PARTIES

1. William Prasifka (Complainant) is the Executive Director of the Medical Board of California (Board). He brought this action solely in his official capacity and is represented in this matter by Rob Bonta, Attorney General of the State of California, by Karolyn M. Westfall, Deputy Attorney General.

CONFIDENTIAL
INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 01/14/04 BY 60322 UCBAW

1 production of documents; the right to reconsideration and court review of an adverse decision;
2 and all other rights accorded by the California Administrative Procedure Act and other applicable
3 laws.

4 8. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently
5 waives and gives up each and every right set forth above.

6 **CULPABILITY**

7 9. Respondent admits that, at an administrative hearing, Complainant could establish a
8 *prima facie* case with respect to the charges and allegations contained in First Amended
9 Accusation No. 800-2019-059319, agrees that he has thereby subjected his Physician's and
10 Surgeon's Certificate No. A 38176 to discipline, and hereby surrenders his Physician's and
11 Surgeon's Certificate No. A 38176 for the Board's formal acceptance.

12 10. Respondent further agrees that if he ever petitions for reinstatement of his Physician's
13 and Surgeon's Certificate No. A 38176, all of the charges and allegations contained in First
14 Amended Accusation No. 800-2019-059319, shall be deemed true, correct, and fully admitted by
15 Respondent for purposes of any such proceeding or any other licensing proceeding involving
16 Respondent in the State of California or elsewhere.

17 11. Respondent understands that by signing this stipulation he enables the Executive
18 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
19 Physician's and Surgeon's Certificate No. A 38176 without further process.

20 12. With Respondent's early acknowledgement that cause exists for the Board's action,
21 Complainant finds good cause under Business and Professions Code section 2307, subdivision
22 (b)(1), and thereby agrees that Respondent may file a petition for reinstatement two (2) years after
23 the effective date of the Board's Decision.

24 **CONTINGENCY**

25 13. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
26 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...
27 stipulation for surrender of a license."

28 ///

1 14. This Stipulated Surrender of License and Disciplinary Order shall be subject to the
2 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated
3 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his
4 consideration in the above-entitled matter and, further, that the Executive Director shall have a
5 reasonable period of time in which to consider and act on this Stipulated Surrender of License and
6 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands
7 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the
8 time the Executive Director, on behalf of the Board, considers and acts upon it.

9 15. The parties agree that this Stipulated Surrender of License and Disciplinary Order
10 shall be null and void and not binding upon the parties unless approved and adopted by the
11 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
12 force and effect. Respondent fully understands and agrees that in deciding whether or not to
13 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
14 Director and/or the Board may receive oral and written communications from its staff and/or the
15 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
16 Executive Director, the Board, any member thereof, and/or any other person from future
17 participation in this or any other matter affecting or involving Respondent. In the event that the
18 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
19 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
20 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
21 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
22 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
23 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
24 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
25 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
26 of any matter or matters related hereto.

27 ///

28 ///

1 **ADDITIONAL PROVISIONS**

2 16. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
3 herein to be an integrated writing representing the complete, final, and exclusive embodiment of
4 the agreements of the parties in the above-entitled matter.

5 17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
6 Order, including copies of the signatures of the parties, may be used in lieu of original documents
7 and signatures and, further, that such copies shall have the same force and effect as originals.

8 18. In consideration of the foregoing admissions and stipulations, the parties agree the
9 Executive Director of the Board may, without further notice to or opportunity to be heard by
10 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

11 **ORDER**

12 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 38176, issued
13 to Respondent Maurice Buchbinder, M.D., is surrendered and accepted by the Board.

14 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
15 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
16 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
17 of Respondent's license history with the Board.

18 2. Respondent shall lose all rights and privileges as a physician and surgeon in
19 California as of the effective date of the Board's Decision and Order.

20 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
21 issued, his wall certificate on or before the effective date of the Decision and Order.

22 4. If Respondent ever files an application for licensure or a petition for reinstatement in
23 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must
24 comply with all the laws, regulations and procedures for reinstatement of a revoked or
25 surrendered license in effect at the time the petition is filed, and all of the charges and allegations
26 contained in First Amended Accusation No. 800-2019-059319 shall be deemed to be true, correct
27 and admitted by Respondent when the Board determines whether to grant or deny the petition.

28 ///

1 5. Respondent shall pay the agency its costs of investigation and enforcement in the
2 amount of \$10,607.50 (ten thousand six hundred seven dollars and fifty cents) prior to issuance of
3 a new or reinstated license.

4 6. If Respondent should ever apply or reapply for a new license or certification, or
5 petition for reinstatement of a license, by any other health care licensing agency in the State of
6 California, all of the charges and allegations contained in First Amended Accusation, No. 800-
7 2019-059319 shall be deemed to be true, correct, and admitted by Respondent for the purpose of
8 any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

1 unfitness to practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564,
2 575.)

