4. On July 26, 2012, Accusation No. 09-2009-200868 was filed against Respondent before the Board. A true and correct copy of Accusation No. 09-2009-200868 and all other statutorily required documents were properly served on Respondent on July 26, 2012. Respondent timely filed his Notice of Defense contesting the Accusation.

5. On December 20, 2012, First Amended Accusation No. 09-2009-200868 was filed before the Board and is currently pending against Respondent. A true and correct copy of First Amended Accusation No. 09-2009-200868 is attached hereto as Exhibit A and is hereby incorporated by reference as if fully set forth herein.

6. Respondent has carefully read, fully discussed with counsel, and fully understands the charges and allegations in First Amended Accusation No. 09-2009-200868. Respondent has also carefully read, fully discussed with counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in First Amended Accusation No. 09-2009-200868; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an

8. Having the benefits of counsel, Respondent hereby voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

**CULPABILITY**

9. Respondent agrees that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations contained in First Amended Accusation No. 09-2009-200868, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician’s and Surgeon’s Certificate No. A63365 to disciplinary action.

10. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in First Amended Accusation No. 09-2009-200868 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding before the Board or any other licensing proceeding involving respondent.

**CONTINGENCY**

12. This Stipulated Settlement and Disciplinary Order shall be subject to approval of the Board. By signing this stipulation, Respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Board considers and acts upon it.

13. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and
agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
Disciplinary Order, the Board may receive oral and written communications from its staff and/or
the Attorney General’s Office. Communications pursuant to this paragraph shall not disqualify
the Board, any member thereof, and/or any other person from future participation in this or any
other matter affecting or involving Respondent. In the event that the Board does not, in its
discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the
exception of this paragraph, it shall not become effective, shall be of no evidentiary value
whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party
hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order
be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any
member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this
Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

ADDITIONAL PROVISIONS

14. This Stipulated Settlement and Disciplinary Order is intended by the parties herein
to be an integrated writing representing the complete, final and exclusive embodiment of the
agreements of the parties in the above-entitled matter.

including copies of the signatures of the parties, may be used in lieu of original documents and
signatures and, further, that such copies shall have the same force and effect as originals.

16. In consideration of the foregoing admissions and stipulations, the parties agree the
Board may, without further notice to or opportunity to be heard by Respondent, issue and enter
the following Disciplinary Order:

///
DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician’s and Surgeon’s Certificate No. A63365
issued to Respondent Anthony S. Bianchi, M.D., is revoked. However, the revocation is stayed
and Respondent is placed on probation for five (5) years from the effective date of this Decision
on the following terms and conditions:

1. ACTUAL SUSPENSION.

As part of probation, Respondent is suspended from the practice of medicine for 30 days
beginning the sixteenth (16th) day after the effective date of this Decision.

2. PROFESSIONAL BOUNDARIES PROGRAM.

Within 60 calendar days from the effective date of this Decision, Respondent shall enroll
in a professional boundaries program equivalent to the Professional Boundaries Program offered
by the Physician Assessment and Clinical Education Program at the University of California, San
Diego School of Medicine (“Program”). Respondent, at the Program’s discretion, shall undergo
and complete the Program’s assessment of Respondent’s competency, mental health and/or
neuropsychological performance, and at minimum, a 24 hour program of interactive education
and training in the area of boundaries, which takes into account data obtained from the
assessment and from the Decision, First Amended Accusation and any other information that the
Board or its designee deems relevant. The Program shall evaluate Respondent at the end of the
training and the Program shall provide any data from the assessment and training as well as the
results of the evaluation to the Board or its designee.

Failure to complete the entire Program not later than six (6) months after Respondent’s
initial enrollment shall constitute a violation of probation unless the Board or its designee agrees
in writing to a later time for completion. Based on Respondent’s performance in and evaluations
from the assessment, education, and training, the Program shall advise the Board or its designee
of its recommendation(s) for additional education, training, psychotherapy and other measures
necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with
Program recommendations. At the completion of the Program, Respondent shall submit to a final
evaluation. The Program shall provide the results of the evaluation to the Board or its designee.
The professional boundaries program shall be at Respondent’s expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

The Program has the authority to determine whether or not Respondent successfully completed the Program.

A professional boundaries course taken after the acts that gave rise to the charges in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of this Decision.

If Respondent fails to complete the Program within the designated time period, Respondent shall cease the practice of medicine within three (3) calendar days after being notified by the Board or its designee that Respondent failed to complete the Program.

3. **PSYCHIATRIC EVALUATION.**

Within 30 calendar days of the effective date of this Decision, and on whatever periodic basis thereafter may be required by the Board or its designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall consider any information provided by the Board or designee and any other information the psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not be accepted towards the fulfillment of this requirement.

Respondent shall pay the cost of all psychiatric evaluations and psychological testing. Respondent shall comply with all restrictions or conditions recommended by the evaluating psychiatrist within 15 calendar days after being notified by the Board or its designee.

