**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

18  
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Rob Bonta, Attorney General of the State of California, and by Joseph F. McKenna III,  
25 Deputy Attorney General.

26 2. Respondent Richard Albert Chaffoo, M.D. (Respondent) is represented in this  
27 proceeding by attorney Raymond J. McMahon, Esq., whose address is: 5440 Trabuco Road,  
28 Irvine, California, 92620.

3. On or about March 4, 1985, the Board issued Physician's and Surgeon's Certificate No. G 54363 to Richard Albert Chaffoo, M.D. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges and allegations brought in Accusation No. 800-2017-036343, and will expire on July 31, 2022, unless renewed.

## JURISDICTION

4. Accusation No. 800-2017-036343 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on August 28, 2020. Respondent timely filed his Notice of Defense contesting the Accusation. A true and correct copy of the Accusation is attached as Exhibit A and hereby incorporated by reference as if fully set forth herein.

## ADVISEMENT AND WAIVERS

5. Respondent has carefully read, discussed with his counsel, and fully understands the charges and allegations in Accusation No. 800-2017-036343. Respondent has also carefully read, discussed with his counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations contained in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws, having been fully advised of same by his counsel.

7. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

## CULPABILITY

8. Respondent understands and agrees that the charges and allegations contained in Accusation No. 800-2017-036343, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate No. G 54363.

9. Respondent stipulates that, at a hearing, Complainant could establish a *prima facie* case or factual basis for the charges and allegations contained in the Accusation; that he gives up his right to contest those charges and allegations contained in the Accusation; and that he has thereby subjected his Physician's and Surgeon's Certificate to disciplinary action.

## CONTINGENCY

10. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Board may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

11. Respondent agrees that if an accusation is ever filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2016-024117 shall be deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

## **ADDITIONAL PROVISIONS**

12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreements of the parties in the above-entitled matter.

13. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

14. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

1 **DISCIPLINARY ORDER**

2 1. **PUBLIC REPRIMAND.**

3 IT IS HEREBY ORDERED that Respondent Richard Albert Chaffoo, M.D.'s Physician's  
4 and Surgeon's Certificate No. G 54363 shall be and is hereby Publicly Reprimanded pursuant to  
5 California Business and Professions Code section 2227, subdivision (a), subsection (4). This  
6 Public Reprimand, which is issued in connection with the charges and allegations contained in  
7 Accusation No. 800-2017-036343, is as follows:

8 The informed consent form utilized in Respondent's office for a platelet  
9 rich plasma injection did not sufficiently document the indications for the use of  
10 the therapy in the specific treatment of Patient B. This constitutes an inadequate  
11 record, as more particularly alleged in Accusation No. 800-2017-036343.

12 2. **MEDICAL RECORD KEEPING COURSE.**

13 Within sixty calendar days of the effective date of this Decision, Respondent shall enroll in  
14 a course in medical record keeping approved in advance by the Board or its designee. Respondent  
15 shall provide the approved course provider with any information and documents that the approved  
16 course provider may deem pertinent. Respondent shall participate in and successfully complete  
17 the classroom component of the course not later than six months after Respondent's initial  
18 enrollment. Respondent shall successfully complete any other component of the course within  
19 one year of enrollment. The medical record keeping course shall be at Respondent's expense and  
20 shall be in addition to the Continuing Medical Education requirements for renewal of licensure.

21 A medical record keeping course taken after the acts that gave rise to the charges contained  
22 in Accusation 800-2017-036343, but prior to the effective date of the Decision may, in the sole  
23 discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the  
24 course would have been approved by the Board or its designee had the course been taken after the  
25 effective date of this Decision.

26 Respondent shall submit a certification of successful completion to the Board or its  
27 designee not later than fifteen calendar days after successfully completing the course, or not later  
28 than fifteen calendar days after the effective date of the Decision, whichever is later.

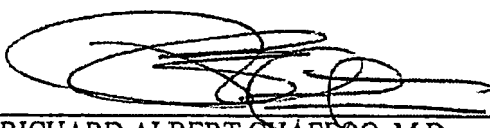

1           3.    FAILURE TO COMPLY.

2           Any failure by Respondent to comply with the terms and conditions of the Disciplinary  
3 Order set forth above shall constitute unprofessional conduct and grounds for further disciplinary  
4 action.

5                                   ACCEPTANCE

6           I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully  
7 discussed it with my attorney, Raymond J. McMahon, Esq. I fully understand the stipulation and  
8 the effect it will have on my Physician's and Surgeon's Certificate No. G 54363. I enter into this  
9 Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and agree  
10 to be bound by the Decision and Order of the Medical Board of California.

1 8. Section 2725 of the Code states, in pertinent part:

2 ...

3 (c) "Standardized procedures," as used in this section, means either of the  
4 following:

5 (1) Policies and protocols developed by a health facility licensed pursuant to  
6 Chapter 2 (commencing with Section 1250) of Division 2 of the Health and Safety  
7 Code through collaboration among administrators and health professionals  
8 including physicians and nurses.

