shall not disqualify the Executive Director, the  
10 Board, any member thereof, and/or any other person from future participation in this or any other  
11 matter affecting or involving Respondent. In the event that the Executive Director on behalf of the  
12 Board does not, in his discretion, approve and adopt this Stipulated Surrender of License and  
13 Disciplinary Order, with the exception of this paragraph, it shall not become effective, shall be of  
14 no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary  
15 action by either party hereto. Respondent further agrees that should this Stipulated Surrender of  
16 License and Disciplinary Order be rejected for any reason by the Executive Director on behalf of  
17 the Board, Respondent will assert no claim that the Executive Director, the Board, or any member  
18 thereof, was prejudiced by its/his/her review, discussion and/or consideration of this Stipulated  
19 Surrender of License and Disciplinary Order or of any matter or matters related hereto.

20 **ADDITIONAL PROVISIONS**

21 14. This Stipulated Surrender and Disciplinary Order is intended by the parties herein  
22 to be an integrated writing representing the complete, final, and exclusive embodiment of the  
23 agreements of the parties in the above-entitled matter.

**COST RECOVERY**

11. Section 125.3 of the Code states that:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licentiate that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in

1 that board's licensing act provides for recovery of costs in an administrative  
2 disciplinary proceeding.

25 Respondent apologized to Patient A, broke down emotionally, and stated he did not want to hurt  
26 Patient A. Respondent then prompted Patient A to hug Respondent. Patient A obliged and they

9 19. On or about May 15, 2017, Patient B returned to Respondent for a follow-up visit. At  
10 this visit, Respondent greeted Patient B with a hug. During this visit, Respondent sat down next  
11 to Patient B, stating that he wanted to try some "relaxation techniques." Respondent began  
12 rubbing Patient B's shoulders with his hands and started to breathe heavily on her ear.  
13 Respondent stated, "I want you to have an orgasm." Respondent started to rub Patient B's  
14 breasts. At this point, Patient B froze and did not know what to do. Respondent stood up from  
15 the couch, removed Patient B's pants and underwear, and performed cunnilingus on Patient B.  
16 Patient B remained frozen. Respondent stopped, removed his pants, exposed his penis to Patient  
17 B, and attempted to move Patient B's head towards Respondent's penis for Patient B to perform