3 8. Section 820 of the Code states:

4 Whenever it appears that any person holding a license, certificate or permit
5 under this division or under any initiative act referred to in this division may be
6 unable to practice his or her profession safely because the licentiate's ability to
7 practice is impaired due to mental illness, or physical illness affecting competency,
8 the licensing agency may order the licentiate to be examined by one or more
9 physicians and surgeons or psychologists designated by the agency. The report of the
10 examiners shall be made available to the licentiate and may be received as direct
11 evidence in proceedings conducted pursuant to Section 822.¹

12 9. Section 821 of the Code provides that the licentiate's failure to comply with an order
13 issued under section 820 shall constitute grounds for the suspension or revocation of the
14 licentiate's certificate or license.²

15 10. Section 822 of the Code states:

16 If a licensing agency determines that its licentiate's ability to practice his or her
17 profession safely is impaired because the licentiate is mentally ill, or physically ill
18 affecting competency, the licensing agency may take action by any one of the
19 following methods:

- 20 (a) Revoking the licentiate's certificate or license.
- 21 (b) Suspending the licentiate's right to practice.
- 22 (c) Placing the licentiate on probation.
- 23 (d) Taking such other action in relation to the licentiate as the licensing agency
24 in its discretion deems proper.

25 The licensing section shall not reinstate a revoked or suspended certificate or
26 license until it has received competent evidence of the absence or control of the
27 condition which caused its action and until it is satisfied that with due regard for the
28 public health and safety the person's right to practice his or her profession may be
29 safely reinstated.

31 ¹ An Order compelling examinations pursuant to Section 820 complies with state
32 procedural due process. (*Alexander D. v. State Board of Dental Examiners* (1991) 231
33 Cal.App.3d 92, 96-96.) Section 820 also complies with constitutional privacy interests. (*Kees v.*
34 *Medical Board of California* (1992) 7 Cal.App.4th 1801, 1814.)

35 ² The Court of Appeal has upheld the Board's authority to discipline a licensee for failure
36 to comply with an Order to submit to examinations. With regards to disciplinary action taken
37 pursuant to Section 821, all that is relevant is that the licensee did not comply with the Order.

COST RECOVERY

11. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licentiate that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(g)(1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in

1 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

2 **FIRST CAUSE FOR DISCIPLINE**

3 **(Failure to Comply with Order of Examination)**

4 12. Respondent has subjected his Physician's and Surgeon's Certificate No. A 38176 to
5 disciplinary action under sections 2227 and 821, of the Code, in that he failed to comply with an
6 Order issued pursuant to section 820 of the Code, as more particularly alleged hereinafter:

7 13. On or about March 23, 2019, Respondent was at work as an interventional
8 cardiologist when he began experiencing difficulty speaking. After driving himself home,
9 Respondent's speech issues continued. Respondent was taken to the hospital that evening and
10 numerous tests confirmed he had suffered a left hemispheric cerebral infarction.

11 14. Over the next couple of months, Respondent improved neurologically but continued
12 to suffer significant impairment, most notably in his speech. Respondent was subsequently
13 diagnosed with aphasia³ and apraxia.⁴

14 15. Between in or around April 2019, and in or around November 2020, Respondent
15 received regular speech language pathology treatment. After approximately 133 sessions,
16 Respondent continued to demonstrate mild deficits with both verbal communication and
17 sometimes with comprehension.

18 16. In or around July 2019, Respondent returned to work in a clinical setting but did not
19 resume working as an interventional cardiologist.

20 17. On or about January 14, 2020, Respondent obtained courtesy privileges at Paradise
21 Valley Hospital and began assisting another cardiologist in interventional cardiology procedures.

22 18. On or about February 5, 2020, a Board investigator met with Respondent at his
23 office. At that time, Respondent agreed to sign authorizations for release of his medical
24 information, but informed the investigator that he would not voluntarily submit to physical or
25 mental evaluations.

26 _____
27 ³ Aphasia is the loss of ability to understand or express speech, caused by brain damage.

28 ⁴ Apraxia is the inability to perform particular purposive actions, as a result of brain
damage.

1 19. On or about March 4, 2020, a Board investigator spoke with Dr. S.J., a neurologist
2 who had been treating Respondent since his stroke. Dr. S.J. informed the Board investigator that
3 he was not comfortable declaring that Respondent was safe to practice medicine, and that he
4 believes a neuropsychological exam would be needed to evaluate his ability to practice safely.

5 20. On or about October 14, 2020, the Board issued an Order Granting Petition to
6 Compel Neuropsychological and Physical Examinations of Respondent (Order).