9 (2) Policies and protocols developed through collaboration among  
10 administrators and health professionals, including physicians and nurses, by an  
11 organized health care system which is not a health facility licensed pursuant to  
12 Chapter 2 (commencing with Section 1250) of Division 2 of the Health and Safety  
13 Code.

14 The policies and protocols shall be subject to any guidelines for standardized  
15 procedures that the Division of Licensing of the Medical Board of California and  
16 the Board of Registered Nursing may jointly promulgate. If promulgated, the  
17 guidelines shall be administered by the Board of Registered Nursing.

18 (d) Nothing in this section shall be construed to require approval of  
19 standardized procedures by the Division of Licensing of the Medical Board of  
20 California, or by the Board of Registered Nursing.

21 ...

### 22 REGULATORY PROVISIONS

23 9. Section 1379, title 16, of the California Code of Regulations states:

24 A physician and surgeon or a podiatrist who collaborates in the development  
25 of standardized procedures for registered nurses shall comply with Title 16  
26 California Administrative Code Sections 1470 through 1474 governing  
27 development and use of standardized procedures.

28 10. Section 1470, title 16, of the California Code of Regulations states:

The Board of Registered Nursing in conjunction with the Medical Board of  
California (see the regulations of the Medical Board of California, Article 9.5,  
Chapter 13, Title 16 of the California Code of Regulations) intends, by adopting  
the regulations contained in the article, to jointly promulgate guidelines for the  
development of standardized procedures to be used in organized health care  
systems which are subject to this rule. The purpose of these guidelines is:

(a) To protect consumers by providing evidence that the nurse meets all  
requirements to practice safely.

(b) To provide uniformity in development of standardized procedures.

////

1 11. Section 1471, title 16, of the California Code of Regulations states:

2 For purposes of this article:

3 (a) "Standardized procedure functions" means those functions specified in  
4 Business and Professions Code Section 2725 (c) and (d) which are to be performed  
5 according to "standardized procedures";

6 (b) "Organized health care system" means a health facility which is not  
7 licensed pursuant to Chapter 2 (commencing with Section 1250), Division 2 of the  
8 Health and Safety Code and includes, but is not limited to, clinics, home health  
9 agencies, physicians' offices and public or community health services;

10 (c) "Standardized procedures" means policies and protocols formulated by  
11 organized health care systems for the performance of standardized procedure functions.

12 12. Section 1472, title 16, of the California Code of Regulations states:

13 An organized health care system must develop standardized procedures before  
14 permitting registered nurses to perform standardized procedure functions. A  
15 registered nurse may perform standardized procedure functions only under the  
16 conditions specified in a health care system's standardized procedures; and must  
17 provide the system with satisfactory evidence that the nurse meets its experience,  
18 training, and/or education requirements to perform such functions.

19 13. Section 1474, title 16, of the California Code of Regulations states:

20 Following are the standardized procedure guidelines jointly promulgated by  
21 the Medical Board of California and by the Board of Registered Nursing:

22 (a) Standardized procedures shall include a written description of the method  
23 used in developing and approving them and any revision thereof.

24 (b) Each standardized procedure shall:

25 (1) Be in writing, dated and signed by the organized health care system  
26 personnel authorized to approve it.

27 (2) Specify which standardized procedure functions registered nurses may  
28 perform and under what circumstances.

(3) State any specific requirements which are to be followed by registered

of those registered nurses authorized to perform standardized procedure functions.

1 (6) Provide for a method of maintaining a written record of those persons  
2 authorized to perform standardized procedure functions.

3 (7) Specify the scope of supervision required for performance of standardized  
4 procedure functions, for example, immediate supervision by a physician.

5 (8) Set forth any specialized circumstances under which the registered nurse is  
6 to immediately communicate with a patient's physician concerning the patient's  
7 condition.

8 (9) State the limitations on settings, if any, in which standardized procedure  
9 functions may be performed.

10 (10) Specify patient record keeping requirements.

11 (11) Provide for a method of periodic review of the standardized procedures.

### 12 DEFINITIONS

13 14. Follicular unit extraction (FUE) is a method of hair transplant surgery that manually  
14 removes individual hair follicles, or grafts, from the patient's scalp by making tiny incisions  
15 around the grafts under magnification. Once extracted, grafts are then implanted to bald or  
16 thinning areas around the head using small incisions in the recipient area that attempt to match a  
17 natural hair growth pattern. The surgery can take several hours and is performed under local  
18 anesthesia.

19 15. Platelet-rich plasma (PRP) therapy for hair loss is a three-step medical treatment in  
20 which a person's blood is drawn, processed, and then injected into the scalp to trigger natural hair  
21 growth. PRP treatment is also used to support wound healing in trauma and joint injury.

