18 Respondent.

19
20 In the interest of a prompt and speedy settlement of this matter, consistent with the public
21 interest and the responsibility of the Medical Board of California of the Department of Consumer
22 Affairs, the parties hereby agree to the following Stipulated Settlement and Disciplinary Order
23 which will be submitted to the Board for approval and adoption as the final disposition of the
24 Accusation.

25 **PARTIES**

26 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
27 California (Board). He brought this action solely in his official capacity and is represented in this
28

1 matter by Rob Bonta, Attorney General of the State of California, by Greg W. Chambers, Deputy
2 Attorney General.

3 2. Respondent Basil Colin Hamblin, M.D. (Respondent) is represented in this
4 proceeding by attorney Ronald P. Goldman, Esq., 55 Main Street, Tiburon, CA 94920.

5 **JURISDICTION**

6 3. On or about October 26, 2001, the Board issued Physician's and Surgeon's Certificate
7 No. A 76893 to Basil Colin Hamblin, M.D. (Respondent). The Physician's and Surgeon's
8 Certificate was in full force and effect at all times relevant to the charges brought in Accusation
9 No. 800-2018-045329, as wells as those charges brought in the subsequent First Amended
10 Accusation and Second Amended Accusation, and will expire on August 31, 2023, unless
11 renewed.

12 4. Accusation No. 800-2018-045329 was filed before the Board, and was properly
13 served on Respondent, along with all other statutorily required documents. Respondent timely
14 filed his Notice of Defense contesting the Accusation. The First Amended Accusation and the
15 Second Amended Accusation were subsequently filed by the Board and the Second Amended
16 Accusation is currently pending against Respondent.

17 5. A copy of Second Amended Accusation No. 800-2018-045329 is attached as exhibit
18 A and incorporated herein by reference.

19 **ADVISEMENT AND WAIVERS**

20 6. Respondent has carefully read, fully discussed with counsel, and understands the
21 charges and allegations in Second Amended Accusation No. 800-2018-045329. Respondent has
22 also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated
23 Settlement and Disciplinary Order.

24 7. Respondent is fully aware of his legal rights in this matter, including the right to a
25 hearing on the charges and allegations in the Second Amended Accusation; the right to confront
26 and cross-examine the witnesses against him; the right to present evidence and to testify on his
27 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the
28 production of documents; the right to reconsideration and court review of an adverse decision;

1 and all other rights accorded by the California Administrative Procedure Act and other applicable
2 laws.

3 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
4 every right set forth above.

5 **CULPABILITY**

6 9. Respondent understands and agrees that the charges and allegations in the Second
7 Amended Accusation No. 800-2018-045329, if proven at a hearing, constitute cause for imposing
8 discipline upon his Physician's and Surgeon's certificate.

9 10. For the purpose of resolving the Second Amended Accusation without the expense
10 and uncertainty of further proceedings, Respondent understands and agrees that, at a hearing,
11 Complainant could establish a *prima facie* case for the charges and allegations in Second
12 Amended Accusation No. 800-2018-045329, and that Respondent hereby gives up his right to
13 contest those charges. Respondent further agrees to be bound by the Board's imposition of
14 discipline as set forth in the Disciplinary Order below.

15 **CONTINGENCY**

16 11. This stipulation shall be subject to approval by the Medical Board of California.
17 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
18 Board of California may communicate directly with the Board regarding this stipulation and
19 settlement, without notice to or participation by Respondent or his counsel. By signing the
20 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
21 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
22 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
23 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
24 action between the parties, and the Board shall not be disqualified from further action by having
25 considered this matter.

26 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
27 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
28 signatures thereto, shall have the same force and effect as the originals.

