17

18 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Chris Leong, Deputy  
24 Attorney General.

25 2. Mark Wilfred Tamarin, M.D. (Respondent) is represented in this proceeding by

27 90067.

28 ///

1 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
2 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
3 basis for the charges in the Accusation and that those charges constitute cause for discipline.  
4 Respondent hereby gives up his right to contest that cause for discipline exists based on those  
5 charges.

6 10. Respondent understands that by signing this stipulation he enables the Board to issue  
7 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
8 process.

### 9 CONTINGENCY

10 11. This stipulation shall be subject to approval by the Board. Respondent understands  
11 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
12 with the Board regarding this stipulation and surrender, without notice to or participation by  
13 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he  
14 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board  
15 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,  
16 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this  
17 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
18 be disqualified from further action by having considered this matter.

19 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
20 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures  
21 thereto, shall have the same force and effect as the originals.

22 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
23 the Board may, without further notice or formal proceeding, issue and enter the following Order:

### 24 ORDER

25 **IT IS HEREBY ORDERED THAT** Physician's and Surgeon's Certificate No. A 38807,  
26 issued to Respondent Mark Wilfred Tamarin, M.D., is surrendered and accepted by the Board.

27 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
28 acceptance of the surrendered license by the Board shall constitute the imposition of discipline

1 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
2 of Respondent's license history with the Board.

3 2. Respondent shall lose all rights and privileges as a physician and surgeon in  
4 California as of the effective date of the Board's Decision and Order.

5 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
6 issued, his wall certificate on or before the effective date of the Decision and Order.

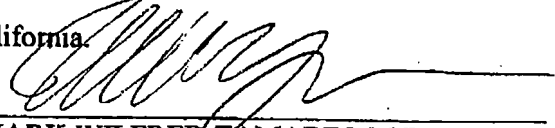

7 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
8 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
9 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
10 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
11 contained in Accusation No. 800-2017-034847 shall be deemed to be true, correct and admitted  
12 by Respondent when the Board determines whether to grant or deny the petition.

13 5. If Respondent should ever apply or reapply for a new license or certification, or  
14 petition for reinstatement of a license, by any other health care licensing agency in the State of  
15 California, all of the charges and allegations contained in Accusation, No. 800-2017-034847 shall  
16 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
17 Issues or any other proceeding seeking to deny or restrict licensure.

18 **ACCEPTANCE**

19 I have carefully read the above Stipulated Surrender of License and Order and have fully  
20 discussed it with my attorney Donald B. Marks. I understand the stipulation and the effect it will  
21 have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Surrender of  
22 License and Order voluntarily, knowingly, and intelligently, and agree to be bound by the

**ACCUSATION**

14 Physician's and Surgeon's Certificate  
15 A 38807,

16 Respondent.

17  
18 **PARTIES**

19 1. Christine J. Lally (Complainant) brings this Accusation solely in her official capacity  
20 as the Interim Executive Director of the Medical Board of California (Board).

21 2. On July 19, 1982, the Board issued Physician's and Surgeon's Certificate Number  
22 A 38807 to Mark Wilfred Tamarin, M.D. (Respondent). That license was in full force and effect  
23 at all times relevant to the charges brought herein and expired on December 31, 2019.

24 **JURISDICTION**

25 3. This Accusation is brought before the Board, under the authority of the following  
26 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
27 indicated.

28 //

1 negligent acts or omissions. An initial negligent act or omission followed by a  
2 separate and distinct departure from the applicable standard of care shall constitute  
3 repeated negligent acts.

4 (1) An initial negligent diagnosis followed by an act or omission medically  
5 appropriate for that negligent diagnosis of the Patient shall constitute a single  
6 negligent act.

7 (2) When the standard of care requires a change in the diagnosis, act, or  
8 omission that constitutes the negligent act described in paragraph (1), including, but  
9 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
10 licensee's conduct departs from the applicable standard of care, each departure  
11 constitutes a separate and distinct breach of the standard of care.

12 (d) Incompetence.

13 (e) The commission of any act involving dishonesty or corruption which is  
14 substantially related to the qualifications, functions, or duties of a physician and  
15 surgeon.

