1 2. NEIL PETREE RIFENBARK, M.D. (Respondent) is represented in this proceeding
2 by attorney Fredrick M. Ray, Esq., whose address is: 5000 Birch Street, Suite 7000

4 3. On or about December 28, 2012, the Board issued Physician's and Surgeon's
5 Certificate No. A 124061 to Respondent. The Physician's and Surgeon's Certificate expired on
6 September 30, 2018, and has not been renewed.

7 **JURISDICTION**

8 4. First Amended Accusation No. 800-2020-070380 was filed before the Board, and is
9 currently pending against Respondent. The First Amended Accusation and all other statutorily
10 required documents were properly served on Respondent on June 24, 2021. Respondent filed his
11 Notice of Defense contesting the First Amended Accusation. A copy of First Amended
12 Accusation No. 800-2020-070380 is attached as Exhibit A and incorporated by reference.

28 ///

1 **CULPABILITY**

2 8. Respondent understands that the charges and allegations in the First Amended
3 Accusation No. 800-2020-070380, if proven at a hearing, constitute cause for imposing discipline
4 upon his Physician's and Surgeon's Certificate.

5 9. For the purpose of resolving the First Amended Accusation without the expense and
6 uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could
7 establish a factual basis for the charges in the First Amended Accusation and that those charges
8 constitute cause for discipline. Respondent hereby gives up his right to contest that cause for
9 discipline exists based on those charges.

10 10. Respondent understands that by signing this stipulation he enables the Board to issue
11 an order accepting the surrender of his Physician's and Surgeon's Certificate without further

19 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
20 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
21 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
22 be disqualified from further action by having considered this matter.

23 **ADDITIONAL PROVISIONS**

13. The parties agree that copies of this Stipulated Settlement and Disciplinary Order, including copies of the signatures of the parties, may be used in lieu of original documents and signatures and, further, that such copies shall have the same force and effect as originals.

14. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Order:

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 124061, issued to Respondent NEIL PETREE RIFENBARK, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a physician and surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

20 **PARTIES**

21 1. William Prasifka (Complainant) brings this First Amended Accusation solely in his
22 official capacity as the Executive Director of the Medical Board of California, Department of
23 Consumer Affairs (Board).

24 2. On or about December 28, 2012, the Medical Board issued a probationary Physician's
25 and Surgeon's Certificate Number A 124061 to Neil Petree Rifenbark, M.D. (Respondent) with
26 various terms and conditions, including random biological fluid testing and a requirement that he
27 complete an ethics course. The Physician's and Surgeon's Certificate expired on September 30,
28

1 2018, and has not been renewed. On March 2, 2021, the Board suspended Respondent's
2 Physician's and Surgeon's Certificate pursuant to Business and Profession Code Section 2310(a).
3 On June 22, 2021, the Board lifted the suspension order based on the North Carolina Board's
4 order that reinstated Respondent's North Carolina medical license.

5 JURISDICTION

6 3. This First Amended Accusation is brought before the Board, under the authority of
7 the following laws. All section references are to the Business and Professions Code (Code)
8 unless otherwise indicated.

9 4. Section 2227 of the Code provides that a licensee who is found guilty under the
10 Medical Practice may have his or her license revoked, suspended for a period not to exceed one
11 year, placed on probation and required to pay the costs of probation monitoring, or such other
12 action taken in relation to discipline as the Board deems proper.

13 5. Section 2234 of the Code provides that the Board shall take action against any
14 licensee who is charged with "unprofessional conduct," which includes but is not limited to,
15 "[v]iolating . . . any provision of this chapter."

16 6. Section 2305 of the Code provides, in pertinent part, that the revocation, suspension,
17 or other discipline, restriction, or limitation imposed by another state upon a license to practice
18 medicine issued by that state, or the revocation, suspension, or restriction of the authority to
19 practice medicine by any agency of the federal government, that would have been grounds for
20 discipline in California, shall constitute grounds for disciplinary action for unprofessional
21 conduct.

