The attached Stipulation for a Probationary License is hereby accepted and adopted as the Decision and Order of the Medical Board of California, Department of Consumer Affairs, State of California.

This Decision shall become effective at 5:00 p.m. on **August 31, 2021**, although the probation will not commence until the applicant completes any remaining requirements for licensure and the license is issued.

BEFORE THE

JOY ELAINE GIBSON)	
)	STIPULATION FOR A
)	PROBATIONARY LICENSE
For a Physician's and Surgeon's License)	
<hr/>		

1) Joy Elaine Gibson, applicant for a Physician's and Surgeon's License (hereinafter "applicant"), and Marina O'Connor, Chief of Licensing of the Medical Board of California (Board), hereby stipulate as follows:

2) Applicant is eligible for medical licensure in California upon meeting all licensure requirements.

3) On August 30, 2020, applicant submitted an application for a Physician's and Surgeon's License. Applicant disclosed on the application that applicant had unusual circumstances during training and has been under the care of treating professionals for a condition that may impair applicant's ability to practice medicine safely.

4) Section 822 of the Business and Professions Code states that the Board may take action if the applicant's ability to practice medicine safely is impaired due to a mental illness. Section 2221(a) of the Business and Professions Code states the Board may deny a license to an applicant guilty of unprofessional conduct or of any cause that would subject a licensee to revocation or suspension of their license.

The above supports a conclusion that grounds exist for denial pursuant to sections 822 and 2221(a) of the Business and Professions Code.

5) Pursuant to Section 2221 of the Business and Professions Code, the Board may deny a license to an applicant because of unprofessional conduct. Alternatively, the Board has the discretionary authority to issue a probationary license with terms and conditions.

6) Applicant acknowledges applicant has a right to request a Statement of Issues and a hearing upon denial of license for cause. Applicant waives notice of hearing and judicial review in favor of this Stipulation for a Probationary License, which is subject to approval by the Board. If not approved, this Stipulation is null and void and may not be used for any purpose.

7) Applicant understands and agrees that counsel for the staff of the Board may communicate directly with the Board regarding this proposed Stipulation, without notice to or participation by applicant or his counsel. By signing the Stipulation, applicant understands and agrees that applicant may not withdraw this agreement or seek to rescind the Stipulation prior to the time the Board considers and acts upon it. If the Board fails to

adopt this Stipulation, the offer of a Stipulation for a Probationary License shall be of no force or effect; except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

ORDER

Upon formal acceptance of the surrender, applicant shall within 15 calendar days deliver applicant's wallet and wall certificate to the Board or its designee and applicant shall no longer practice medicine. Applicant will no longer be subject to the terms and conditions of probation. If applicant re-applies for a medical license, the application shall be treated as a petition for reinstatement of a revoked certificate.
