**PROPOSED DECISION**

Jill Schlichtmann, Presiding Administrative Law Judge, State of California, Office of Administrative Hearings, heard this matter on March 4, 2021, by videoconference.

Deputy Attorney General Carlyne Evans, represented complainant William Prasifka, Executive Director of the Medical Board of California.

Respondent Edward Michael Outlaw, M.D., appeared and represented himself.

The matter was submitted for decision on March 4, 2021.

## **FACTUAL FINDINGS**

### **Background**

1. The Medical Board of California (Board) issued Physician's and Surgeon's Certificate No. C 152719 to Michael Edward Outlaw, M.D. (respondent), on November 15, 2017. The certificate is renewed and current with an expiration date of April 30, 2021.

2. On July 28, 2020, complainant William Prasifka, acting in his official capacity as Executive Director of the Board, issued an accusation against respondent. It alleges that respondent's certificate is subject to discipline as a result of disciplinary action taken against his privileges to practice medicine by the Board of Medical Examiners of the State of Nevada (Nevada Board) in 2019. The Nevada Board also imposed discipline on respondent's license in 2012, which is considered only in assessing the appropriate level of discipline to impose in this proceeding.

3. Respondent was licensed as a physician by the Nevada Board on September 8, 2003. Respondent is board certified by the American Board of Physical Medicine and Rehabilitation. Between October 1, 2006, and May 19, 2009, respondent had a private practice focused on pain management located in Las Vegas, Nevada.

### **2012 Disciplinary Action by Nevada Medical Board**

4. In 2010, respondent closed his private practice. He had taken out a loan to start his practice, which he was unable to repay, causing a civil suit to be initiated against him. Respondent had numerous patient medical records stored in his home in Las Vegas when foreclosure proceedings were instituted and he left the home without properly storing or disposing of the patient records.

5. On October 27, 2010, the Nevada Board discovered that respondent had abandoned the patient medical records in the foreclosed, bank-owned property. The records included patient charts, patient identification and demographics, medical histories, charts and films. On July 12, 2011, the Investigative Committee of the Nevada Board filed a complaint against respondent for failing to maintain, timely, legible, accurate and complete medical records (Count I) and for the willful abandonment of medical records (Count II).

6. On March 12, 2012, respondent entered into a Settlement, Waiver and Consent Agreement (consent agreement) with the Nevada Board. Pursuant to the consent agreement, the Nevada Board issued a public reprimand against respondent, and assessed a fine of \$2,500. As part of the settlement the Nevada Board agreed to dismiss Count I.

7. Respondent fully complied with the terms of the consent agreement. Respondent reported this disciplinary action when he applied for his California certificate.

### **2019 Disciplinary Action by Nevada Medical Board**

8. On March 19, 2019, the Investigative Committee of the Nevada Board filed two complaints against respondent. The allegations contained in the first complaint (Complaint 1) were that respondent had failed to comply with a lawful order of the Investigative Committee; had failed to notify the Nevada Board of his change in permanent address; and had engaged in disreputable conduct.

9. The second complaint (Complaint 2) alleged that respondent had failed to perform a statutory obligation; engaged in conduct that violated the Nevada

Pharmacy Board regulations; failed to comply with a lawful order of the Investigative Committee; and engaged in disreputable conduct.

10. The Investigative Committee filed a third complaint (Complaint 3) against respondent on November 13, 2019. This complaint alleged that respondent had violated the standards of practice and had failed to maintain proper medical records.

### **COMPLAINT 1**

11. The factual allegations underlying Complaint 1 include respondent's failure to comply with court orders, culminating on May 19, 2015, with a warrant being issued for respondent's arrest by the Eighth Judicial District Court of Clark County, Nevada. The lawsuit was initiated to collect a judgment of \$80,504.49, plus interest and fees, owed by respondent to Bankers Healthcare Group, Inc. The court determined that respondent had violated various orders of the court, including failing to abide by an order to show cause filed April 9, 2015. Based on respondent's contempt, the court issued an arrest warrant for respondent. As of March 19, 2019, the date Complaint 1 was filed, the arrest warrant remained outstanding.

12. Also underlying Complaint 1 was the allegation that respondent failed to keep his address current with the Nevada Board, resulting in his failure to respond to various Nevada Board orders. On July 17, 2015, respondent filed a Notification of Address Change with the Nevada Board identifying an address in Las Vegas as his mailing address. In 2016, respondent moved to California; when he moved, he filed a change of address with the post office, but failed to notify the Nevada Board of his new address.

13. On March 15, 2017, the Nevada Board Investigative Committee ordered respondent to appear to testify regarding an ongoing investigation on May 19, 2017.

On March 30, 2017, the Order to Appear was returned to the Investigative Committee, marked return to sender and unable to forward. Respondent did not appear at the Investigative Committee meeting on May 19, 2017, as ordered.