16 (f) Any action or conduct which would have warranted the denial of a  
17 certificate.

18 (g) The failure by a certificate holder, in the absence of good cause, to attend  
19 and participate in an interview by the Board. This subdivision shall only apply to a  
20 certificate holder who is the subject of an investigation by the Board.

21 7. Section 2236 of the Code states:

22 (a) The conviction of any offense substantially related to the qualifications,  
23 functions, or duties of a physician and surgeon constitutes unprofessional conduct  
24 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record  
25 of conviction shall be conclusive evidence only of the fact that the conviction  
26 occurred.

27 (b) The district attorney, city attorney, or other prosecuting agency shall notify  
28 the Medical Board of the pendency of an action against a licensee charging a felony  
or misdemeanor immediately upon obtaining information that the defendant is a  
licensee. The notice shall identify the licensee and describe the crimes charged and  
the facts alleged. The prosecuting agency shall also notify the clerk of the court in  
which the action is pending that the defendant is a licensee, and the clerk shall record  
prominently in the file that the defendant holds a license as a physician and surgeon.

(c) The clerk of the court in which a licensee is convicted of a crime shall,  
within 48 hours after the conviction, transmit a certified copy of the record of  
conviction to the board. The division may inquire into the circumstances surrounding  
the commission of a crime in order to fix the degree of discipline or to determine if  
the conviction is of an offense substantially related to the qualifications, functions, or  
duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is  
deemed to be a conviction within the meaning of this section and Section 2236.1.  
The record of conviction shall be conclusive evidence of the fact that the conviction  
occurred.

//

1           8. Section 118 of the Code provides:

2           (a) The withdrawal of an application for a license after it has been filed with a board  
3 in the department shall not, unless the board has consented in writing to such a withdrawal,  
4 deprive the board of its authority to institute or continue a proceeding against the applicant for the  
5 denial of the license upon any such ground.

6           (b) The suspension, expiration, or forfeiture by operation of law of a license issued by  
7 the board in the department, or its suspension, forfeiture or cancellation by order of the board or  
8 by order of a court of law, or its surrender without the written consent of the board, shall not,  
9 during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board  
10 of its authority to institute or continue a disciplinary proceeding against the licensee upon any  
11 ground provided by law or to enter an order suspending or revoking the license or otherwise  
12 taking disciplinary action against the licensee on any such ground.

13           (c) As used in this section, "board" includes an individual who is authorized by any  
14 provision of this code to issue, suspend, or revoke a license, and "license" includes "certificate,"  
15 "registration," and "permit."

16           9. Section 490 of the Code states:

17           (a) In addition to any other action that a Board is permitted to take against a  
18 licensee, a board may suspend or revoke a license on the ground that the licensee has  
19 been convicted of a crime, if the crime is substantially related to the qualifications,  
20 functions, or duties of the business or profession for which the license was issued.

21           (b) Notwithstanding any other provision of law, a board may exercise any  
22 authority to discipline a licensee for conviction of a crime that is independent of the  
23 authority granted under subdivision (a) only if the crime is substantially related to the  
24 qualifications, functions, or duties of the business or profession for which the  
25 licensee's license was issued.

26           (c) A conviction within the meaning of this section means a plea or verdict of  
27 guilty or a conviction following a plea of nolo contendere. Any action that a Board is  
28 permitted to take following the establishment of a conviction may be taken when the  
time for appeal has elapsed, or the judgment of conviction has been affirmed on  
appeal, or when an order granting probation is made suspending the imposition of  
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of  
the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section  
has been made unclear by the holding in *Petropoulos v. Department of Real Estate*  
(2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant  
number of statutes and regulations in question, resulting in potential harm to the  
consumers of California from licensees who have been convicted of crimes.  
Therefore, the Legislature finds and declares that this section establishes an  
independent basis for a board to impose discipline upon a licensee, and that the  
amendments to this section made by Chapter 33 of the Statutes of 2008 do not  
constitute a change to, but rather are declaratory of, existing law.

10. Section 493 of the Code states in relevant part:

(a) Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

...

11. California Code of Regulations, title 16, Section 1360 states:

For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act.

