10 addresses shall be immediately communicated in writing to the Board or its designee. Under no
11 circumstances shall a post office box serve as an address of record, except as allowed by Business
12 and Professions Code section 2021(b).

4 10. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
7 defined as any period of time Respondent is not practicing medicine as defined in Business and
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If
10 Respondent resides in California and is considered to be in non-practice, Respondent shall
11 comply with all terms and conditions of probation. All time spent in an intensive training
12 program which has been approved by the Board or its designee shall not be considered non-
13 practice and does not relieve Respondent from complying with all the terms and conditions of
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
15 on probation with the medical licensing authority of that state or jurisdiction shall not be
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
17 period of non-practice.

18 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
19 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23 Respondent's period of non-practice while on probation shall not exceed two (2) years.

24 Periods of non-practice will not apply to the reduction of the probationary term.

25 Periods of non-practice for a Respondent residing outside of California will relieve
26 Respondent of the responsibility to comply with the probationary terms and conditions with the
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

1 Controlled Substances; and Biological Fluid Testing.

2 11. COMPLETION OF PROBATION. Respondent shall comply with all financial
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
4 completion of probation. Upon successful completion of probation, Respondent's certificate shall
5 be fully restored.

6 12. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
7 of probation is a violation of probation. If Respondent violates probation in any respect, the
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final.

13 13. LICENSE SURRENDER. Following the effective date of this Decision, if
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
15 the terms and conditions of probation, Respondent may request to surrender his or her license.
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
17 determining whether or not to grant the request, or to take any other action deemed appropriate
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
22 application shall be treated as a petition for reinstatement of a revoked certificate.

23 14. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
24 with probation monitoring each and every year of probation, as designated by the Board, which
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
26 California and delivered to the Board or its designee no later than January 31 of each calendar
27 year.

Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

"(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

"(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

"(d) Incompetence.

"(e) The commission of any act involving dishonesty or corruption which is substantially related to the qualifications, functions, or duties of a physician and surgeon.

"(f) Any action or conduct which would have warranted the denial of a certificate.

3 apply to this subdivision. This subdivision shall become operative upon the implementation of the
4 proposed registration program described in Section 2052.5.

5 “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and
6 participate in an interview by the board. This subdivision shall only apply to a certificate holder
7 who is the subject of an investigation by the board.”

8 6. Unprofessional conduct under section 2234 of the Code is conduct which breaches
9 the rules or ethical code of the medical profession, or conduct which is unbecoming a member in
10 good standing of the medical profession, and which demonstrates an unfitness to practice
11 medicine. (*Shea v. Bd. of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

12 7. Section 2242 of the Code states:

18 the following applies:

19 “(1) The licensee was a designated physician and surgeon or podiatrist serving in the
20 absence of the patient’s physician and surgeon or podiatrist, as the case may be, and if the drugs
21 were prescribed, dispensed, or furnished only as necessary to maintain the patient until the return
22 of his or her practitioner, but in any case no longer than 72 hours.

23 “(2) The licensee transmitted the order for the drugs to a registered nurse or to a licensed
24 vocational nurse in an inpatient facility, and if both of the following conditions exist:

25 “(A) The practitioner had consulted with the registered nurse or licensed vocational nurse
26 who had reviewed the patient’s records.

27 “(B) The practitioner was designated as the practitioner to serve in the absence of the
28 patient’s physician and surgeon or podiatrist, as the case may be.

1 “(3) The licensee was a designated practitioner serving in the absence of the patient’s
2 physician and surgeon or podiatrist, as the case may be, and was in possession of or had utilized
3 the patient’s records and ordered the renewal of a medically indicated prescription for an amount

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 8. Respondent is subject to disciplinary action under section 2234, subdivision (b) of the
4 Code, in that he was grossly negligent in his care and treatment of three patients. The
5 circumstances are as follows:

6 9. On or about April 9, 2015, in a separate administrative matter, two physicians who
7 were married to each other were disciplined by the Board. The wife of the couple, Dr. Y.C., was
8 placed on Medical Board probation. One of the terms of Dr. Y.C.'s probation was that she be
9 prohibited from prescribing controlled substances. On or about August 17, 2015, Respondent
10 became the practice monitor for Dr. Y.C. As part of his practice monitor agreement, he
11 acknowledged having read the Decision of the Board placing Dr. Y.C. on probation.

12 10. On or about April 27, 2016, the Placer County Probation Department and Medical
13 Board Investigators conducted a probation search of Dr. Y.C.'s husband, with whom Dr. Y.C.
14 shared a home. During the search of the physician's home, Board investigators located a stack of
15 blank, pre-signed prescriptions. Four of the prescriptions were pre-signed by Respondent. Dr.
16 Y.C. explained that the blank and pre-signed prescriptions belonged to her, and had been given to
17 her by Respondent when she worked for him at the Sacramento Family Medical Clinics. The four
18 pre-signed prescriptions bore the pre-printed clinic name on them and were numbered 00399,
19 00400, 00813 and 00814. Dr. Y.C. stated that Respondent had been her supervisor and practice
20 monitor at the Sacramento Family Medical Clinic until approximately March 31, 2016.