14. On June 7, 2017, respondent filed a renewal application wherein he applied for inactive status and provided his California address.

## **COMPLAINT 2**

15. The factual allegations underlying Complaint 2 involved respondent's abandonment of property in a storage unit in 2016. On May 22, 2010, respondent signed a storage unit rental agreement at Life Storage in Las Vegas. The monthly storage fees were paid from a bank account he kept open for this purpose.

16. On September 4, 2016, the funds in the bank account having been depleted, the fees for the storage unit were unpaid. A lien sale notice was mailed to respondent by the proprietor of Life Storage on November 18, 2016; however, respondent had failed to provide his new address to Life Storage.

17. On June 5, 2017, the Nevada Board was notified that medical records, including patient charts, demographics, medical histories, charts, films and other items, which contained patient identifying information, and for which respondent was responsible, had been abandoned in the Life Storage unit.

18. On June 19, 2017, Nevada Board staff conducted an on-site inspection of the Life Storage unit. The inspection revealed multiple large boxes containing hundreds of patient records, four unlocked filing cabinets, office supplies and a blank prescription pad. Nevada Board staff contacted respondent by telephone and asked him to take immediate possession of the records and/or properly destroy the files that

no longer needed to be retained. Respondent, who was ill at the time, stated that he had thought his mother had taken care of the records; he agreed to make arrangements to destroy the records as he no longer resided in Nevada.

19. On June 20, 2017, the Investigative Committee ordered respondent to produce information concerning the abandoned records.

20. On July 14, 2017, Nevada Board staff returned to reinspect the storage unit. They discovered the medical records remained in the unit. In addition, they discovered an unlocked cabinet contained 10 ampules of fentanyl, 19 ampules of naloxone, five patches of fentanyl, one patch of lidocaine, five sample packs of Celebrex, one bottle of Lyrica, and one bottle of Ultram, among other drugs and devices. The drugs had expired between 2009 and 2011.

21. On July 31 and August 17, 2017, the Investigative Committee ordered respondent to produce records and respond to the allegations concerning the abandoned contents of the storage unit. Respondent did not respond.

### **COMPLAINT 3**

22. In Complaint 3, the Board alleged that respondent had violated the standard of practice adopted by reference to the Model Policy on the Use of Opioid Analgesics in the Treatment of Chronic Pain, and failed to maintain complete medical records relating to the diagnosis, treatment and care of Patient A by failing to document his actions and treatment.

### **SETTLEMENT AGREEMENT**

23. Respondent entered into a settlement agreement with the Investigative Committee, which was adopted by the Nevada Board on December 6, 2019. As part of

the settlement agreement, respondent admitted to all of the allegations contained in Complaint 1, all of the allegations in Complaint 2 and that he had failed to maintain proper medical records as alleged in Complaint 3. Respondent did not admit to the allegation in Complaint 3 that he had violated the standard of practice.

24. Pursuant to the settlement agreement, respondent's Nevada license was placed on probation for a period of five years beginning on December 6, 2019. The terms of probation required respondent to: a) perform 100 hours of community services related to the provision of medical care to the poor or indigent; b) pay a fine of \$4,000 within two years; c) pay the costs of investigation and prosecution in the amount of \$8,777.84 within two years; d) complete 20 hours of in-person continuing medical education focused on prescribing controlled substances; e) comply with all court orders and complete terms of sanctions imposed on him; and f) not supervise physician assistants. Respondent also received a public reprimand.

### **Respondent's Evidence**

25. Respondent reports that he did not realize that the storage unit contained controlled substances or dangerous drugs. He states that he believed his mother had properly disposed of the medical records, controlled substances and dangerous drugs while he was incapacitated by medical issues; however, he acknowledges that this was his responsibility.

26. Respondent further reports that he was unaware that the bank account used to pay the storage unit fees became depleted of funds, or that a lien sale had been scheduled.

27. Respondent acknowledges that he failed to notify the Nevada Board of his new address when he moved to California in 2016. He provided that address on

June 7, 2017, when he renewed his license in inactive status. Respondent notes that he maintained the same telephone number and email address that the Nevada Board had on record. Respondent provided no explanation for failing to respond to the Nevada Board's requests after they contacted him in June 2017 by telephone concerning the contents of the storage unit. Nor did he explain his failure to respond to the Nevada Board orders on July 31 and August 17, 2017.

28. Respondent states that he did not receive the notices from the civil court concerning the lawsuit for failing to pay his business loan and was unaware a bench warrant had issued. He reports that he later hired an attorney to take care of the outstanding warrant and order to show cause.