1 13. In consideration of the foregoing admissions and stipulations, the parties agree that
2 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
3 enter the following Disciplinary Order:

4 **DISCIPLINARY ORDER**

5 **A. PUBLIC REPRIMAND**

6 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 76893 issued
7 to Respondent Basil Colin Hamblin, M.D. shall be and hereby is publicly reprimanded pursuant
8 to California Business and Professions Code section 2227, subdivision (a)(4). This public
9 reprimand is issued in connection with the allegations pertaining to patients P-3 and P-4 made in
10 Second Amended Accusation No. 800-2018-045329, which concerned Respondent's record
11 keeping and management of a patient with chronic pain who was prescribed controlled substances,
12 and Respondent's record keeping and management of a patient with anxiety and chronic pain who
13 was prescribed controlled substances.

14 **B. RECORD KEEPING COURSE.** Within 60 calendar days of the effective date
15 of this Decision, Respondent shall enroll in a course in medical record keeping approved in
16 advance by the Board or its designee. Respondent shall provide the approved course provider
17 with any information and documents that the approved course provider may deem pertinent.
18 Respondent shall participate in and successfully complete the classroom component of the course
19 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
20 complete any other component of the course within one (1) year of enrollment. The medical
21 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
22 Medical Education (CME) requirements for renewal of licensure.

23 A medical record keeping course taken after the acts that gave rise to the charges in the
24 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
25 or its designee, be accepted towards the fulfillment of this condition if the course would have
26 been approved by the Board or its designee had the course been taken after the effective date of
27 this Decision.

28 Respondent shall submit a certification of successful completion to the Board or its

1 designee not later than 15 calendar days after successfully completing the course, or not later than
2 15 calendar days after the effective date of the Decision, whichever is later.

3 C. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is
4 hereby ordered to reimburse the Board its costs of investigation and enforcement, including, but
5 not limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena
6 enforcement, as applicable, in the amount of \$19,740 (nineteen thousand seven hundred and forty
7 dollars). Costs shall be payable to the Medical Board of California. Failure to pay such costs
8 shall be considered a violation of probation.

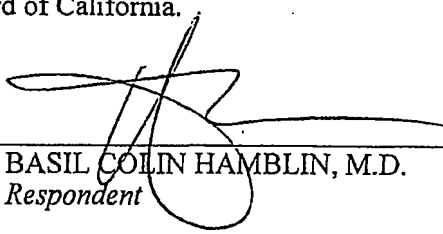

9 Payment must be made in full within 30 calendar days of the effective date of the Order, or
10 by a payment plan approved by the Medical Board of California. Any and all requests for a
11 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
12 the payment plan shall be considered a violation of probation.

13 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
14 repay investigation and enforcement costs, including expert review costs (if applicable).

15 ACCEPTANCE

16 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully
17 discussed it with my attorney, Ronald P. Goldman. I understand the stipulation and the effect it

19 Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the
20 Decision and Order of the Medical Board of California.

24 2. On October 26, 2001, the Medical Board issued Physician's and Surgeon's Certificate

JURISDICTION

1
2 3. This Second Amended Accusation is brought before the Board, under the authority of
3 the following laws. All section references are to the Business and Professions Code (Code)
4 unless otherwise indicated.

5 4. Section 125.3 of the Code states that:

6 (a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary
7 proceeding before any board within the department or before the Osteopathic Medical Board
8 upon request of the entity bringing the proceeding, the administrative law judge may direct a
9 licensee found to have committed a violation or violations of the licensing act to pay a sum not to
10 exceed the reasonable costs of the investigation and enforcement of the case.

11 (b) In the case of a disciplined licentiate that is a corporation or a partnership, the order may
12 be made against the licensed corporate entity or licensed partnership.

13 (c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs
14 are not available, signed by the entity bringing the proceeding or its designated representative
15 shall be prima facie evidence of reasonable costs of investigation and prosecution of the case.
16 The costs shall include the amount of investigative and enforcement costs up to the date of the
17 hearing, including, but not limited to, charges imposed by the Attorney General.