4. **PSYCHOTHERAPY.**

Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval the name and qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who has a doctoral degree in psychology and at least five years of postgraduate experience in the diagnosis and treatment of emotional and
mental disorders. Upon approval, Respondent shall undergo and continue psychotherapy
treatment, including any modifications to the frequency of psychotherapy, until the Board or its
designee deems that no further psychotherapy is necessary.

The psychotherapist shall consider any information provided by the Board or its designee
and any other information the psychotherapist deems relevant and shall furnish a written
evaluation report to the Board or its designee. Respondent shall cooperate in providing the
psychotherapist any information and documents that the psychotherapist may deem pertinent.
Respondent shall have the treating psychotherapist submit quarterly status reports to the Board or
its designee. The Board or its designee may require Respondent to undergo psychiatric
evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
probation, Respondent is found to be mentally unfit to resume the practice of medicine without
restrictions, the Board shall retain continuing jurisdiction over Respondent’s license and the
period of probation shall be extended until the Board determines that Respondent is mentally fit
to resume the practice of medicine without restrictions.

Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

5. **SOLO PRACTICE PROHIBITION.**

Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo
practice includes, but is not limited to, a practice where: 1) Respondent merely shares office space
with another physician but is not affiliated for purposes of providing patient care, or 2)
Respondent is the sole physician practitioner at that location.

If Respondent fails to establish a practice with another physician or secure employment in
an appropriate practice setting within 60 calendar days of the effective date of this Decision,
Respondent shall receive a notification from the Board or its designee to cease the practice of
medicine within three (3) calendar days after being so notified. The Respondent shall not resume
practice until an appropriate practice setting is established.

If, during the course of the probation, the Respondent’s practice setting changes and the
Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
shall notify the Board or its designee within 5 calendar days of the practice setting change. If
Respondent fails to establish a practice with another physician or secure employment in an appropriate practice setting within 60 calendar days of the practice setting change, Respondent shall receive a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. The Respondent shall not resume practice until an appropriate practice setting is established.

6. PROHIBITED PRACTICE.

During probation, Respondent is prohibited from seeing, consulting with, attending, practicing medicine on, or treating any and all female patients. After the effective date of this Decision, all female patients seeking to consult with, or receive treatment from, Respondent shall be notified that Respondent is prohibited from seeing, attending, practicing medicine on, or treating any and all female patients.

Respondent shall maintain a log of all patients to whom the required notification was made. The log shall contain the: 1) patient’s name, address and phone number; patient’s medical record number, if available; 3) the full name of the person making the notification; 4) the date the notification was made; and 5) a description of the notification given. Respondent shall keep this log in a separate file or ledger, in chronological order, shall make the log available for immediate inspection and copying on the premises at all times during business hours by the Board or its designee, and shall retain the log for the entire term of probation.

7. NOTIFICATION.

Within seven (7) days of the effective date of this Decision, the Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership are extended to Respondent, at any other facility where Respondent engages in the practice of medicine, including all physician and locum tenens registries or other similar agencies, and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage to Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days of the effective date of this Decision.

///
This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

8. SUPERVISION OF PHYSICIAN ASSISTANTS.

During probation, Respondent is prohibited from supervising physician assistants.

9. OBEY ALL LAWS.

Respondent shall obey all federal, state and local laws, all rules governing the practice of medicine in California and remain in full compliance with any court ordered criminal probation, payments, and other orders.

10. QUARTERLY DECLARATIONS.

Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

11. GENERAL PROBATION REQUIREMENTS.

A. Compliance with Probation Unit

Respondent shall comply with the Board’s probation unit and all terms and conditions of this Decision.

B. Address Changes

Respondent shall, at all times, keep the Board informed of Respondent’s business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021(b).

C. Place of Practice

Respondent shall not engage in the practice of medicine in Respondent’s or patient’s place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.
D. License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

E. Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice
Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE.

Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

13. NON-PRACTICE WHILE ON PROBATION.

Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine in California as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

///

///

///
In the event Respondent’s period of non-practice while on probation exceeds 18 calendar months, Respondent shall successfully complete a clinical training program that meets the criteria of Condition 18 of the current version of the Board’s “Manual of Model Disciplinary Orders and Disciplinary Guidelines” prior to resuming the practice of medicine.

Respondent’s period of non-practice while on probation shall not exceed two (2) years. Periods of non-practice will not apply to the reduction of the probationary term. Periods of non-practice will relieve Respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws; and General Probation Requirements.

14. COMPLETION OF PROBATION.

Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. Upon successful completion of probation, Respondent’s certificate shall be fully restored.

15. VIOLATION OF PROBATION.

Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

16. LICENSE SURRENDER.

Following the effective date of this Decision, if Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request to surrender his or her license. The Board reserves the right to evaluate Respondent’s request and to exercise its discretion in determining whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver Respondent’s wallet and wall certificate to the Board or its designee and Respondent
shall no longer practice medicine. Respondent will no longer be subject to the terms and
conditions of probation. If Respondent re-applies for a medical license, the application shall be
treated as a petition for reinstatement of a revoked certificate.