29. Respondent is in compliance with the 2019 Nevada Board settlement agreement. He completed 100 hours of community service before the COVID-19 pandemic occurred. He has also completed the required 20 hours of continuing education. Respondent is making timely monthly payments on the fines and costs, with the exception of missing a payment while he was recently hospitalized.

30. Respondent was sincere in expressing his love for the medical profession. He had wanted to become a physician since he was a child. He is proud of his accomplishments and of the care he provided to his patients. Respondent claims that he did not intend to ignore the civil court or Nevada Board orders.

31. After receiving his California certificate, respondent worked for a few months as a pain management physician in this state. In early 2018, he was employed by Apex Medical Group in Los Banos for two to three months. He reports that Apex laid him off due to a lack of funds. In 2019, respondent was employed by LAGS Spine

& Sportscare in Modesto and Merced. Respondent was let go after one month because he was not productive enough due to his health problems.

32. Respondent's mother, Irene Outlaw, testified with candor and credibility at hearing. She acknowledges that when respondent closed his practice, he should have been more careful with the patients' records. She believes respondent opened a private practice too soon, without guidance or mentors, and became overwhelmed with debt. Ms. Outlaw has been paying off respondent's business debt; she believes they still owe approximately \$12,000.

33. In 2016, respondent experienced serious medical issues including blood clots in his legs and heart disease. His mother was worried about his health and she moved him back to California. She emptied his home and put some of his belongings in the storage unit. Respondent underwent open heart surgery and the family was focused on respondent's health and failed to properly handle his affairs.

34. In October 2020, respondent suffered a significant intracranial hemorrhage. He was initially treated in the intensive care unit, and remained hospitalized for three months. The right side of his cranium was removed to allow doctors to remove blood clots, and was subsequently replaced. Respondent was discharged from the hospital one month before hearing. His mother serves as his primary caregiver. Respondent remains unable to walk, has difficulty speaking clearly, is weak on his left side, and has a device that pumps his blood through his body. Respondent and his mother hope that he will be able to overcome his current impairment and return to the practice of medicine. Respondent acknowledges that at present he is unable to practice medicine due to his impairment.

## **LEGAL CONCLUSIONS**

### **The Burden and Standard of Proof**

1. The burden of proof in this matter is on the Board and the standard of proof is clear and convincing evidence. (*Ettinger v. Bd. of Medical Quality Assurance* (1982) 135 Cal.App.3d 853.)

### **Cause for Discipline**

2. Business and Professions Code section 141, subdivision (a), provides that disciplinary action by another state or any agency of the federal government, for any act substantially related to the practice regulated by the California license may be a ground for disciplinary action. Complainant seeks to impose discipline on respondent's certificate based on the discipline imposed by the Nevada Board in 2019. The facts underlying that discipline were substantially related to the practice of medicine. Cause for discipline exists pursuant to Business and Professions Code section 141, subdivision (a), by reason of the matters set forth in Factual Findings 8 through 24.

3. Business and Professions Code section 2305 provides that discipline imposed by another state or any agency of the federal government on a license to practice medicine, for conduct that would have been grounds for discipline in California, constitutes grounds for discipline for unprofessional conduct. The action taken by the Nevada Board was based on conduct that would have been grounds for discipline in California. Cause therefore exists under Business and Professions Code section 2305 to take disciplinary action against respondent's license, by reason of the matters set forth in Factual Findings 8 through 24.

## **Disciplinary Considerations**

4. Cause for discipline having been established, the issue is the appropriate level of discipline to impose. It is respondent's burden to demonstrate that he is sufficiently rehabilitated so that it would not be contrary to the public interest to allow him to continue to practice medicine in California.

It is acknowledged that respondent has experienced serious health problems since 2016 that have undoubtedly impacted his actions. He is commended for complying with the 2012 consent agreement and the 2019 settlement agreement. In addition, with the assistance of his family, he is making payments on the debt he owes as a result of the civil action taken on his loan default.

5. However, respondent has been disciplined twice by the Nevada Board, and the underlying misconduct has demonstrated a careless and indifferent attitude toward the Nevada Board, and the obligations he owes to his patients and the public. Respondent failed in both 2010 and 2016 to safeguard or properly destroy hundreds of patient records that included private information. In 2010, the records were abandoned in a home under foreclosure; in 2016, they were abandoned in a storage unit that respondent failed to maintain. In 2016, a prescription pad and numerous controlled substances were also discovered unsecured in the abandoned storage unit. When contacted by the Nevada Board staff regarding the discovery, inexplicably, respondent failed to immediately take custody of the property or to respond to subsequent Nevada Board orders for information. Added to this misconduct is respondent's failure to keep his address current with the Nevada Board and his apparent disregard of the debt he owed and subsequent civil action, resulting in a finding of contempt and an arrest warrant being issued, which remained unresolved

for more than three years. The Nevada Board justifiably found this conduct to be disreputable.