18 (d) The administrative law judge shall make a proposed finding of the amount of reasonable
19 costs of investigation and prosecution of the case when requested pursuant to subdivision (a).
20 The finding of the administrative law judge with regard to costs shall not be reviewable by the
21 board to increase the cost award. The board may reduce or eliminate the cost award, or remand to
22 the administrative law judge if the proposed decision fails to make a finding on costs requested
23 pursuant to subdivision (a).

24 (e) If an order for recovery of costs is made and timely payment is not made as directed in
25 the board's decision, the board may enforce the order for repayment in any appropriate court.
26 This right of enforcement shall be in addition to any other rights the board may have as to any
27 licensee to pay costs.

28 (f) In any action for recovery of costs, proof of the board's decision shall be conclusive

1 proof of the validity of the order of payment and the terms for payment.

2 (g)(1) Except as provided in paragraph (2), the board shall not renew or reinstate the license
3 of any licensee who has failed to pay all of the costs ordered under this section.

4 (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or
5 reinstate for a maximum of one year the license of any licensee who demonstrates financial
6 hardship and who enters into a formal agreement with the board to reimburse the board within
7 that one-year period for the unpaid costs.

8 (h) All costs recovered under this section shall be considered a reimbursement for costs
9 incurred and shall be deposited in the fund of the board recovering the costs to be available upon
10 appropriation by the Legislature.

11 (i) Nothing in this section shall preclude a board from including the recovery of the costs of
12 investigation and enforcement of a case in any stipulated settlement.

13 (j) This section does not apply to any board if a specific statutory provision in that board's
14 licensing act provides for recovery of costs in an administrative disciplinary proceeding.

15 5. Section 2227 of the Code provides that a licensee who is found guilty under the
16 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
17 one year, placed on probation and required to pay the costs of probation monitoring, or such other
18 action taken in relation to discipline as the Board deems proper.

19 6. Section 2234 of the Code, states:

20 The board shall take action against any licensee who is charged with unprofessional
21 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
22 limited to, the following:

23 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
24 violation of, or conspiring to violate any provision of this chapter.

25 (b) Gross negligence.

26 (c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
27 omissions. An initial negligent act or omission followed by a separate and distinct departure from
28 the applicable standard of care shall constitute repeated negligent acts.

1 (1) An initial negligent diagnosis followed by an act or omission medically appropriate for
2 that negligent diagnosis of the patient shall constitute a single negligent act.

3 (2) When the standard of care requires a change in the diagnosis, act, or omission that
4 constitutes the negligent act described in paragraph (1), including, but not limited to, a
5 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
6 applicable standard of care, each departure constitutes a separate and distinct breach of the
7 standard of care.

8 (d) Incompetence.

9 (e) The commission of any act involving dishonesty or corruption that is substantially
10 related to the qualifications, functions, or duties of a physician and surgeon.

11 (f) Any action or conduct that would have warranted the denial of a certificate.

12 (g) The failure by a certificate holder, in the absence of good cause, to attend and
13 participate in an interview by the board. This subdivision shall only apply to a certificate holder
14 who is the subject of an investigation by the board.

15 7. Section 2266 of the Code states: The failure of a physician and surgeon to maintain
16 adequate and accurate records relating to the provision of services to their patients constitutes
17 unprofessional conduct.

18 COST RECOVERY

19 8. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
20 administrative law judge to direct a licensee found to have committed a violation or violations of
21 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
22 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
23 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
24 included in a stipulated settlement.

25 FACTUAL ALLEGATIONS

26 9. At all times relevant to this matter, Respondent was licensed and practicing medicine
27 in California.

28

PATIENT P-3¹

10. Patient P-3², a male born in 1972, first saw Respondent on or about March 22, 2016 for chronic back pain due to a high fall, resulting in spinal injuries. P-3 reported he was homeless. In addition to pain treatment, P-3 was also under the care of a psychiatrist for treatment for anxiety. A review of CURES showed P-3 was prescribed Adderall³, Xanax, Valium⁴, Dilaudid⁵, and oxycodone.