7 21. On or about November 20, 2020, Respondent submitted to a physical evaluation by
8 Board appointed psychiatrist and neurologist, J.H., M.D. (Dr. J.H.). After conducting a review of
9 the materials and a physical evaluation, Dr. J.H. opined that Respondent suffers from aphasia, but
10 is capable of practicing medicine safely.

11 22. On or about November 25, 2020, Respondent submitted to a mental evaluation by
12 Board appointed psychiatrist, W.S., M.D. (Dr. W.S.). After conducting a review of the materials
13 and a mental status examination, Dr. W.S. opined that Respondent suffers from sequelae of
14 cerebral infarction with speech, language, and cognitive deficits. Specifically, Dr. W.S. found
15 Respondent to have "significant speech and language problems that clearly impact his ability to
16 communicate with patients...significant problems with expressive language, particularly with
17 word finding difficulty, word substitution errors, and impaired fluency...reading was significantly
18 impaired as was writing...significant impairment in his visuospatial ability, which more likely
19 than not precludes his doing any cardiac procedures...and impaired attention, memory, and
20 executive functions." Dr. W.S. found Respondent was not safe to practice interventional
21 cardiology due to his cognitive impairment and visuospatial deficits, and that his continued
22 practice would endanger the public health, safety, and welfare. Dr. W.S. recommended that
23 Respondent undergo comprehensive neuropsychological testing to further delineate the nature
24 and extent of his cognitive challenges.

25 23. On multiple dates in or around February and March 2021, a Board investigator
26 attempted to speak with Respondent's attorney to schedule the comprehensive
27 neuropsychological examination.

28 ///

1 24. On or about March 15, 2021, Respondent's attorney requested the investigator
2 schedule the neuropsychological examination in May 2021.

3 25. On or about March 17, 2021, the Board investigator informed Respondent's attorney
4 that the neuropsychological examination had been scheduled for May 21, 2021, and subsequently
5 mailed a letter to Respondent's attorney confirming the scheduled appointment.

6 26. On or about May 19, 2021, Respondent's attorney informed the Board investigator
7 that Respondent would not be attending the scheduled examination.

8 27. On or about May 21, 2021, Respondent failed to appear for his scheduled
9 neuropsychological examination. On that same date, Respondent's attorney informed the Board
10 investigator that he spoke with Respondent about the compelled Order, but Respondent did not
11 have intentions to attend the examination.

12 28. On or about October 6, 2021, following a noticed hearing, an Interim Order of
13 Suspension was issued by the Office of Administrative Hearings, immediately suspending
14 Physician's and Surgeon's Certificate No. A 38176, and prohibiting Respondent from practicing
15 medicine in the State of California.

16 29. On or about November 22, 2021, Respondent finally submitted to a
17 neuropsychological evaluation by Board appointed clinical neuropsychologist, C.B., Ph.D. (Dr.
18 C.B.). After conducting a review of the materials, clinical interview, and a neuropsychological
19 examination and testing, Dr. C.B. opined that Respondent suffers from a mild neurocognitive
20 disorder that affects his written and expressive language communication and other cognitive
21 abilities essential to independent practice. Dr. C.B. found Respondent was not safe to practice
22 medicine as a result of his neurocognitive disorder.

23 **SECOND CAUSE FOR DISCIPLINE**

24 **(General Unprofessional Conduct)**

25 30. Respondent has further subjected his Physician's and Surgeon's Certificate No.
26 A 38176 to disciplinary action under sections 2227 and 2234 of the Code, in that he has engaged
27 in conduct which breaches the rules or ethical code of the medical profession, or conduct which is
28 unbecoming to a member in good standing of the medical profession, and which demonstrates an

1 unfitness to practice medicine, as more particularly alleged in paragraphs 12 through 29, above,
2 which are hereby incorporated by reference as if fully set forth herein.

3 **SECTION 822 CAUSE FOR ACTION**

4 **(Mental Illness and/or Physical Illness Affecting Competency)**

5 31. Respondent is subject to action under section 822 of the Code in that his ability to
6 practice medicine safely is impaired due to a mental illness and/or physical illness affecting
7 competency, as a result of his cognitive impairment, as more particularly alleged in paragraphs 12
8 through 29, above, which are hereby incorporated by reference and realleged as if fully set forth
9 herein.

10 **DISCIPLINARY CONSIDERATIONS**

11 32. To determine the degree of discipline, if any, to be imposed on Respondent, Maurice
12 Buchbinder, M.D., Complainant alleges that on or about September 19, 2011, in a prior
13 disciplinary action entitled, *In the Matter of the Accusation Against Maurice Buchbinder, M.D.*,
14 before the Medical Board of California, in Case No. 10-2007-186525, Respondent's Physician's
15 and Surgeon's Certificate No. A 38176 was publicly reprimanded.