Respondent's repeated misconduct, and his recent stroke and level of impairment, raise serious questions about his ability to practice safely and his ability to comply with a probationary grant. While respondent appeared sincere in his desire to overcome his medical impairment and to return to a profession he loves, he did not provide sufficient evidence of rehabilitation, or of the ability to comply with probation terms, to justify allowing him to maintain his certificate at this time. Revocation of respondent's certificate is necessary to protect the public.

### **ORDER**

Physician's and Surgeon's Certificate No. C 152719, issued to respondent Edward Michael Outlaw, M.D., is revoked.

**JURISDICTION**

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice <sup>Act</sup> may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

6. 7. Section 141 of the Code provides:

(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a

1 disciplinary action taken against the licensee by another state, an agency of the federal  
2 government or another country.

3 **CAUSE FOR DISCIPLINE**

4 **(Discipline, Restriction, or Limitation Imposed by Another State)**

5 8. On December 6, 2019, the Nevada State Board of Medical Examiners (Nevada  
6 Board) issued a Settlement Agreement (Settlement Agreement), attached herewith as Exhibit 1,  
7 regarding Respondent's license to practice medicine in Nevada. The Settlement Agreement states  
8 that Respondent subjected his medical license to discipline because he: (1) failed to comply with  
9 a Nevada Board order to appear before the Nevada Board; (2) failed to timely notify the Nevada  
10 Board of a change of permanent address; (3) engaged in disreputable conduct in that he was  
11 found to be in contempt of a Nevada court order and had a warrant out for his arrest in Nevada  
12 that he failed to resolve for several years; (4) failed to properly destroy patient medical records;  
13 (5) abandoned controlled substances, including dangerous drugs, in a storage unit; (6) failed to  
14 comply with a Nevada Board order regarding an investigation and failed to cooperate with the  
15 investigation; (7) engaged in disreputable conduct in that he violated numerous board orders and  
16 abandoned patient medical records and controlled substances and dangerous drugs; and (8) failed  
17 to maintain proper medical records.

18 As a result of Respondent's unprofessional conduct, the Nevada Board placed Respondent  
19 on probation for 5 years, and it further ordered that Respondent complete 100 hours of  
20 community service; pay a \$4000.00 fine, and complete 20 hours of continuing medical education  
21 in prescribing controlled substances. (Exhibit 1).

22 9. Respondent's foregoing conduct and the actions of the Nevada Board, as set forth in  
23 paragraph 8, above, and Exhibit 1, attached, constitute cause for discipline, pursuant to section  
24 2234 and/or section 2305 and/or section 141 of the Code.

6 Board for consideration in open session at a duly noticed and scheduled meeting. Respondent  
7 understands that the IC shall advocate for the Board's approval of this Agreement, but that the  
8 Board has the right to decide in its own discretion whether or not to approve this Agreement.  
9 Respondent further understands and agrees that if the Board approves this Agreement, then the  
10 terms and conditions enumerated below shall be binding and enforceable upon him and the Board.

11 **B. Terms & Conditions**

12 **NOW, THEREFORE**, in order to resolve the matters addressed herein, i.e., the matters  
13 with regard to the Complaints, Respondent and the IC hereby agree to the following terms and  
14 conditions:

15 1. **Jurisdiction.** Respondent was all times relevant to the Complaints a physician  
16 licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set forth in the  
17 Medical Practice Act.

18 2. **Representation by Counsel/Knowing, Willing and Intelligent Agreement.**  
19 Respondent acknowledges he is represented by counsel, and wishes to resolve the matters  
20 addressed herein with said counsel. Respondent agrees that if representation by counsel in this  
21 matter materially changes prior to entering into this Agreement and for the duration of this  
22 Agreement, that counsel for the IC will be timely notified of the material change. Respondent  
23 agrees that he knowingly, willingly and intelligently enters into this Agreement after deciding to  
24 have a full consultation with and upon the advice of legal counsel.

25 3. **Waiver of Rights.** In connection with this Agreement, and the associated terms  
26 and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection  
27 with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives  
28 all rights arising under the United States Constitution, the Nevada Constitution, the Medical

1 Practice Act, the OML, the APA, and any other legal rights that may be available to him or that  
2 may apply to him in connection with the administrative proceedings resulting from the Complaints  
3 filed in this matter, including defense of the Complaints, adjudication of the allegations set forth in  
4 the Complaints, and imposition of any disciplinary actions or sanctions ordered by the Board.  
5 Respondent agrees to settle and resolve the allegations of the Complaints as set out by this  
6 Agreement, without a hearing or any further proceedings and without the right to judicial review.