11. On September 12, 2017, P-3 tested positive for amphetamine, benzodiazepines, opiates hydromorphone, and marijuana.

12. On February 21, 2018, P-3 told Respondent that he was unable to get an epidural injection, which was recommended by orthopedics for his back pain. Respondent did not document the status of P-3's back pain or anxiety. Respondent did not follow-up on the missed epidural treatment.

13. On August 13, 2018, P-3 reported some of P-3's medications were denied by his insurance and P-3 was having increased pain due to "medication changes." There was no documentation regarding what medications were being taken by P-3 and which medications were discontinued or reduced due to insurance coverage denial.

14. On August 14, 2018, P-3 tested positive for his prescription drugs, but also tested positive for both marijuana and alcohol.

¹ The patients are designated in this document as Patients P-3, and P-4 to protect their privacy. Respondent knows the names of the patients and can confirm their identities through discovery.

² Patients P-1 and P-2 have been omitted from this Second Amended Accusation. The identities and numbering system for Patients P-3 and P-4 remain the same for the sake of preserving consistency.

³ Adderall is the trade name for amphetamine-dextroamphetamine, a Schedule II controlled substance primarily used to treat attention deficit disorder.

⁴ Valium, a trade name for diazepam, is a psychotropic drug of the benzodiazepine class that is used for the management of anxiety disorders or for the short-term relief of the symptoms of anxiety. It is a Schedule IV controlled substance as defined by section 11057 of the Health and Safety Code and by section 1308.14 of Title 21 of the Code of Federal Regulations, and is a dangerous drug as defined in Code section 4022. Diazepam can produce psychological and physical dependence and it should be prescribed with caution particularly to addiction-prone individuals (such as drug addicts and alcoholics) because of the pre-disposition of such patients to habituation and dependence.

⁵ Dilaudid is a trade name for hydromorphone and is an opioid analgesic used to treat moderate to severe pain. It is a Schedule II controlled substance and a dangerous drug as defined in section 4022. Dilaudid has a central nervous system depressant effect. It can produce drug dependence and, therefore, has the potential for being abused.

1 15. On October 31, 2018, Respondent renewed P-3's prescriptions for Xanax, Valium,
2 oxycodone, and Dilaudid. Respondent noted that P-3 was undergoing a "forced drug reduction
3 trial" but did not clarify exactly which medications and at what dosages and frequencies P-3 was
4 taking the prescribed drugs. Respondent did not discuss P-3's alcohol use, or the dangers of
5 mixing alcohol with concurrent, multiple benzodiazepines and opioids.

6 **FIRST CAUSE FOR DISCIPLINE**
7 **(Unprofessional Conduct: Repeated Negligent Acts and/or Failure to Maintain Adequate**
8 **Records)**

8 16. Respondent Basil Colin Hamblin, M.D. is subject to disciplinary action under section
9 2234, subdivision (c) (repeated negligent acts) and/or 2266 (inadequate records) of the Code in
10 that Respondent engaged in the conduct described in paragraphs 10-15, above, including, but not
11 limited to, the following:

12 A. Respondent failed to document discussions with P-3 regarding what medications P-3
13 was taking and what medications were discontinued due to insurance coverage denial.

14 B. Respondent failed to properly respond to the positive drug screening test results,
15 showing P-3 was using both marijuana and alcohol, along with opiates and concurrent use of two
16 benzodiazepines.

17 C. Respondent failed to discuss or document any discussion with P-3 regarding P-3's
18 alcohol use, or the dangers of mixing alcohol with concurrent, multiple benzodiazepines and
19 opioids.

20 D. Respondent failed to follow-up on P-3's missed appointment for his epidural steroid
21 injection, as recommended by orthopedics for P-3's back pain.

22 E. Respondent failed to refer P-3 to a pain management specialist, and/or failed to
23 consult with a pain management specialist.