22 7. Section 141 of the Code provides:

23 (a) For any licensee holding a license issued by a board under the jurisdiction of the
24 department, a disciplinary action taken by another state, by any agency of the federal government,
25 or by another country for any act substantially related to the practice regulated by the California
26 license, may be a ground for disciplinary action by the respective state licensing board. A
27 certified copy of the record of the disciplinary action taken against the licensee by another state,
28

1 an agency of the federal government, or another country shall be conclusive evidence of the
2 events related therein.

3 (b) Nothing in this section shall preclude a board from applying a specific statutory
4 provision in the licensing act administered by that board that provides for discipline based upon a
5 disciplinary action taken against the licensee by another state, an agency of the federal
6 government or another country.

7 8. Section 2228.1 of the Code provides, in pertinent part, that the Board shall require a
8 licensee who is disciplined based on drug or alcohol abuse to the extent that such use impairs the
9 ability of the licensee to practice safely to disclose to his patients information regarding his
10 probation status. The licensee is required to disclose: probation status, the length of the
11 probation, the probation end date, all practice restrictions placed on the license by the Board, the
12 Board's telephone number, and an explanation of how the patient can find further information on
13 the licensee's probation on the Board's Internet Web site.

14 CAUSE FOR DISCIPLINE

15 (Discipline, Restriction, or Limitation Imposed by Another State)

16 9. On August 7, 2020, the North Carolina Medical Board (North Carolina Board) issued
17 a Consent Order (North Carolina Order), attached herewith as Exhibit A, which indefinitely
18 suspended Respondent's North Carolina medical license. The Consent Order states that: "Dr.
19 Rifembark has suffered from substance use disorder. On several occasions in early 2020, he
20 obtained fentanyl for his personal use from that being administered to patients. Hospital
21 personnel saw this and confronted him, leading to his resignation."

22 10. The Consent Order further stated that: "Dr. Rifembark acknowledges that when
23 abusing substances, he is unable to practice medicine with reasonable skill and safety to patients."

24 11. On June 1, 2021, the North Carolina Board issued a Consent Order (June 1, 2021
25 Consent Order) that reinstates Respondent's license to practice medicine in North Carolina. The
26 June 1, 2021 Consent Order is attached herewith as Exhibit B. The North Carolina Board
27 concluded that "Dr. Rifembark suffers from a medical condition which, when left untreated,
28 renders him unable to practice medicine with reasonable skill and safety." Respondent is

1 participating in the North Carolina Professional Health Program (NCPHP) for substance abusing
2 licensees. Pursuant to the June 1, 2021 Consent Order, Respondent needs to abstain from the use
3 of alcohol and all other mind- or mood- altering substances and all controlled substances,
4 including but not limited to sedatives, stimulants and pain medications unless lawfully prescribed
5 to him. Respondent is required to comply with all of NCPHP's requirements.

6 12. Respondent's foregoing conduct and the actions of the North Carolina Board, as set
7 forth in paragraphs 9 through 11, above, and Exhibit A and Exhibit B, attached, constitute cause
8 for discipline, pursuant to section 2234 and/or section 2305 and/or section 141 of the Code.

9 **PRAYER**

10 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
11 and that following the hearing, the Medical Board of California issue a decision:

Respondent.)	

This matter is before the North Carolina Medical Board ("Board") on the application of Neil Petree Rifenbark, Jr., M.D. ("Dr. Rifenbark") for reinstatement of his license to practice medicine in the state of North Carolina. Dr. Rifenbark makes the following admissions and the Board makes the following findings and conclusions:

STATUTORY AUTHORITY

The Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding under the authority granted to it in Article 1 of Chapter 90 of the North Carolina General Statutes and the rules and regulations promulgated thereto.

FINDINGS OF FACT

Dr. Rifenbark has applied for reinstatement of his license to practice medicine in North Carolina.