**FACTUAL ALLEGATIONS**

12. On or about June 6, 2017, in the case entitled the *United States of America v. Mark Wilfred Tamarin*, U.S District Court Case No. CR 17-344 DSF, an indictment was filed against Respondent alleging health care fraud and wire fraud, in violation of 18 U.S.C. sections 1343 and 1347, respectively, as more particularly set forth below.

13. At all times relevant to this Accusation:

a. Medicare was a federal health care benefit program, affecting commerce, that provided benefits to individuals who were over the age of 65 or disabled. Medicare was administered by the Centers for Medicare and Medicaid Services ("CMS"), a federal agency

1 operating under the authority of the United States Department of Health and Human Services  
2 ("HHS").

3           b. Individuals who qualified for Medicare benefits were referred to as  
4 Medicare "beneficiaries." Each Medicare beneficiary was given a Health Identification Card  
5 containing a unique identification number ("HICN").

6           c. Health care providers who provided medical services that were reimbursed by  
7 Medicare were referred to as Medicare "providers."

8           d. CMS contracted with private companies to certify providers for participation in  
9 the Medicare program and monitor their compliance with Medicare standards, to process and  
10 pay claims, and to perform safeguard functions, such as identifying and reviewing suspect  
11 claims. During the time relevant to this Accusation, the contracted private company with  
12 responsibility for processing and paying Medicare claims for services rendered in California was  
13 Palmetto GBA, LLC, which was located in South Carolina.

14           e. To obtain reimbursement from Medicare, a provider had to apply for and obtain  
15 a provider number. By signing the provider application, the provider agreed to (a) abide by  
16 Medicare rules and regulations and (b) not submit claims to Medicare knowing they were false or  
17 fraudulent or with deliberate ignorance or reckless disregard of their truth or falsity.

18           f. If Medicare approved a provider's application, Medicare assigned the provider  
19 a Medicare provider number, which enabled the provider to submit claims to Medicare for  
20 services rendered to Medicare beneficiaries.

21           g. Medicare reimbursed providers only for services, including physical therapy,  
22 that were medically necessary to the treatment of a beneficiary's illness or injury, were prescribed  
23 by a beneficiary's physician or a qualified physician's assistant acting under the supervision of a  
24 physician, and were provided in accordance with Medicare regulations and guidelines that  
25 governed whether a particular service or product would be reimbursed by Medicare.

26           14. At all times relevant to this Accusation, Urological Medical Associates, a medical  
27 group doing business as Advanced Urology Medical Offices ("AUMO"), was a partnership of  
28

1 urologists with its primary office located in Westchester, in Los Angeles County, California.  
2 AUMO had additional offices in Culver City, Los Angeles, and Torrance, California.

3 15. At all times relevant to this Accusation, Respondent was a medical doctor, licensed in  
4 the State of California, who specialized in urology. In or about 2004, Respondent was required  
5 by the Board to complete additional training in the area of patient record keeping.

6 16. At all times relevant to this Accusation, Respondent was a Medicare provider, with a  
7 Medicare provider number that enabled him to submit claims to Medicare for services rendered to  
8 Medicare beneficiaries.

9 17. From in or about July 2001 through in or about April 2013, Respondent, through his  
10 professional corporation, Mark Tamarin, M.D., Inc., was a partner in AUMO, with his primary  
11 office at AUMO's Westchester location, within California. During the time that Respondent was  
12 an AUMO partner, AUMO was authorized to, and did, submit claims to Medicare for services  
13 rendered, and purportedly rendered, to Medicare beneficiaries by Respondent.

14 18. At all times relevant to this Accusation, Kindred Hospital, located at 5525 West  
15 Slauson Avenue, Los Angeles, California ("Kindred Hospital"), was a long term acute  
16 care facility. During the time that Respondent was an AUMO partner, AUMO submitted claims  
17 to Medicare for services rendered, and purportedly rendered, by Respondent to Medicare  
18 beneficiaries hospitalized at Kindred Hospital.

19 19. The June 6, 2017 indictment alleged a fraudulent scheme as follows. Beginning in or  
20 about January 2009 and continuing through in or about January 2013, Respondent knowingly and  
21 with intent to defraud, devised and participated in a scheme to defraud Medicare as to material  
22 matters, and to obtain money and property from Medicare by means of material false and  
23 fraudulent pretenses, representations, and promises, and the concealment of material facts.