24 F. Respondent's records are incomplete and inadequate and fail to document how P-3
25 was using his medications.

26 **PATIENT P-4**

27 17. Patient P-4, a female born in 1960, first saw Respondent on or about October 16,
28 2014. P-4 reported chronic pain due to irritable bowel syndrome, arthritis, and degenerative joint

1 disease in her low back. P-4's pain medication, which she had been on for years, was Dilaudid,
2 which she takes four times a day. She had also been taking Ativan for her anxiety and
3 Wellbutrin⁶ for depression. Respondent continued P-4 on these medications.

4 18. On April 8, 2015, P-4 saw Respondent and reported her anxiety had worsened due to
5 her efforts to quit smoking. Respondent doubled her Ativan medication. Respondent did not
6 document how P-4's worsening anxiety was specifically manifesting itself or why such a
7 significant increase in medication was indicated. There was no assessment of functional decline
8 related to anxiety.

9 19. On November 21, 2017, P-4 reported more low back pain as well as pain in her hands
10 and knees. There were no additional work ups for the new pain to P-4's hands and knees.
11 Respondent added methadone⁷ 10 mg/twice daily and renewed Dilaudid, 4 mg/four times daily.
12 This represents an increase from 64 daily morphine milligram equivalency (MME⁸) to a total of
13 144 daily MME. Respondent did not consider non-addictive treatment options such as steroid
14 injections to the knee bursa or knee joint and did not refer P-4 to physical medicine, orthopedics,
15 or pain management.

16 **SECOND CAUSE FOR DISCIPLINE**

17 **(Unprofessional Conduct: Repeated Negligent Acts and/or Failure to Maintain Adequate 18 Records)**

19 20. Respondent Basil Colin Hamblin, M.D. is subject to disciplinary action under section
20 2234, subdivision (c) (repeated negligent acts) and/or 2266 (inadequate records) of the Code in
21 that Respondent engaged in the conduct described in paragraphs 17-19, above, including, but not
22 limited to, the following:

23 ⁶ Wellbutrin is the trade name for bupropion, a non-controlled, anti-depressant medication.

24 ⁷ Methadone is an opioid used to treat pain and as maintenance therapy or to help with tapering in
25 people with opioid dependence. It is a dangerous drug as defined in Code section 4022 and a Schedule II
26 controlled substance. Methadone also causes cardiac conduction defects, arrhythmia and can cause
27 respiratory depression and death.

28 ⁸ MME stands for morphine milligram equivalency. This is used to convert the many different
opioids into one standard value based on morphine and its potency. Higher dosages of opioids are
associated with higher risk of overdose and death. The CDC guidelines recommend precautions when
prescribing at 50 MME per day and suggest avoidance or careful justification of increasing dosages to 90
MME per day. https://www.cdc.gov/drugoverdose/pdf/calculating_total_daily_dose-a.pdf. The pain
management guidelines provided by the Medical Board of California, revised in November 2014,
recommend caution when prescribing MME above 80 mg per day.
<https://www.mbc.ca.gov/Download/Publications/pain-guidelines.pdf>.

- 1 A. Respondent failed to properly evaluate and manage P-4's anxiety.
- 2 B. Respondent failed to assess P-4's functional decline related to anxiety and did not
- 3 document how worsening anxiety was manifesting itself during the time period that P-4 was
- 4 attempting to quit smoking.
- 5 C. Respondent failed to conduct an evaluation to determine the cause and possible
- 6 treatment options regarding P-4's reported pain in the knees and hands.
- 7 D. Respondent failed to consider non-addictive treatment options for P-4's knee and
- 8 hand pain, such as steroid injections to the knee bursa or knee joint or referral to physical
- 9 medicine, orthopedics, or pain management.

10 **PRAYER**

11 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,

12 and that following the hearing, the Medical Board of California issue a decision:

- 14 issued to Basil Colin Hamblin, M.D.;

- 16 to supervise physician assistants and advanced practice nurses;
- 17 3. Ordering Basil Colin Hamblin, M.D., to pay the Board the costs of the investigation
- 18 and enforcement of this case, and if placed on probation, the costs of probation monitoring; and
- 19 4. Taking such other and further action as deemed necessary and proper.
