PARTIES

1. William Prasifka (Complainant) is the Executive Director of the Medical Board of California (Board). Former Executive Director Kimberly Kirchmeyer brought this action solely in her then official capacity as Executive Director of the Board.[1] William Prasifka is represented in this matter by Xavier Becerra, Attorney General of the State of California, by Jason J. Ahn, Deputy Attorney General.

[1] Kimberly Kirchmeyer became Director of the California Department of Consumer Affairs effective October 28, 2019.

3. On or about October 9, 1979, the Board issued Physician's and Surgeon's Certificate No. G 41001 to Frank Javier Goicoechea, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2018-040351 and will expire on December 31, 2020, unless renewed.

JURISDICTION

4. On July 17, 2019, Accusation No. 800-2018-040351 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on July 17, 2019. Respondent timely filed his Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2018-040351 is attached as Exhibit A and incorporated by reference.

CULPABILITY

8. Respondent does not contest that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations contained in Accusation No. 800-2018-040351 and that he has thereby subjected his license to disciplinary action.

9. Respondent understands that by signing this stipulation he enables the Board to issue an order accepting the surrender of his Physician's and Surgeon's Certificate without further process.

10. Respondent further agrees that if he ever petitions for reinstatement of his Physician's and Surgeon's Certificate No. G 41001, or if an accusation is filed against him before the Medical Board of California, all of the charges and allegations contained in First Amended Accusation No. 800-2018-040351 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the state of California or elsewhere.

The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Executive Director on behalf of the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive Director and/or the Board may receive oral and written communications from its staff and/or the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the Executive Director, the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving Respondent. In the event that the Executive Director on behalf of the Board does not, in her discretion, approve and adopt this Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party hereto. Respondent further agrees that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason by the Executive Director on behalf of the Board, Respondent will assert no claim that the Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or of any matter or matters related hereto.
