1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise

18 programs in subdivision (f).

19 (h) Issuing licenses and certificates under the board's jurisdiction.

20 (i) Administering the board's continuing medical education program.

21 5. Section 2220 of the Code states:

22 Except as otherwise provided by law, the board may take action against all
23 persons guilty of violating this chapter. The board shall enforce and administer this
24 article as to physician and surgeon certificate holders, including those who hold
25 certificates that do not permit them to practice medicine, such as, but not limited to,
26 retired, inactive, or disabled status certificate holders, and the board shall have all the
27 powers granted in this chapter for these purposes including, but not limited to:

28 (a) Investigating complaints from the public, from other licensees, from health
care facilities, or from the board that a physician and surgeon may be guilty of
unprofessional conduct. The board shall investigate the circumstances underlying a
report received pursuant to Section 805 or 805.01 within 30 days to determine if an
interim suspension order or temporary restraining order should be issued. The board
shall otherwise provide timely disposition of the reports received pursuant to Section
805 and Section 805.01.

(b) Investigating the circumstances of practice of any physician and surgeon

1 respect to any claim that injury or damage was proximately caused by the physician's
and surgeon's error, negligence, or omission.

2 (c) Investigating the nature and causes of injuries from cases which shall be
3 reported of a high number of judgments, settlements, or arbitration awards against a
physician and surgeon.

4 6. Section 2227 of the Code states:

5 (a) A licensee whose matter has been heard by an administrative law judge of
6 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
7 Code, or whose default has been entered, and who is found guilty, or who has entered
into a stipulation for disciplinary action with the board, may, in accordance with the
provisions of this chapter:

8 (1) Have his or her license revoked upon order of the board.

10 year upon order of the board.

11 (3) Be placed on probation and be required to pay the costs of probation
monitoring upon order of the board.

12 (4) Be publicly reprimanded by the board. The public reprimand may include a
13 requirement that the licensee complete relevant educational courses approved by the
board.

14 (5) Have any other action taken in relation to discipline as part of an order of
15 probation, as the board or an administrative law judge may deem proper.

16 (b) Any matter heard pursuant to subdivision (a), except for warning letters,
17 medical review or advisory conferences, professional competency examinations,
18 continuing education activities, and cost reimbursement associated therewith that are
agreed to with the board and successfully completed by the licensee, or other matters
made confidential or privileged by existing law, is deemed public, and shall be made
available to the public by the board pursuant to Section 803.1.

19 **STATUTORY PROVISIONS**

20 7. Section 2234 of the Code, states:

21 The board shall take action against any licensee who is charged with
22 unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

23 (a) Violating or attempting to violate, directly or indirectly, assisting in or
24 abetting the violation of, or conspiring to violate any provision of this chapter.

25 ...

26 (e) The commission of any act involving dishonesty or corruption that is
27 substantially related to the qualifications, functions, or duties of a physician and
surgeon.

28 ...

1 8. Section 2236 of the Code states:

2 (a) The conviction of any offense substantially related to the qualifications,
3 functions, or duties of a physician and surgeon constitutes unprofessional conduct
4 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
of conviction shall be conclusive evidence only of the fact that the conviction
occurred.

5 (b) The district attorney, city attorney, or other prosecuting agency shall notify
6 the Medical Board of the pendency of an action against a licensee charging a felony
or misdemeanor immediately upon obtaining information that the defendant is a
7 licensee. The notice shall identify the licensee and describe the crimes charged and
the facts alleged. The prosecuting agency shall also notify the clerk of the court in
8 which the action is pending that the defendant is a licensee, and the clerk shall record
prominently in the file that the defendant holds a license as a physician and surgeon.

9 (c) The clerk of the court in which a licensee is convicted of a crime shall,
10 within 48 hours after the conviction, transmit a certified copy of the record of
conviction to the board. The division may inquire into the circumstances surrounding
11 the commission of a crime in order to fix the degree of discipline or to determine if
the conviction is of an offense substantially related to the qualifications, functions, or
12 duties of a physician and surgeon.

13 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
14 deemed to be a conviction within the meaning of this section and Section 2236.1. The
record of conviction shall be conclusive evidence of the fact that the conviction
occurred.

15 9. Section 490 of the Code states:

16 (a) In addition to any other action that a board is permitted to take against a
17 licensee, a board may suspend or revoke a license on the ground that the licensee has
been convicted of a crime, if the crime is substantially related to the qualifications,
18 functions, or duties of the business or profession for which the license was issued.

19 (b) Notwithstanding any other provision of law, a board may exercise any
authority to discipline a licensee for conviction of a crime that is independent of the
20 authority granted under subdivision (a) only if the crime is substantially related to the
qualifications, functions, or duties of the business or profession for which the
21 licensee's license was issued.

22 (c) A conviction within the meaning of this section means a plea or verdict of
guilty or a conviction following a plea of nolo contendere. Any action that a board is
23 permitted to take following the establishment of a conviction may be taken when the
time for appeal has elapsed, or the judgment of conviction has been affirmed on
24 appeal, or when an order granting probation is made suspending the imposition of
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of
25 the Penal Code.

26 (d) The Legislature hereby finds and declares that the application of this section
has been made unclear by the holding in *Petropoulos v. Department of Real Estate*
27 (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant
number of statutes and regulations in question, resulting in potential harm to the
28 consumers of California from licensees who have been convicted of crimes.
Therefore, the Legislature finds and declares that this section establishes an

1 independent basis for a board to impose discipline upon a licensee, and that the
2 amendments to this section made by Chapter 33 of the Statutes of 2008 do not
3 constitute a change to, but rather are declaratory of, existing law.

4 COST RECOVERY

5 10. Section 125.3 of the Code states:

6 (a) Except as otherwise provided by law, in any order issued in resolution of a
7 disciplinary proceeding before any board within the department or before the
8 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
9 administrative law judge may direct a licensee found to have committed a violation or
10 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
11 investigation and enforcement of the case.

12 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
13 order may be made against the licensed corporate entity or licensed partnership.

14 (c) A certified copy of the actual costs, or a good faith estimate of costs where
15 actual costs are not available, signed by the entity bringing the proceeding or its
16 designated representative shall be prima facie evidence of reasonable costs of
17 investigation and prosecution of the case. The costs shall include the amount of
18 investigative and enforcement costs up to the date of the hearing, including, but not
19 limited to, charges imposed by the Attorney General.

20 (d) The administrative law judge shall make a proposed finding of the amount
21 of reasonable costs of investigation and prosecution of the case when requested
22 pursuant to subdivision (a). The finding of the administrative law judge with regard to
23 costs shall not be reviewable by the board to increase the cost award. The board may
24 reduce or eliminate the cost award, or remand to the administrative law judge if the
25 proposed decision fails to make a finding on costs requested pursuant to subdivision
26 (a).

27 (e) If an order for recovery of costs is made and timely payment is not made as
28 directed in the board's decision, the board may enforce the order for repayment in any
appropriate court. This right of enforcement shall be in addition to any other rights
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be
conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or
reinstate the license of any licensee who has failed to pay all of the costs ordered
under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion,
conditionally renew or reinstate for a maximum of one year the license of any
licensee who demonstrates financial hardship and who enters into a formal
agreement with the board to reimburse the board within that one-year period for the
unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement
for costs incurred and shall be deposited in the fund of the board recovering the costs
to be available upon appropriation by the Legislature.

1 (i) Nothing in this section shall preclude a board from including the recovery of
the costs of investigation and enforcement of a case in any stipulated settlement.

2 (j) This section does not apply to any board if a specific statutory provision in
3 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.