17. PROBATION MONITORING COSTS.

Respondent shall pay the costs associated with probation monitoring each and every year
of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs
shall be payable to the Medical Board of California and delivered to the Board or its designee no
later than January 31 of each calendar year.

3. This First Amended Accusation is brought before the Board under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code states:

    (a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

(Shea v. Board of Medical Examiners (1978) 81 Cal.App.3d 564, 575.)

FIRST CAUSE FOR DISCIPLINE

(Sexual Abuse or Misconduct with a Patient)

8. Respondent is subject to disciplinary action under section 726 of the Code in that he engaged in sexual abuse or misconduct with patients T.C. and A.M., as more particularly alleged hereinafter:

Patient T.C.

(a) On or about September 11, 2008, respondent, a gynecologist, began treating patient T.C. Patient T.C.'s first appointment with respondent was a well-woman examination. Due to an abnormal pap smear, patient T.C. needed a couple of follow-up appointments to conclude that everything was normal. Patient T.C. first several appointments with respondent were uneventful.
(b) On or about July 9, 2009, patient T.C. presented by appointment to discuss tubal-ligation surgery with respondent. The consultation took place in respondent’s office, and patient T.C. was fully clothed. Surgery was scheduled for on or about August 4, 2009, but more information was needed to clarify if the surgery would be performed at Fallbrook Surgical Center or Golden Triangle Surgical Center in Temecula. Respondent gave patient T.C. his pager number and told her to call him anytime day or night. Respondent asked patient T.C. if she wanted to go to lunch with him, and patient T.C. declined.

(c) On or about July 10, 2009, patient T.C. received a telephone call from respondent to further discuss the location for her surgery. After a brief discussion about the surgery, respondent apologized for staring at her breasts during the medical consultation the previous day. Respondent told patient T.C. she was a beautiful woman and did not want to offend her, but stated he could not stop thinking about her, especially since he knew what she looked like unclothed.

(d) On or about July 20, 2009, patient T.C. received a phone call from respondent, who verified that her surgery could be performed at patient T.C.’s preferred surgical center in Temecula. After some small talk, respondent told patient T.C. that he had a dream in which she came to his office wearing a short miniskirt without any undergarments. Respondent continued to describe that he performed oral sex on patient T.C. in his dream. Respondent acknowledged that he did not know if patient T.C. liked oral sex, but stated that she was gratified in his dream. Patient T.C. asked what respondent was doing by talking like that, and respondent explained that they were talking as friends and complained about having an unsatisfying sex life in his marriage. Patient T.C. expressed her discomfort with the conversation, stated she was concerned about what respondent might do to her during the surgery, and asked who else would be present in the room during the surgery. Respondent agreed to refer her to another doctor for the surgery, and promised not to “stalk” patient T.C.

(e) Patient T.C. called respondent back at the phone number from which respondent had called her, which was respondent’s cell phone number. Respondent stated
that she should not call him at that number, but rather should call his pager, which would forward the call to his cell phone. Patient T.C. told respondent the name of another doctor who she wanted to perform her surgery, and asked that he make a referral to that doctor, and respondent agreed.

**Patient A.M.**

(f) On or about May 14, 2012, patient A.M. was seen by respondent for her eighth week pregnancy intravaginal ultrasound after she had experienced some vaginal bleeding. During this visit, respondent complemented patient A.M. on her clothes and told her that she was beautiful.

(g) The next day, on or about May 15, 2012, respondent called patient A.M. Respondent stated that he had something to say, did not know if he should say it, but that he was going to say it anyway. Respondent told patient A.M. that he knew he was “an old man,” but expressed that he was sexually attracted to patient A.M. Respondent requested the next time patient A.M. comes to his office, that she not shave the hair around her genitalia and that she come disheveled and untidy “because yesterday I nearly had a heart attack seeing you.”

**SECOND CAUSE FOR DISCIPLINE**

(Unprofessional Conduct)

9. Respondent is further subject to disciplinary action under sections 2227 and 2234 of the Code, in that he has engaged in conduct which breached the rules or ethical code of the medical profession, or conduct which was unbecoming to a member in good standing of the medical profession, and which demonstrated an unfitness to practice medicine, as more particularly alleged in Paragraph 8, above, is hereby incorporated by reference and realleged as if fully set forth herein.
PRAYER

WHEREFORE, complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician’s and Surgeon’s Certificate Number A63365, issued to respondent Anthony Steven Bianchi, M.D.;

2. Revoking, suspending or denying approval of respondent Anthony Steven Bianchi, M.D.’s authority to supervise physician’s assistants, pursuant to section 3527 of the Code;

3. Ordering respondent Anthony Steven Bianchi, M.D., to pay the Medical Board of California, if placed on probation, the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
