Respondent further agrees that if he ever petitions for reinstatement of his Physician's and Surgeon's Certificate No. A 104410, or if an accusation is filed against him before the Medical Board of California, all of the charges and allegations contained in First Amended Accusation No. 800-2018-043525 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the state of California or elsewhere.

6. Section 2236 of the Code states:

٠٠..

"(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section and Section 2236.1. The record of conviction shall be conclusive evidence of the fact that the conviction occurred."

7. California Code of Regulations, title 16, section 1360, states:

"For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act."

8. Section 810 of the Code states:

- "(a) It shall constitute unprofessional conduct and grounds for disciplinary action, including suspension or revocation of a license or certificate, for a health care professional to do any of the following in connection with his or her professional activities:
 - "(1) Knowingly present or cause to be presented any false or fraudulent claim for the payment of a loss under a contract of insurance.
- "(2) Knowingly prepare, make, or subscribe any writing, with intent to present or use the same, or to allow it to be presented or used in support of any false or fraudulent claim.

conjunction with providing benefits covered by worker's compensation insurance, or has been convicted of any felony involving Medi-Cal fraud committed by the licensee or certificate holder in conjunction with the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program, pursuant to Chapter 7 (commencing with Section 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. - (4) Nothing in this subdivision shall preclude a board from suspending or revoking a license or certificate pursuant to any other provision of law.

- 3) Count 24, a violation of Penal Code section 530.5(a)⁵ to wit, T.G.⁶
 - 12. The factual basis for the plea agreement stated, among other things:
- a) In 2015, Respondent was approached by Dennis Bonavilla to have Respondent's patients sign up with Free Choice Healthcare Foundation ("Free Choice") for additional insurance policies to pay for services not covered by the policy they had at the time they entered Respondent's clinic.
- b) This additional coverage allowed Respondent to complete additional, more expensive services on his patients that would not have been covered by the insurance they had at the time they entered Respondent's clinic.
- c) Respondent provided paperwork to his patients, including I-9s and W-4s, and told them he could get them free insurance through Free Choice. The paperwork provided Respondent's patients' names, dates of birth, addresses, and social security numbers to Free Choice, in order to sign them up as employees of fictitious companies.
- d) Once the paperwork was completed, Respondent gave the patients' information to Free Choice liaison Dennis Bonavilla to sign them up for the fraudulent policies. Respondent did not explain to the patients that they would be signing up as fake employees of fictitious companies. Respondent did not tell them their existing insurance coverage or disability benefits could be affected. One of those patients was T.G.
- e) Respondent waived the costs required from patients, including deductibles and copays, in order to induce the patients to continue to seek treatment.
- f) Once Respondent's patients were covered, Respondent billed their fraudulent insurance policy for the services he provided and sent 35% of what he collected from the insurance company

⁵ Penal Code section 530.5(a) provides:

[&]quot;Every person who willfully obtain personal identifying information, as defined in subdivision (b) of section 530.55, of another person, and uses that information for any unlawful purpose, including to obtain, or attempt to obtain, credit, goods, services, real property, or medical information without the consent of that person, is guilty of a public offense, and upon conviction therefor, shall be punished by a fine, by imprisonment in a county jail not to exceed one year, or by both a fine and imprisonment, or by imprisonment pursuant to subdivision (h) of Section 1170."

back to Free Choice.

- g) Beginning in 2015, Respondent also agreed to write prescriptions to be filled at a compounding pharmacy selected by Dennis Bonavilla. Respondent signed a consulting agreement with the pharmacy under which he would be paid \$2,000 or more per month as long as he continued writing prescriptions. Respondent never received any money for the prescriptions he wrote. Most of the prescriptions involved were for patients who were provided with Health Net policies through Free Choice.
- h) Between January 1, 2015 and July 30, 2017, Respondent knowingly, and with specific intent, aided and abetted Free Choice Healthcare Foundation's insurance fraud scheme through his clinic, Riverside Regional Surgery Center.
- 13. As part of his criminal sentence in case number RIF1880191, in the Superior Court of California, County of Riverside, Respondent was sentenced to two (2) years in state prison, a total restitution amount of \$2,799,550.41, and various fines and fees.

16. Respondent has further subjected his Physician's and Surgeon's Certificate No. A 104401 to disciplinary action under sections 2227 and 2234, as defined by section 2234, of the Code, in that he has engaged in conduct which breaches the rules or ethical code of the medical profession, or conduct which is unbecoming a member in good standing of the medical profession, and which demonstrates an unfitness to practice medicine, as more particularly alleged in paragraphs 9 through 15, above, which are hereby incorporated by reference and realleged as if fully set forth herein.

DISCIPLINARY CONSIDERATIONS

17. To determine the degree of discipline, if any, to be imposed on Respondent Babar Iqbal, M.D., Complainant alleges that effective on or about August 19, 2020, in a prior disciplinary action titled In the Matter of the Accusation Against Babar Iqbal, M.D. before the Medical Board of California, in Case Number 800-2017-030760, Respondent's license was publicly reprimanded for Respondent's repeated negligent acts and failure to maintain adequate or accurate records.