24 20. The fraudulent scheme was carried out in substance as follows:

25 A. Respondent caused AUMO to bill Medicare for services he did not provide.

26 For example:  
27  
28

1           i.     Respondent caused AUMO to bill Medicare for services purportedly  
2 provided by Respondent at Kindred Hospital during times when Respondent was actually at  
3 AUMO' s Westchester office;

4           ii.    Respondent caused AUMO to bill Medicare for services purportedly  
5 provided by Respondent at AUMO and Kindred Hospital when it was physically impossible for  
6 Respondent to have provided all the services billed during the limited times he was actually at the  
7 locations at which the services purportedly were rendered;

8           iii.   Respondent caused AUMO to bill Medicare for services purportedly  
9 provided by Respondent to multiple patients at the same time.

10          B.     Respondent caused AUMO to bill Medicare for medically unnecessary  
11 services, including, in particular, medically unnecessary comprehensive examinations, renal  
12 ultrasounds, and Post Voiding Residual tests, as well as medically unnecessary daily visits (from  
13 Monday through Friday) to patients at Kindred Hospital.

14          C.     Knowing that the services being billed had not actually been provided and were  
15 not medically necessary, Respondent caused AUMO to submit to Medicare claims for  
16 reimbursement for these services that were materially false and misleading in that they  
17 represented that the services had been provided and were medically necessary.

18          D.     To conceal that he was causing AUMO to bill for medically  
19 unnecessary services and services not actually rendered Respondent falsified patient chart entries  
20 to make it appear that the services were provided and were medically necessary. In doing so,  
21 among other things:

22           i.     Respondent wrote patient notes to cover full pages so those pages could  
23 be inserted in patient files after the fact in an effort to conceal that they had not been entered in  
24 the patient file in chronological order with services actually rendered.

25           ii.    Respondent duplicated similar treatment information in Counts one  
26 through nine in patient notes for multiple patients even though some of those patients had  
27 differing plans of care that did not support Respondent's treatment notes.

28

1                   iii.    Respondent duplicated similar information in multiple entries in patient  
2 notes that contradicted notes for the same patient prepared on an ongoing basis by other treating  
3 physicians.

4           21.    The June 6, 2017, indictment alleged Respondent's use of the wires in the fraudulent  
5 scheme as follows. On or about the dates set forth below, the June 6, 2017, indictment alleged  
6 that Respondent for the purpose of executing and attempting to execute the fraudulent scheme  
7 described above, caused the following claims for payment for medical services to be transmitted  
8 by wire in interstate commerce from AUMO in Los Angeles County, California, to Palmetto  
9 GBA, LLC, in South Carolina:

COUNT	DATE CLAIM FILED	ITEM WIRED
ONE	July 6, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient R.B. on or about June 5, 2012
TWO	July 6, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient W.E. on or about June 11, 2012
THREE	July 6, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient W.A. on or about June 22, 2012
FOUR	August 3, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient Y.I. on or about July 17, 2012
FIVE	October 5, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient C.S. on or about September 13, 2012
SIX	November 7, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient M.C. on or about October 2, 2012
SEVEN	November 7, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient D.E. on or about

EIGHT	November 7, 2012	October 9, 2012 Claim seeking payment in the amount of \$210.00 for services purportedly provided to patient P.B.Jr. on or about October 29, 2012
NINE	November 8, 2012	Claim seeking payment in the amount of \$85.00 for services purportedly provided to patient T.D.III on or about September 6, 2012

22. In Count ten of the June 6, 2017, indictment, a further fraudulent scheme by respondent was alleged as follows. Beginning in or about January 2009 and continuing through in or about January 2013, in Los Angeles, Respondent knowingly, willfully, and with intent to defraud, executed and attempted to execute a scheme to defraud Medicare as to material matters and to obtain money and property from Medicare by means of material false and fraudulent pretenses, representations, and promises, and the concealment of material facts, in connection with the delivery of, and payment for, health care benefits items and services. The fraudulent scheme was carried out, in substance, as set out above.

23.
