IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-entitled proceedings that the following matters are true:

PARTIES

1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of California (Board). He brought this action solely in his official capacity and is represented in this matter by Rob Bonta, Attorney General of the State of California, by Trina L. Saunders, Deputy Attorney General.

2. Respondent Arvinder Singh Bir, M.D. (Respondent) is represented in this proceeding by attorney Fredrick M. Ray, Esq., whose address is 4100 Newport Place, Suite 670, Newport Beach, California 92660.

3. On or about May 25, 2005, the Board issued Physician's and Surgeon's Certificate No. A 91355 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2023-102658, and will expire on February 28, 2025, unless renewed.

JURISDICTION

4. Accusation No. 800-2023-102658 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on October 18, 2024. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2023-102658 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2023-102658. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2023-102658, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case for the charges in the Accusation, and that Respondent hereby gives up his right to contest those charges.

11. Respondent does not contest that, at an administrative hearing, Complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2023-102658, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 91355 to disciplinary action.

12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

13. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

14. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreement of the parties in this above entitled matter.

15. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2023-102658 shall be

deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

16. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

17. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 91355 issued to Respondent Arvinder Singh Bir, is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions:

1. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of this Decision, and on whatever periodic basis thereafter may be required by the Board or its designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall consider any information provided by the Board or designee and any other information the psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all psychiatric evaluations and psychological testing.

Respondent shall comply with all restrictions or conditions recommended by the evaluating psychiatrist within 15 calendar days after being notified by the Board or its designee.

2. PSYCHIATRIC TREATMENT. Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval the name and qualifications of a California-licensed board certified psychiatrist who has at least five years of postgraduate experience in the diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and continue psychiatric treatment, until the

Board or its designee deems that no further psychiatric care and treatment is necessary. The psychiatrist shall consider any information provided by the Board or its designee and any other information the psychiatrist deems relevant and shall furnish a written evaluation report to the Board or its designee. Respondent shall cooperate in providing the psychiatrist any information and documents that the psychiatrist may deem pertinent. Respondent shall have the treating psychiatrist submit signed monthly status reports to the Board or its designee detailing that Respondent is compliant with visits and medications prescribed. If, prior to the completion of probation, Respondent is found to be mentally unfit to resume the practice of medicine without restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the period of probation shall be extended until the Board determines that Respondent is mentally fit to resume the practice of medicine without restrictions. Respondent shall pay the cost of all psychiatric evaluations and visits.

3. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a practice monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose licenses are valid and in good standing, and who are preferably American Board of Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or personal relationship with Respondent, or other relationship that could reasonably be expected to compromise the ability of the monitor to render fair and unbiased reports to the Board, including but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

The Board or its designee shall provide the approved monitor with copies of the Decision and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed statement that the monitor has read the Decision and Accusation, fully understands the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed statement for approval by the Board or its designee.

Within 60 calendar days of the effective date of this Decision, and continuing throughout probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall make all records available for immediate inspection and copying on the premises by the monitor at all times during business hours and shall retain the records for the entire term of probation.

If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective date of this Decision, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. Respondent shall cease the practice of medicine until a monitor is approved to provide monitoring responsibility.

The monitor(s) shall submit a quarterly written report to the Board or its designee which includes an evaluation of Respondent's performance, indicating whether Respondent's practices are within the standards of practice of medicine, and whether Respondent is practicing medicine safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure that the monitor submits the quarterly written reports to the Board or its designee within 10 calendar days after the end of the preceding quarter.

If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior approval, the name and qualifications of a replacement monitor who will be assuming that responsibility within 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. Respondent shall cease the practice of medicine until a replacement monitor is approved and assumes monitoring responsibility.

In lieu of a monitor, Respondent may participate in a professional enhancement program approved in advance by the Board or its designee that includes, at minimum, quarterly chart review, semi-annual practice assessment, and semi-annual review of professional growth and education. Respondent shall participate in the professional enhancement program at Respondent's expense during the term of probation.

4. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice where: 1) Respondent merely shares office space with another physician but is not affiliated for purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that location.

If Respondent fails to establish a practice with another physician or secure employment in an appropriate practice setting within 60 calendar days of the effective date of this Decision, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. The Respondent shall not resume practice until an appropriate practice setting is established.

If, during the course of the probation, the Respondent's practice setting changes and the Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent shall notify the Board or its designee within five (5) calendar days of the practice setting change. If Respondent fails to establish a practice with another physician or secure employment in an appropriate practice setting within 60 calendar days of the practice setting change, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. The Respondent shall not resume practice until an appropriate practice setting is established.

5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership are extended to Respondent, at any other facility where Respondent engages in the practice of medicine, including all physician and locum tenens registries or other similar agencies, and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage to Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days.

This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED

PRACTICE NURSES. During probation, Respondent is prohibited from supervising physician assistants and advanced practice nurses.

7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules governing the practice of medicine in California and remain in full compliance with any court ordered criminal probation, payments, and other orders.

8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

9. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Address Changes

Respondent shall, at all times, keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any

areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice and does not relieve Respondent from complying with all the terms and conditions of probation. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

In the event Respondent's period of non-practice while on probation exceeds 18 calendar months, Respondent shall successfully complete the Federation of State Medical Boards' Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment program that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

Respondent's period of non-practice while on probation shall not exceed two (2) years.

Periods of non-practice will not apply to the reduction of the probationary term.

Periods of non-practice for a Respondent residing outside of California will relieve Respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or Controlled Substances; and Biological Fluid Testing.

12. COMPLETION OF PROBATION. Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. This term does not include cost recovery, which is due within 30 calendar days of the effective date of the Order, or by a payment plan approved by the Medical Board and timely satisfied. Upon successful completion of probation, Respondent's certificate shall be fully restored.

13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

14. LICENSE SURRENDER. Following the effective date of this Decision, if Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request to surrender his or her license. The Board reserves the right to evaluate Respondent's request and to exercise its discretion in determining whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its designee and Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical license, the

application shall be treated as a petition for reinstatement of a revoked certificate.

15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.

16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing action agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-102658 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict license.

8. Section 822 of the Code states:

CAUSE FOR ACTION

(Mental Impairment)

9. Respondent is subject to action under section 822 of the code in that his ability to practice medicine is impaired due to mental illness. The circumstances are as follows:

10. On or about October 25, 2023, the Board received an online complaint from Eisenhower Health of Rancho Mirage, alerting them to the mental impairment of Respondent. The complaint detailed that on three occasions between July and October 2023, Respondent exhibited irrational behavior that led to him being placed on involuntary holds and hospitalized. This included Respondent exhibiting irrational behavior in his interactions with employees and management of the facility on one of the described occasions. During that incident Respondent displayed extreme agitation, and spoke loudly and nonsensically. The Board opened an investigation into the matter.

11. During the course of the Board's investigation into the facts and circumstances surrounding the facility's report, Respondent voluntarily agreed to undergo a mental evaluation by a Board-approved evaluator and signed a release for his medical records.

12. On or about April 16, 2024, the Board received a report from the independent medical examiner (Expert) retained in this matter. Following the Expert's review of Respondent's mental health records, the facts and circumstances uncovered during the Board's investigation, Respondent's day-to-day functioning, and the Expert's examination of Respondent, the Expert

evaluator opined that Respondent has Bipolar Disorder I, which is currently stabilized and in remission. He ultimately opined that Respondent is unable to safely practice medicine due to the potential effects of his Bipolar Disorder I, when symptomatic. Therefore, for Respondent to practice medicine safely requires that Respondent receive therapy, medical management, and be monitored, for the foreseeable future.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number A 91355, issued to Respondent Arvinder Singh Bir, M.D.;

2. Revoking, suspending or denying approval of Respondent Arvinder Singh Bir, M.D.'s authority to supervise physician assistants and advanced practice nurses;

3. Ordering Respondent Arvinder Singh Bir, M.D., to pay the Board the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
