**STIPULATED SURRENDER OF  
LICENSE AND ORDER**

20  
21 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of

26 matter by Rob Bonta, Attorney General of the State of California, by Megan R. O'Carroll, Deputy

28 ///

1 **CULPABILITY**

2 8. Respondent understands that the charges and allegations in Accusation No. 800-2019-  
3 058419, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and  
4 Surgeon's Certificate.

5 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
7 basis for the charges in the Accusation and that those charges constitute cause for discipline.  
8 Respondent hereby gives up his right to contest that cause for discipline exists based on those  
9 charges.

10 10. Respondent understands that by signing this stipulation he enables the Board to issue  
11 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
12 process.

13 **CONTINGENCY**

14 11. This stipulation shall be subject to approval by the Board. Respondent understands  
15 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
16 with the Board regarding this stipulation and surrender, without notice to or participation by  
17 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he  
18 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board  
19 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,  
20 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this  
21 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
22 be disqualified from further action by having considered this matter.

23 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
24 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures  
25 thereto, shall have the same force and effect as the originals.

26 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
27 the Board may, without further notice or formal proceeding, issue and enter the following Order:

28 ///

1 **ORDER**

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 87304, issued  
3 to Respondent David Leroy Sprenger, M.D., is surrendered and accepted by the Board.

4 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
5 acceptance of the surrendered license by the Board shall constitute the imposition of discipline  
6 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
7 of Respondent's license history with the Board.

8 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in  
9 California as of the effective date of the Board's Decision and Order.

10 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
11 issued, his wall certificate on or before the effective date of the Decision and Order.

12 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
13 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
14 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
15 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
16 contained in Accusation No. 800-2019-058419 shall be deemed to be true, correct and admitted  
17 by Respondent when the Board determines whether to grant or deny the petition.

18 5. Respondent shall pay the agency its costs of investigation and enforcement in the  
19 amount of \$7,991.25 prior to issuance of a new or reinstated license.

20 6. If Respondent should ever apply or reapply for a new license or certification, or  
21 petition for reinstatement of a license, by any other health care licensing agency in the State of  
22 California, all of the charges and allegations contained in Accusation, No. 800-2019-058419 shall  
23 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
24 Issues or any other proceeding seeking to deny or restrict licensure.

### JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 820 of the Code states:

“Whenever it appears that any person holding a license, certificate or permit under this division or under any initiative act referred to in this division may be unable to practice his or her profession safely because the licentiate’s ability to practice is impaired due to mental illness, or physical illness affecting competency, the licensing agency may order the licentiate to be examined by one or more physicians and surgeons or psychologists designated by the agency. The report of the examiners shall be made available to the licentiate and may be received as direct evidence in proceedings conducted pursuant to Section 822.”

6. Section 822 of the Code states:

If a licensing agency determines that its licentiate’s ability to practice his or her profession safely is impaired because the licentiate is mentally ill, or physically ill affecting competency, the licensing agency may take action by any one of the following methods:

- (a) Revoking the licentiate’s certificate or license.
- (b) Suspending the licentiate’s right to practice.
- (c) Placing the licentiate on probation.
- (d) Taking such other action in relation to the licentiate as the licensing agency in its discretion deems proper.

The licensing section shall not reinstate a revoked or suspended certificate or license until it has received competent evidence of the absence or control of the condition which caused its action and until it is satisfied that with due regard for the public health and safety the person’s right to practice his or her profession may be safely reinstated.