### 22 FIRST CAUSE FOR DISCIPLINE

#### 23 (Repeated Negligent Acts)

24 16. Respondent has subjected his Physician's and Surgeon's Certificate No. G 54363 to  
25 disciplinary action under sections 2227 and 2234, as defined in section 2234, subdivision (c), of  
26 the Code, in that Respondent committed repeated negligent acts in his care and treatment of  
27 Patients A and B,<sup>1</sup> as more particularly alleged hereinafter:

28 <sup>1</sup> To protect the privacy of the patients involved in this matter, patient names have not  
been included in this pleading. Respondent is aware of the identities of Patients A and B.

1           17. **Patient A**

2           (a) On June 8, 2015, Patient A underwent a FUE graft harvest surgical  
3 procedure at Respondent's clinic. The procedure began at approximately 8:00  
4 a.m. and was completed at approximately 5:00 p.m.

5           (b) According to the operative report signed by Respondent, one thousand  
6 nine hundred twenty-five (1,925) grafts were harvested from Patient A's scalp  
7 under loupe magnification with the assistance of a NeoGraft machine. Patient A's  
8 scalp was then prepped with local anesthesia followed by a surgical prep solution.

9           (c) According to the operative report, a #16 gauge needle was used to create  
10 "recipient sites" on Patient A's scalp, and the grafts were then inserted in the  
11 "recipient sites" under loupe magnification, and in the direction of Patient A's  
12 natural hair growth pattern.<sup>2</sup>

13           (d) According to the operative report, at the end of the procedure a post-  
14 operative dressing was applied and Patient A "was discharged with a friend/family  
15 member in stable condition with stable vital signs."<sup>3</sup>

16           (e) Respondent did not perform the majority of the surgical procedure.

17           (f) Respondent was not present in the procedure room for the majority of  
18 the surgical procedure.

19           (g) The majority of the surgical procedure was performed by a nurse and/or  
20 other technicians.

21           (h) The operative report does not document who in fact performed the actual  
22 surgical procedure. Respondent signed the operative report on or about June 9, 2015.

23           (i) Respondent did not have a standardized procedure(s) in place for a nurse  
24 to perform the FUE surgical procedure and/or incise recipient sites on Patient A's  
25 scalp.

26           <sup>2</sup> However, during an interview regarding the FUE procedure performed on Patient A,  
27 Respondent told investigators that he used #19 and #20 gauge needles.

28           <sup>3</sup> However, according to the patient flow sheet from the day of the procedure, Patient A  
was "released to self" at 17:28.

1 (j) The FUE surgical procedure performed on Patient A did not obtain a  
2 sufficient number of grafts for the intended transplant area, resulting in little to no  
3 cosmetic impact from the surgical procedure.

4 (k) Patient A signed a consent form for the FUE surgical procedure on  
5 the same day of the surgery. Respondent's consent form does not include any  
6 information regarding the alternative hair transplant procedure known as "strip  
7 harvesting." The consent form also does not document whether "strip harvesting"  
8 was ever discussed with Patient A as an alternative technique to FUE.

9 **18. Patient B**

10 (a) On July 24, 2017, Patient B underwent PRP therapy for hair loss at  
11 Respondent's clinic.

12 (b) Patient B signed a consent form for PRP which indicated that he was  
13 consenting to PRP "to enhance postoperative healing."

14 (c) Respondent's consent form did not include any information regarding  
15 the use of PRP to stimulate hair growth, which was the reason for Patient B's visit  
16 to Respondent's clinic.

17 **19. Respondent committed repeated negligent acts in his care and treatment of**  
18 **Patients A and B including, but not limited to, the following:**

19 (a) Respondent failed to have a standardized procedure(s) in place for a  
20 nurse to perform FUE and/or incise recipient sites on Patient A's scalp;

21 (b) Respondent's consent form failed to provide Patient A with adequate  
22 information for informed consent;

23 (c) Respondent's surgical plan failed to provide for an adequate number of  
24 grafts for the intended area of recipient sites on Patient A's scalp;

25 (d) Respondent failed to be sufficiently involved and/or provide adequate  
26 oversight during the FUE surgical procedure performed on Patient A; and

27 (e) Respondent's consent form failed to provide Patient B with adequate  
28 information for informed consent.

**SECOND CAUSE FOR DISCIPLINE**

**(Failure to Maintain Adequate and Accurate Medical Records)**

20. Respondent has further subjected his Physician's and Surgeon's Certificate No. G 54363 to disciplinary action under sections 2227 and 2234, as defined in section 2266, of the Code, in that Respondent failed to maintain adequate and accurate records in connection with his care and treatment of Patients A and B, as more particularly alleged in paragraphs 16 through 19, above, which are hereby incorporated by reference and realleged as if fully set forth herein.

**THIRD CAUSE FOR DISCIPLINE**

**(Unprofessional Conduct)**

21. Respondent has further subjected his Physician's and Surgeon's Certificate No. G 54363 to disciplinary action under sections 2227 and 2234 of the Code, in that Respondent has engaged in conduct which breaches the rules or ethical code of the medical profession, or conduct which is unbecoming to a member in good standing of the medical profession, and which demonstrates an unfitness to practice medicine, as more particularly alleged in paragraphs 16 through 20, above, which are hereby incorporated by reference and realleged as if fully set forth herein.