21 11. Respondent is the founder of the Sacramento Family Medical Clinics. He has served
22 in various capacities in the Clinics, including as the Medical Director and an administrator.
23 Respondent stopped performing primary care duties and carrying his own patient case-load
24 approximately ten years earlier, when he changed to mostly administrative work. Approximately
25 ten years earlier he stopped regularly prescribing medications to patients. Respondent admitted to
26 investigators that he hired Dr. Y.C., in August 2015, to work at the two Sacramento Family

1 Medical Clinics (which were located on Watt Avenue and on Marysville Blvd.) in order to treat
2 children with behavioral and attention deficit disorders. Dr. Y.C. had previously worked for
3 Respondent many years ago.

4 12. During 2015 and 2016, when Dr. Y.C. worked for Respondent, she treated pediatric
5 patients on a regular basis, who required controlled medications as part of their treatment plan.
6 Initially, Respondent directed two other physicians and a physician assistant who worked at the
7 Sacramento Family Medical Clinic to write prescriptions for controlled substances for those
8 patients Dr. Y.C. saw and to determine required controlled medications. These practitioners did
9 not personally examine or treat the pediatric patients, they merely signed prescriptions based on
10 Dr. Y.C.'s request. Ultimately, however, these physicians and the physician assistant learned that
11 Dr. Y.C. was prohibited from prescribing controlled substances and refused to continue signing
12 prescriptions for her patients.

13 13. At the point, from approximately August 2015 through March 31, 2016, Respondent
14 pre-signed a number of blank prescriptions and provided them to Y.C., on a regular basis, with no
15 information filled out as to the patient, medication, or dose, which Dr. Y.C. would use to provide
16 controlled substances to her patients. Respondent did not personally examine or treat the
17 pediatric patients that Dr. Y.C. would provide with prescriptions for controlled substances signed
18 by him. During his interview with Board Investigators Respondent also admitted that he would
19 often arrive at the Sacramento Family Medical Clinic after Dr. Y.C. was already present and
20 seeing patients who received the pre-signed prescriptions for controlled substances. Respondent
21 stated that on a daily basis he would review Dr. Y.C.'s chart notes for her ADD patients, but did
22 not actually view the prescriptions that she filled out, as the prescriptions left the clinics with the
23 patients.

24 14. Dr. Y.C. admitted at her physician interview with Board investigators on August 29,
25 2017 that she used the pre-signed, blank prescriptions from Respondent to prescribe several
26 Schedule II controlled substance medications to her pediatric patients who suffered from ADD,
27 including the drugs Adderall, Cymbalta, Vyvanse, and Ritalin, which are Schedule II controlled

1 substances. During this time, Dr. Y.C. treated Patient A¹, a fourteen-year old female suffering
2 from ADD, from approximately October 2015 through March 2016. Dr. Y.C. prescribed Adderall
3 XR 20 mg. #30 to Patient A on January 14, 2016, February 18, 2016 and March 29, 2016, using
4 prescriptions signed by Respondent. Dr. Y.C. treated Patient B, a nine-year-old female suffering
5 from ADD, from approximately February through March of 2016. Dr. Y.C. prescribed Patient B
6 Adderall 5 mg., #30 on February 11, 2016 and March 14, 2016, using prescriptions signed by
7 Respondent. Respondent prescribed Patient C, a fourteen-year-old male suffering from ADD,
8 prescribed Vyvanse 50 mg on September 7, 2016. The parents of each of these three pediatric
9 patients identified the person who treated their children to be Dr. Y.C. There is no documentation
10 in any of these three patients' records to indicate that Respondent ever saw or examined them.

11 15. Respondent was grossly negligent in his care and treatment of patients, including
12 Patients A, B, and C, for his act of providing pre-signed, blank prescription forms to Dr. Y.C. to
13 enable her to prescribe Schedule II controlled substances when she lacked the legal authority to
14 do so.

15 **SECOND CAUSE FOR DISCIPLINE**

16 **(Repeated Negligent Acts)**

17 16. Respondent is subject to disciplinary action under section 2234, subdivision (c), in

20 incorporated by reference.

21 18. Respondent was repeatedly negligent in his care and treatment of patients, including
22 Patients A, B, and C, for his acts, including but not limited to:

10 restriction from prescribing such medications, and he allowed the physician to use the blank
11 prescriptions to prescribe to patients that he did not have a physician-patient relationship with or
12 conduct a history and examination on, thus subjecting his medical license to discipline.

13 **FOURTH CAUSE FOR DISCIPLINE**

14 **(Violation of Drug Statutes)**

15 22. Respondent Gilbert Simon, M.D. is subject to disciplinary action under section 2238,
16 making it an act of unprofessional conduct to violate state law regulating dangerous drugs or
17 controlled substances in that he violated Health and Safety Code sections 11164 and 11173.

18 23. Paragraphs 8 through 15, above, are repeated here as if fully set forth and
19 incorporated by reference.

20 24. Respondent's act of procuring the prescriptions of controlled substances by fraud,
21 deceit, misrepresentation, or subterfuge violates Health and Safety Code section 11173, and is
22 unprofessional conduct under section 2238. Respondent's act of issuing a prescription without
23 including the patient's name, the medication, strength and refill information violates section
24 11164, and is unprofessional conduct under section 2238.
