OAH No. 2020110156

**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Xavier Becerra, Attorney General of the State of California, by Rosemary F. Luzon,  
25 Deputy Attorney General.

26 2. Respondent Dana Maxwell Shipp, M.D. (Respondent) is represented in this  
27 proceeding by attorneys Scott D. Buchholz, Esq. and Christopher M. Freistedt, Esq., whose  
28 address is: Dummit, Buchholz & Trapp, 101 W. Broadway, Suite 1400, San Diego, CA, 92101.

3. On or about May 1, 1998, the Board issued Physician's and Surgeon's Certificate No. A 65056 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2017-029759, and will expire on March 31, 2022, unless renewed.

## JURISDICTION

4. Accusation No. 800-2017-029759 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on January 27, 2020. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A true and correct copy of Accusation No. 800-2017-029759 is attached as Exhibit A and incorporated herein by reference.

## ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2017-029759. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

## CULPABILITY

9. Respondent does not contest that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations contained in Accusation No. 800-2017-029759, and Respondent hereby gives up his right to contest those charges.

1 Respondent further agrees that he has thereby subjected his Physician's and Surgeon's Certificate  
2 No. A 65056 to disciplinary action.

3 10. Respondent further agrees that if an accusation is filed against him by the Board in  
4 the future, all of the charges and allegations contained in Accusation No. 800-2017-029759, shall  
5 be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or  
6 any other licensing proceeding involving Respondent in the State of California.

7 11. Respondent agrees that his Physician's and Surgeon's Certificate No. A 65056 is  
8 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth  
9 in the Disciplinary Order below.

### 10 CONTINGENCY

11 12. This stipulation shall be subject to approval by the Medical Board of California.  
12 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
13 Board of California may communicate directly with the Board regarding this stipulation and  
14 settlement, without notice to or participation by Respondent or his counsel. By signing the  
15 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
16 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
17 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
18 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
19 action between the parties, and the Board shall not be disqualified from further action by having  
20 considered this matter.

21 13. The parties understand and agree that Portable Document Format (PDF) and facsimile  
22 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
23 signatures thereto, shall have the same force and effect as the originals.

24 14. In consideration of the foregoing admissions and stipulations, the parties agree that  
25 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
26 enter the following Disciplinary Order:

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code, states, in pertinent part:

10 The board shall take action against any licensee who is charged with  
11 unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

12 ...

13 (b) Gross negligence.

14 ...

15 **FIRST CAUSE FOR DISCIPLINE**

16 **(Gross Negligence)**

17 6. Respondent has subjected his Physician's and Surgeon's Certificate No. A 65056 to  
18 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of  
19 the Code, in that he was grossly negligent in his care and treatment of Patient A,<sup>1</sup> as more  
20 particularly alleged hereinafter:

21 7. On or about December 31, 2015, at approximately 3:20 a.m., Patient A presented to  
22 Labor and Delivery at Sharp Mary Birch Hospital with a desire to deliver her baby vaginally after  
23 a prior cesarean section (c-section). Patient A had no prior history of kidney disease.

24 8. After laboring for several hours without successfully achieving a vaginal delivery, at  
25 approximately 8:31 p.m., Respondent performed a repeat c-section on Patient A.

26 ///

27 \_\_\_\_\_  
28 <sup>1</sup> To protect the privacy of the patient involved, the patient's name has not been included in this  
pleading. Respondent is aware of the identity of the patient referred to herein.

1           9.     Postoperatively, despite massage and medication, Patient A developed a postpartum  
2 hemorrhage. At approximately 12:29 a.m. the next morning, Respondent ordered the placement  
3 of a Bakri Balloon,<sup>2</sup> which was performed by another physician who had experience with this  
4 device.

5           10.    After placement of the Bakri Balloon, Patient A's hemoglobin and hemocrit (H/H)  
6 levels did not markedly improve despite her continued receipt of blood products and no additional  
7 vaginal bleeding. At approximately 3:45 a.m., the patient was transferred to the intensive care  
8 unit.

9           11.    At approximately 6:26 a.m., Patient A was hypotensive, pale, cool with mottled  
10 extremities, and had an abdominal pressure of 27. Despite her lack of improvement, Respondent  
11 did not order diagnostic testing, and decided to wait to allow Patient A's blood loss and  
12 transfusions to "sort itself out."

13          12.    At approximately 6:40 a.m., a pulmonary / critical care specialist was called STAT to  
14 the patient's bedside. He discussed the case with Respondent, who was still not concerned with  
15 uterine rupture at that time. After evaluating the patient, the specialist diagnosed Patient A with  
16 hemorrhagic shock secondary to uterine bleeding from uterine atonia. The plan at that time was  
17 to continue with blood products and monitoring the patient's CBC, platelets, INR and  
18 electrolytes.

19          13.    At approximately 8:30 a.m., Respondent went off duty and transferred the care of  
20 Patient A to another OBGYN. Over the course of the next several hours, Patient A's H/H levels  
21 continued to decline to critical values, her urine output slowed, she became tachycardic,  
22 hypotensive, and complained of shortness of breath. At approximately 1:59 p.m., an ultrasound  
23 revealed free fluid in the patient's abdomen and she was subsequently and urgently taken for an  
24 exploratory laparotomy, during which a significant hemoperitoneum was evacuated in excess of 3  
25 liters, and a posterior uterine rupture was identified.

26    ///

27  
28                 <sup>2</sup> A Bakri Balloon is a medical device used to provide temporary control or reduction of  
postpartum uterine bleeding.

14. Respondent committed gross negligence in his care and treatment of Patient A by failing to properly respond to the patient's clinical and laboratory indications of ongoing postoperative bleeding.

**PRAYER**

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate No. A 65056, issued to Respondent, Dana Maxwell Shipp, M.D.;

2. Revoking, suspending or denying approval of Respondent Dana Maxwell Shipp, M.D.'s authority to supervise physician assistants and advanced practice nurses;

3. Ordering Respondent Dana Maxwell Shipp, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