7       4.     Acknowledgement of Reasonable Basis to Proceed. As of the time of entering  
8 into this Settlement Agreement, the allegations of the Complaints remain unproven. Respondent  
9 acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in  
10 conduct that is grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges  
11 Respondent is not admitting that the IC's claims/counts as alleged in the Complaints have merit  
12 and Respondent is agreeing to resolve this matter to avoid the costs of hearing and potential  
13 subsequent litigation. Respondent asserts if this matter were to proceed to hearing, he has  
14 evidence, witnesses, expert witness(es) and defenses to the counts/claims alleged in the  
15 Complaints, but for the purposes of resolving the matter and for no other purpose, Respondent  
16 waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to  
17 effectuate this Agreement.

18       5.     Consent to Entry of Order. In order to resolve the Complaints pending against  
19 Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent  
20 engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly,  
21 the following terms and conditions are hereby agreed upon:

22       a.     Respondent admits to all Counts, I through III, of Complaint 1; Respondent admits  
23 to all Counts, I through IV, of Complaint 2; Respondent admits to Count II of Complaint 3;

24       b.     Respondent's license to practice medicine in the State of Nevada shall be placed on  
25 probation for a period of five (5) years from the date of the Board's acceptance, adoption and  
26 approval of this Agreement (Probationary Period). During the Probationary Period, Respondent's  
27 license shall be subject to revocation for noncompliance with this Agreement as provided herein.

28 Respondent shall complete the following terms and conditions and demonstrate compliance to the

(775) 688-2559

1 good faith satisfaction of the Board within the Probationary Period. If Respondent fails to  
2 demonstrate compliance with the terms and conditions of this Agreement, or otherwise violates  
3 the terms of this Agreement or the Medical Practice Act, then the IC shall be authorized to  
4 immediately suspend Respondent's license to practice medicine in Nevada, pending a duly noticed  
5 Order To Show Cause Hearing to take place before a duly appointed Hearing Officer within sixty  
6 (60) days of the suspension. The Hearing shall be conducted pursuant to NRS 622A.300(4)-(5),  
7 the Hearing Officer shall prepare written findings and recommendations and serve the findings  
8 and recommendations on the Respondent and Board within sixty (60) days, and the Board shall  
9 review the case and render its final determination at the next regularly scheduled quarterly Board  
10 meeting that the matter can be properly noticed in accord with Nevada law. If a violation of this  
11 Agreement or the Medical Practice Act is proved, then pursuant to the express terms of this  
12 Agreement, the probation shall be rescinded, and Respondent's license shall be revoked. In such  
13 case, pursuant to NRS 622A.410(1), Respondent may not apply for reinstatement of his medical  
14 license for a period of five (5) years from the date of the Board's final order of revocation. If  
15 Respondent successfully completes the Probationary Period, demonstrates compliance with the  
16 terms and conditions of this Agreement, and otherwise fulfills all terms of this Agreement, and  
17 does not otherwise commit any new violations of the Medical Practice Act, then, at that time, the  
18 order of probation shall be terminated. The following terms and conditions shall apply during  
19 Respondent's Probationary Period:

- 20 (1) Respondent shall perform one hundred (100) hours of community service, without  
21 compensation, related to the provision of medical care to the poor or indigent. The  
22 community service shall be completed within one hundred eighty (180) days of the  
23 Board's acceptance, adoption and approval of this Agreement. The community service  
24 shall be performed at the direction of a recognized not-for-profit organization, and  
25 proof of completion from said organization shall be provided to the satisfaction of the  
26 Board within ninety (90) days of their completion;
- 27 (2) Respondent shall pay a fine of \$500 per count admitted to hereby, consisting of  
28 eight (8) counts, for a total of \$4,000, within two (2) years of the Board's acceptance,

1 adoption and approval of this Agreement. The foregoing fine shall be paid in twenty-  
2 four (24) equal monthly installments of \$166.66, the first payment to be made on or  
3 before December 31, 2019;

4 (3) Respondent shall pay the costs and expenses incurred in the investigation and  
5 prosecution of the above-referenced matter within two (2) years of the Board's  
6 acceptance, adoption and approval of this Agreement, the current amount being  
7 \$8,777.84, not including any costs that may be necessary to finalize this Agreement.  
8 The foregoing costs shall be paid in twenty-four (24) equal monthly installments of  
9 \$365.75, the first payment to be made on or before December 31, 2019;

10 (4) Respondent shall complete twenty (20) hours of live, in-person and comprehensive  
11 continuing medical education (CME) focused specifically on best practices in the  
12 prescribing of controlled substances within six (6) months of the date of the Board's  
13 acceptance, adoption and approval of this Agreement. The aforementioned hours of  
14 CME shall be in addition to any CME requirements that are regularly imposed upon  
15 Respondent as a condition of licensure in the State of Nevada and shall be approved by  
16 the Board to meet this requirement prior to their completion, and proof of completion  
17 shall be provided to the Board within ninety (90) days of their completion;

18 (5) Respondent shall comply with all court orders and complete all conditions or terms of  
19 sanctions imposed on him by the courts of the State of Nevada, specifically including  
20 but not limited to those of the Eighth Judicial District Court of Clark County, Nevada,  
21 in Case No. A-13-683202-F. Respondent shall provide proof of compliance with this  
22 term upon request of the Board and to the satisfaction of the Board;

23 (6) Respondent shall not supervise or formally agree to supervise any physician assistant  
24 in the State of Nevada, and shall not formally agree to supervise or enter into a  
25 collaboration agreement with an advanced practice registered nurse in the State of  
26 Nevada.