Dr. Rifenbark was first issued a license to practice medicine by the Board on or about September 17, 2017, license number 2017-02180.

On March 2, 2020, Dr. Rifembark voluntarily inactivated his license to practice medicine, and on August 7, 2020, Dr. Rifembark and the Board entered into a Consent Order, the details of which are contained therein, whereby Dr. Rifembark's license was indefinitely suspended.

Dr. Rifembark has suffered from substance use disorder. Dr. Rifembark has undergone and successfully completed residential treatment for this disorder. Dr. Rifembark is a Participant in the North Carolina Professionals Health Program ("NCPHP"), and NCPHP advocates for Dr. Rifembark's return to the practice of medicine.

Dr. Rifembark met with members of the Board on May 20, 2021, to discuss his application for reinstatement of his license, and the Board decided to reinstate his license on the following terms and conditions.

CONCLUSIONS OF LAW

Dr. Rifembark suffers from a medical condition which, when left untreated, renders him unable to practice medicine with reasonable skill and safety within the meaning of N.C. Gen. Stat. § 90-14(a)(5), and grounds exist under that section of the North Carolina General Statutes for the Board to annul, suspend, revoke, condition, or limit Dr. Rifembark's license to practice medicine or to deny any application he may make in the future.

PROCEDURAL STIPULATIONS

Dr. Rifembark acknowledges and agrees that the Board has jurisdiction over him and over the subject matter of this case.

Dr. Rifembark knowingly waives his right to any hearing and to any judicial review or appeal in this case.

Dr. Rifembark, with the advice of legal counsel, acknowledges that he has read and understands this Consent Order and enters into it voluntarily.

Dr. Rifembark desires to resolve this matter without the need for more formal proceedings.

The Board has determined that it is in the public interest to resolve this case as set forth below.

ORDER

NOW, THEREFORE, with Dr. Rifembark's consent, it is ORDERED that:

1. The Board shall reinstate Dr. Rifembark's license to practice medicine. This license is not limited or restricted.

2. Dr. Rifembark shall maintain and comply in all respects with his current agreement with NCPHP and abide by its terms, including the timely payment of all fees required by NCPHP.

3. Unless lawfully prescribed for him by someone other than himself, Dr. Rifembark shall refrain from the use or

possession of alcohol and all other mind- or mood-altering substances and all controlled substances including, but not limited to, sedatives, stimulants, and pain medication.

4. Upon request by the Board, Dr. Rifenbark shall supply urine, blood, hair, or any other bodily fluid or tissue sample the Board might reasonably require for the purposes of analysis to determine if he has consumed any of the substances mentioned above.

5. Dr. Rifenbark shall obey all laws. Likewise, he shall obey all rules and regulations involving the practice of medicine.

6. Dr. Rifenbark shall meet with the Board or members of the Board for an investigative interview at such times as requested by the Board.

7. Upon request, Dr. Rifenbark shall provide the Board with any information the Board deems necessary to verify compliance with the terms and conditions of this Consent Order.

8. If Dr. Rifenbark fails to comply with any of the terms and conditions of this Consent Order, that failure shall constitute unprofessional conduct within the meaning of N.C. Gen. Stat. § 90-14(a)(6) and shall be grounds, after any required notice and hearing, for the Board to annul, suspend or revoke his license to practice medicine and to deny any

application he might make in the future or then have pending for a license.

9. This Consent Order shall take effect immediately upon its execution by both Dr. Rifembark and the Board, and it shall continue in effect until specifically ordered otherwise by the Board.

10. Dr. Rifembark hereby waives any requirement under any law or rule that this Consent Order be served on him.

11. Upon execution by Dr. Rifembark and the Board, this Consent Order shall become a public record within the meaning of Chapter 132 of the North Carolina General Statutes and shall be subject to public inspection and dissemination pursuant to the provisions thereof.
