21 Department of Consumer Affairs (Board).

22 2. On or about September 24, 1984, the Medical Board issued Physician's and Surgeon's

25 **JURISDICTION**

26 3. This First Amended Accusation is brought before the Board, under the authority of
27 the following laws. All section references are to the Business and Professions Code (Code)
28 unless otherwise indicated.

1 4. Section 2004 of the Code provides that the Board shall have the responsibility for the
2 enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

3 5. Section 2227 of the Code provides that a licensee who is found guilty under the
4 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
5 one year, placed on probation and required to pay the costs of probation monitoring, or such other
6 action taken in relation to discipline as the Board deems proper.

7 6. Section 2305 of the Code states:

8 “The revocation, suspension, or other discipline, restriction or limitation imposed by
9 another state upon a license or certificate to practice medicine issued by that state, or the
10 revocation, suspension, or restriction of the authority to practice medicine by any agency of the
11 federal government, that would have been grounds for discipline in California of a licensee under
12 this chapter shall constitute grounds for disciplinary action for unprofessional conduct against the
13 licensee in this state.”

14 7. Section 2236 of the Code states:

15 (a) The conviction of any offense substantially related to the qualifications, functions, or
16 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
17 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
18 evidence only of the fact that the conviction occurred.

19 (b) The district attorney, city attorney, or other prosecuting agency shall notify the Medical
20 Board of the pendency of an action against a licensee charging a felony or misdemeanor
21 immediately upon obtaining information that the defendant is a licensee. The notice shall identify
22 the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall
23 also notify the clerk of the court in which the action is pending that the defendant is a licensee,
24 and the clerk shall record prominently in the file that the defendant holds a license as a physician
25 and surgeon.

26 (c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours
27 after the conviction, transmit a certified copy of the record of conviction to the board. The
28 division may inquire into the circumstances surrounding the commission of a crime in order to fix

1 the degree of discipline or to determine if the conviction is of an offense substantially related to
2 the qualifications, functions, or duties of a physician and surgeon.

3 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to
4 be a conviction within the meaning of this section and Section 2236.1. The record of conviction
5 shall be conclusive evidence of the fact that the conviction occurred.

6 8. Section 2237 of the Code states:

7 (a) The conviction of a charge of violating any federal statutes or regulations or any statute
8 or regulation of this state, regulating dangerous drugs or controlled substances, constitutes
9 unprofessional conduct. The record of the conviction is conclusive evidence of such
10 unprofessional conduct. A plea or verdict of guilty or a conviction following a plea of nolo
11 contendere is deemed to be a conviction within the meaning of this section.

12 (b) Discipline may be ordered in accordance with Section 2227 or the Medical Board may
13 order the denial of the license when the time for appeal has elapsed, or the judgment of conviction
14 has been affirmed on appeal, or when an order granting probation is made suspending the
15 imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4
16 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of
17 not guilty, or setting aside the verdict of guilty, or dismissing the accusation, complaint,
18 information, or indictment.

19 9. Section 2238 of the Code states:

20 A violation of any federal statute or federal regulation or any of the statutes or regulations
21 of this state regulating dangerous drugs or controlled substances constitutes unprofessional
22 conduct.

23 10. California Code of Regulations, title 16, section 1360, states:

24 "For the purposes of denial, suspension or revocation of a license, certificate or permit
25 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
26 considered to be substantially related to the qualifications, functions or duties of a person holding
27 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
28 evidences present or potential unfitness of a person holding a license, certificate or permit to

1 perform the functions authorized by the license, certificate or permit in a manner consistent with
2 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
3 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