27 c. This Agreement shall be reported to the appropriate entities and parties as required  
28 by law, including, but not limited to, the National Practitioner Data Bank.

1 d. Respondent shall receive a Public Letter of Reprimand.

2 e. All other claims or issues arising from the Complaints shall be dismissed with  
3 prejudice.

4 6. Release From Liability. In execution of this Agreement, Respondent understands  
5 and agrees that the State of Nevada, the Board, and each of its members, staff, counsel,  
6 investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents  
7 are immune from civil liability for any decision or action taken in good faith in response to  
8 information acquired by the Board. NRS 630.364(2)(a). Respondent agrees to release the State of  
9 Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers,  
10 committees, panels, hearing officers, consultants and agents from any and all manner of actions,  
11 causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and  
12 unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against  
13 any or all of the persons, government agencies or entities named in this paragraph arising out of,  
14 or by reason of, this investigation, this Agreement or the administration of the case referenced  
15 herein.

16 7. Procedure for Adoption of Agreement. The IC and counsel for the IC shall  
17 recommend approval and adoption of the terms and conditions of this Agreement by the Board in  
18 resolution of the Complaints. In the course of seeking Board acceptance, approval and adoption  
19 of this Agreement, counsel for the IC may communicate directly with the Board staff and the  
20 adjudicating members of the Board.

21 Respondent acknowledges that such contacts and communications may be made or  
22 conducted ex parte, without notice or opportunity to be heard on his part until the public Board  
23 meeting where this Agreement is discussed, and that such contacts and communications may  
24 include, but may not be limited to, matters concerning this Agreement, the Complaints and any  
25 and all information of every nature whatsoever related to this matter. The IC and its counsel agree  
26 that Respondent and/or his counsel may appear at the Board meeting where this Agreement is  
27 discussed and, if requested, respond to any questions that may be addressed to the IC or the IC's  
28 counsel.

1           8.     Effect of Acceptance of Agreement by Board. In the event the Board accepts,  
2 approves and adopts this Agreement, the Board shall issue a final order, making this Agreement  
3 an order of the Board, and, pending full compliance with the terms herein, the case shall be closed  
4 and the remaining counts of the Complaints, if any, shall be dismissed with prejudice.

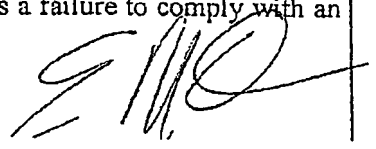

5           9.     Effect of Rejection of Agreement by Board. In the event the Board does not  
6 accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and  
7 effect except as to the following agreement regarding adjudications: (1) Respondent agrees that,  
8 notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement  
9 and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this  
10 Agreement shall disqualify any member of the adjudicating panel of the Board from considering  
11 the Complaints and from participating in disciplinary proceedings against Respondent, including  
12 adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any  
13 such member absent evidence of bad faith.

14           10.   Binding Effect. If approved by the Board, Respondent understands that this  
15 Agreement is a binding and enforceable contract upon Respondent and the Board.

16           11.   Forum Selection Clause. The parties agree that in the event either party is  
17 required to seek enforcement of this Agreement in district court, the parties consent to such  
18 jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court,  
19 State of Nevada, Washoe County.

20           12.   Attorneys' Fees and Costs. The parties agree that in the event an action is  
21 commenced in district court to enforce any provision of this Agreement, the prevailing party shall  
22 be entitled to recover reasonable attorneys' fees and costs.

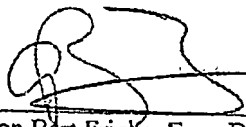

23           13.   Failure to Comply With Terms. Should Respondent fail to comply with any term  
24 or condition of this Agreement once the Agreement has been accepted, approved and adopted by  
25 the Board, the IC shall be authorized to immediately suspend Respondent's license to practice  
26 medicine in Nevada pending an Order To Show Cause Hearing on immediate revocation of his  
27 license, which will be duly noticed. Failure to comply with the terms of this Agreement, including  
28 failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an

1 order of the Board, which may result in additional disciplinary action being taken against  
2 Respondent. NRS 630.3065(2)(a). Further, Respondent's failure to remit payment to the Board  
3 for monies agreed to be paid as a condition of this Agreement may subject Respondent to civil  
4 collection efforts.

