- 3. On or about June 29, 2020, Merlene Francis, an employee of the Board, served by Certified and First Class Mail a copy of the Accusation No. 800-2017-034456, Statement to Respondent, Notice of Defense, Request for Discovery, and Government Code sections 11507.5, 11507.6, and 11507.7 to Respondent's address of record with the Board, which was and is 848 N. Rainbow Blvd. # 696, Las Vegas, NV 89107. A copy of the Accusation, the related documents, and Declaration of Service are attached as **Exhibit A**, and are incorporated herein by reference.

On or about July 10, 2020, the Board received back a Certified Mailing Receipt from Respondent's address of record with the Board marked "Covid 19." The Board did not receive back the mailed packet of information, which was originally sent on June 29, 2020. A copy of the Certified Mailing Receipt returned by the post office is attached as **Exhibit B**, and is incorporated herein by reference.
- 5. On July 24, 2020, the Attorney General's Office sent a Notice of Defense Courtesy Request letter to Respondent's address of record with the Board by First Class Mail. The Attorney General's Office has received no response. A copy of the Notice of Defense Courtesy Request letter is attached as **Exhibit C**, and is incorporated herein by reference.
  - 6. Government Code section 11506 states, in pertinent part:
  - (c) The respondent shall be entitled to a hearing on the merits if the respondent files a notice of defense, and the notice shall be deemed a specific denial of all parts of the accusation not expressly admitted. Failure to file a notice of defense shall constitute a waiver of respondent's right to a hearing, but the agency in its discretion may nevertheless grant a hearing.

Respondent failed to file a Notice of Defense within 15 days after service upon him of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No. 800-2017-034456.

- 7. California Government Code section 11520 states, in pertinent part:
- (a) If the respondent either fails to file a notice of defense or to appear at the hearing, the agency may take action based upon the respondent's express admissions or upon other evidence and affidavits may be used as evidence without any notice to respondent.

- 8. Pursuant to its authority under Government Code section 11520, the Board finds Respondent is in default. The Board will take action without further hearing and, based on Respondent's express admissions by way of default and the evidence before it, contained in exhibits A, B, C, and D finds that the allegations in Accusation No. 800-2017-034456 are true.
- 9. Business and Professions Code section 2227 provides, in pertinent part, that a licensee who is found guilty under the Medical Practice Act may have his or her licensed revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.
- 10. Business and Professions Code section 2234 provides, in pertinent part, that the Board shall take action against any licensee who is charged with unprofessional conduct. According to subdivision (c), of Business and Code section 2234, unprofessional conduct includes the commission of repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions.
- 11. Respondent's license is subject to discipline for unprofessional conduct under Business and Professions Code section 2234, subdivision (c) by reason of the following:
- a. On or about March 4, 1992, the Board issued Physician's and Surgeon's Certificate Number G 73536 to Respondent. That certificate is renewed and current with an expiration date of May 31, 2021. (The Certificate of Licensure is attached as **Exhibit D-1**, and is incorporated herein by reference.)
- b. On or about April 7, 2016, Respondent issued a self-prescription for 90 tablets of 3-mg eszopiclone using his own DEA number for his own personal use. Eszopiclone is a Schedule IV controlled substance. On or about May 4, 2016, Respondent issued a self-prescription for 60 tablets of .25-mg triazolam using his own DEA prescriber number for his own personal use. Triazolam is a Schedule IV controlled substance. (A Redacted Copy of Respondent's Certified Pharmacy Prescription Profile is attached as **Exhibit D-2**, and is incorporated herein by reference.)

- c. On March 17, 2020, Respondent was interviewed by the Medical Board of California. - d. On April 30, 2020, a reviewing expert, Dr. W.W., determined that Respondent's actions in self-prescribing controlled substances on two separate occasions constituted two separate simple deviations from the standard of care. Dr. W.W. stated that the standard of care in California is to not self-prescribe controlled substances and Respondent breached the standard of care for prescribing. (A Redacted Copy of Dr. W.W.'s report is attached as **Exhibit D-4**, and is incorporated herein by reference.)