COMPLAINT

The Investigative Committee<sup>1</sup> (IC) of the Nevada State Board of Medical Examiners (Board) hereby issues this formal Complaint (Complaint) against Edward Michael Outlaw, M.D. (Respondent), a physician licensed in Nevada. After investigating this matter, the IC has a reasonable basis to believe that Respondent has violated provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act). The IC alleges the following facts:

1. Respondent is, and was at all times relevant to this case, a physician licensed to practice medicine in the State of Nevada (License No. 10630). His license was originally issued by the Board on September 8, 2003.

2. On or about May 19, 2015, a warrant for the arrest of Respondent was issued by the Eighth Judicial District Court of Clark County, Nevada, in Case No. A-13-683202-F (Civil Case). The Civil Case is a lawsuit to collect on a judgment of \$80,504.49, plus interest and fees, owed by Respondent to Bankers Healthcare Group, Inc. The court in the Civil Case determined that Respondent had "violated various Orders of this Court, including his failure to abide by the Court's Amended Order to Show Cause filed April 9, 2015 and has otherwise been found to be in contempt," and the court therefore ordered Respondent to be arrested by any available sheriff, marshal, or other peace officer in Nevada. As of the time of this Complaint, the warrant for the

<sup>1</sup> The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), at the time this formal Complaint was authorized for filing, was composed of Board members Wayne Hardwick, M.D., Chairman, Theodore B. Berndt, M.D., and Mr. M. Neil Duxbury.

1 arrest of Respondent is still outstanding, and the judgment remains unsatisfied.

2 3. On July 17, 2015, Respondent filed a Notification of Address Change with the  
3 Board, pursuant to NRS 630.254, instructing the Board to address all communications from the  
4 Board to the licensee at 601 S. Rancho Road, Suite A3, Las Vegas, NV 89106.

5 4. On or about October 31, 2016, Respondent's Controlled Substance License with  
6 the Nevada State Board of Pharmacy expired.

7 5. On March 15, 2017, pursuant to NRS 630.311(1), the Investigative Committee (IC)  
8 of the Board ordered Respondent to appear before it to give testimony regarding an ongoing  
9 investigation on Friday, May 19, 2017 (IC Order to Appear). The IC Order to Appear was sent  
10 via certified mail to 601 S. Rancho Rd., Suite A3, Las Vegas, NV 89106, as previously instructed  
11 by Respondent.

12 6. On March 30, 2017, the IC Order to Appear was returned to the IC marked "Return  
13 to Sender, Not Deliverable as Addressed Unable to Forward."

14 7. Respondent did not appear at the May 19, 2017 meeting of the IC as ordered.

15 8. On June 7, 2017, Respondent filed with the Board a Renewal Application, wherein  
16 he applied to renew his license in "Inactive" status, paid the applicable fee, and informed the  
17 Board that his new address was 10926 Merritt Drive, Stockton, CA 95219.

18 9. On or about November 15, 2017, the California Medical Board issued a license to  
19 Respondent, which license is currently active.

20 COUNT I

21 NRS 630.3065(2)(a)

22 (Failing to Comply With a Lawful Order of the Investigative Committee)

23 10. All of the allegations in the above paragraphs are hereby incorporated by reference  
24 as though fully set forth herein.

25 11. NRS 630.3065(2)(a) provides that knowingly or willfully failing to comply with an  
26 order of a committee designated by the Board to investigate a complaint against a physician, i.e.,  
27 the IC, is grounds for initiating disciplinary action.

28 12. Respondent knowingly and willfully failed to comply with the IC Order to Appear.

13. By reason of the foregoing, Respondent is subject to discipline by the Nevada State Board of Medical Examiners as provided in NRS 630.352.

**COUNT II**

**NRS 630.306(1)(j)**

**(Failing to Timely Notify the Board of a Change of Permanent Address)**

14. All of the allegations in the above paragraphs are hereby incorporated by reference as though fully set forth herein.

15. NRS 630.306(1)(j) provides that failing to comply with the requirements of NRS 630.254 is grounds for initiating disciplinary action.

16. NRS 630.254 provides, in pertinent part:

Each licensee shall maintain a permanent mailing address with the Board to which all communications from the Board to the licensee must be sent. A licensee who changes his or her permanent mailing address shall notify the Board in writing of the new permanent mailing address within 30 days after the change. If a licensee fails to notify the Board in writing of a change in his or her permanent mailing address within 30 days after the change, the Board:

- (a) May impose upon the licensee a fine not to exceed \$250; and
- (b) May initiate disciplinary action against the licensee as provided pursuant to paragraph (j) of subsection 1 of NRS 630.306.

17. Respondent violated NRS 630.254 by failing to notify the Board of his new permanent mailing address within 30 days of him changing it.

18. By reason of the foregoing, Respondent is subject to discipline by the Nevada State Board of Medical Examiners as provided in NRS 630.352.

**COUNT III**

**NRS 630.301(9) (Disreputable Conduct)**

19. All of the allegations in the above paragraphs are hereby incorporated by reference as though fully set forth herein.

20. NRS 630.301(9) provides that engaging in conduct that brings the medical profession into disrepute is grounds for initiating disciplinary action.

21. Respondent's conduct, including, but not limited to, violating numerous orders of the Eighth Judicial District Court of Nevada, being found in contempt of that court and having an

1 outstanding warrant issued for Respondent's arrest in the state, failing for more than three years  
2 not only to resolve the arrest warrant but also to answer for the judgment for unpaid debt, and  
3 absconding from the state to avoid the foregoing, is conduct that brings the medical profession  
4 into disrepute.

5 22. By reason of the foregoing, Respondent is subject to discipline by the Nevada State  
6 Board of Medical Examiners as provided in NRS 630.352.

7 **WHEREFORE**, the Investigative Committee prays:

8 1. That the Board give Respondent notice of the charges herein and give notice that  
9 an answer to the Complaint herein may be filed as set forth in NRS 630.339(2) within twenty (20)  
10 days of service of the Complaint;

11 2. That the Board set a time and place for a formal hearing after holding an Early  
12 Case Conference pursuant to NRS 630.339(3);

13 3. That the Board determine what sanctions to impose if it determines there has been  
14 a violation or violations of the Medical Practice Act committed by Respondent;

15 4. That the Board make, issue and serve on Respondent its findings of fact,  
16 conclusions of law and order, in writing, that includes the sanctions imposed; and

17 5. That the Board take such other and further action as may be just and proper in these  
18 premises.

COMPLAINT

The Investigative Committee<sup>1</sup> (IC) of the Nevada State Board of Medical Examiners (Board) hereby issues this formal Complaint (Complaint) against Edward Michael Outlaw, M.D. (Respondent), a physician licensed in Nevada. After investigating this matter, the IC has a reasonable basis to believe that Respondent has violated provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act, or MPA). The IC alleges the following facts:

1. Respondent is, and was at all times relevant to this case, a physician licensed to practice medicine in the State of Nevada (License No. 10630). His license was originally issued by the Board on September 8, 2003.

2. On or about May 22, 2010, Respondent signed a storage unit rental agreement for storage space #C223 at Life Storage located at 9930 S. Spencer Street, Las Vegas, NV 89183 (Life Storage Unit).

3. Respondent failed to make payment to Life Storage since September 4, 2016, thereafter placing him in default of his rental agreement.

4. A Lien Sale Notice was mailed to Respondent by the proprietor of Life Storage on November 18, 2016.

5. On or about June 5, 2017, Board staff received information that medical records,

<sup>1</sup> The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), at the time this formal Complaint was authorized for filing, was composed of Board members Wayne Hardwick, M.D., Chairman, Mr. M. Neil Duxbury, and Aury Nagy, M.D.

1 including patient charts, demographics, medical histories, charts, films and other items, which  
2 contained patient personal identifying information, for which Respondent, as a provider of health  
3 care and as custodian of records, was responsible, may have been abandoned by Respondent  
4 inside the Life Storage Unit.

5 6. On June 19, 2017, Board staff, along with staff from the Nevada State Board of  
6 Pharmacy, conducted an on-site initial inspection of the Life Storage Unit. The initial inspection  
7 discovered, among other items, the following:

- 8 a. Multiple large boxes containing hundreds of patient records produced by  
9 Respondent;
- 10 b. Four unlocked filing cabinets, three of which were inaccessible at the time of  
11 initial inspection due to location and placement inside the unit;
- 12 c. Miscellaneous office supplies;
- 13 d. One blank prescription.

14 7. On June 19, 2017, Board staff contacted Respondent by telephone and informed  
15 him of the discovery of the abandoned medical records and of his responsibility to immediately  
16 take possession of the medical records and/or properly destroy files that no longer needed to be  
17 retained. Respondent informed Board staff that he was under the belief that his mother had taken  
18 care of those records and that he would make arrangements to have his mother arrange for the  
19 records to be destroyed, as he was no longer residing in Nevada.

20 8. On June 20, 2017, the Investigative Committee issued a First Order to Respondent  
21 to produce records and respond to a formal Allegation Letter dated the same day regarding  
22 possible violations of the MPA related to the medical records and other items abandoned at the  
23 Life Storage Unit.

24 9. On June 22, 2017, Life Storage staff informed Board staff that neither Respondent
