18

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by LeAnna E. Shields, Deputy
25 Attorney General.

26 2. Arthur L. Dick, M.D. (Respondent) is represented in this proceeding by attorneys
27 Dennis K. Ames, Esq., and Poge Henderson, Esq., with La Follette, Johnson, DeHaas, Fesler &
28 Ames, whose address is: 2677 N. Main Street, Suite 901, Santa Ana, CA 92705.

1 3. On or about August 7, 1963, the Board issued Physician's and Surgeon's Certificate
2 No. A 20825 to Respondent. The Physician's and Surgeon's Certificate was in full force and
3 effect at all times relevant to the charges brought in Accusation No. 800-2018-044706 and will
4 expire on January 31, 2023, unless renewed.

5 **JURISDICTION**

6 4. On June 2, 2021, Accusation No. 800-2018-044706 was filed before the Board, and is
7 currently pending against Respondent. A true and correct copy of Accusation No. 800-2018-
8 044706 and all other statutorily required documents were properly served on Respondent on June
9 2, 2021. Respondent timely filed his Notice of Defense contesting the Accusation. A true and
10 correct copy of Accusation No. 800-2018-044706 is attached hereto as Exhibit A and is
11 incorporated by reference as if fully set forth herein.

12 **ADVISEMENT AND WAIVERS**

13 5. Respondent has carefully read, fully discussed with counsel, and fully understands the
14 charges and allegations in Accusation No. 800-2018-044706. Respondent also has carefully read,
15 fully discussed with counsel, and fully understands the effects of this Stipulated Surrender of
16 License and Disciplinary Order.

17 6. Respondent is fully aware of his legal rights in this matter, including the right to a
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of
21 documents; the right to reconsideration and court review of an adverse decision; and all other
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 7. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently
24 waives and gives up each and every right set forth above.

25 **CULPABILITY**

26 8. Respondent does not contest that, at an administrative hearing, Complainant could
27 establish a *prima facie* case with respect to each and every charge and allegation contained in
28 Accusation No. 800-2018-044706, agrees that he has thereby subjected his Physician's and

1 Surgeon's Certificate No. A 20825 to disciplinary action, and hereby surrenders his Physician's
2 and Surgeon's Certificate No. A 20825 for the Board's formal acceptance.

3 9. Respondent agrees that if he files a petition for reinstatement or relicensure, or an
4 accusation and/or petition to revoke probation is filed against him before the Medical Board of
5 California, all of the charges and allegations contained in Accusation No. 800-2018-044706 shall
6 be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or
7 any other licensing proceeding involving Respondent in the State of California.

8 10. Respondent understands that by signing this stipulation he enables the Board to issue
9 an order accepting the surrender of his Physician's and Surgeon's Certificate No. A 20825
10 without further notice to, or opportunity to be heard by, Respondent.

11 CONTINGENCY

12 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
13 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...
14 stipulation for surrender of a license."

15 12. Respondent understands that, by signing this stipulation, he enables the Executive
16 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
17 Physician's and Surgeon's Certificate No. A 20825 without further notice to, or opportunity to be
18 heard by, Respondent.

19 13. This Stipulated Surrender of License and Disciplinary Order shall be subject to the
20 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated
21 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his
22 consideration in the above-entitled matter and, further, that the Executive Director shall have a
23 reasonable period of time in which to consider and act on this Stipulated Surrender of License and
24 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands
25 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the
26 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

27 14. The parties agree that this Stipulated Surrender of License and Disciplinary Order
28 shall be null and void and not binding upon the parties unless approved and adopted by the

1 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
2 force and effect. Respondent fully understands and agrees that in deciding whether or not to
3 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
4 Director and/or the Board may receive oral and written communications from its staff and/or the
5 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
6 Executive Director, the Board, any member thereof, and/or any other person from future
7 participation in this or any other matter affecting or involving Respondent. In the event that the
8 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
9 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
10 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
11 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
12 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
13 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
14 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
15 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
16 of any matter or matters related hereto.

17 **ADDITIONAL PROVISIONS**

18 15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
19 herein to be an integrated writing representing the complete, final and exclusive embodiment of
20 the agreements of the parties in the above-entitled matter.

21 16. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
22 Order, including copies of the signatures of the parties, may be used in lieu of original documents
23 and signatures and, further, that such copies shall have the same force and effect as originals.

24 17. In consideration of the foregoing admissions and stipulations, the parties agree the
25 Executive Director of the Board may, without further notice to or opportunity to be heard by
26 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

3 (2) When the standard of care requires a change in the diagnosis, act, or
4 omission that constitutes the negligent act described in paragraph (1), including, but
5 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
licensee's conduct departs from the applicable standard of care, each departure
constitutes a separate and distinct breach of the standard of care.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 11. Respondent has subjected his Physician's and Surgeon's Certificate No. A 20825 to
4 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of
5 the Code, in that he committed gross negligence in his care and treatment of Patient A¹ (a family
6 member of Respondent), as more particularly alleged hereinafter.

7 **Patient A**

8 12. In or about March 2015, Patient A's Psychiatrist Dr. W. noted that Patient A, a then
9 77 year old female, was a "neatly dressed female...with good eye contact and appropriate
10 interaction. Mood steady and affect appropriate. Fully oriented, memory intact, concentration
11 good. Has some insight and judgement is good."

12 13. On or about September 19, 2015, Patient A presented to the Loma Linda Hospital
13 Emergency Department and appeared disheveled. Patient A's weight on admission was 130
14 pounds. One year prior Patient A weighed 160 pounds.

15 14. On or about November 5, 2015, Dr. W. noted that patient A was, "uncharacteristically
16 rumped...with reduced concentration and reduced judgment." Dr. W. diagnosed "bipolar
17 disorder, current episode depressed, severe." Respondent reported to Dr. W. that Patient A was
18 withdrawn, spending a lot of time in bed and not taking care of her daily activities.

19 15. On or about November 12, 2015, Patient A was admitted to the Behavioral Health
20 Unit at Loma Linda Hospital where it was observed that Patient A "frequently fall[s] asleep mid-
21 sentence and needed redirection often. Her main issue is neurocognitive decline rather than
22 organic depression."

23 16. On or about December 15, 2015, Dr. W. noted that dementia was likely a contributing
24 factor to Patient A's decline.

25 _____
26 ¹To protect the privacy of all patients involved, patient names have not been included in this
27 pleading. Respondent is aware of the identity of the patient referred to herein.

1 17. Patient A's outpatient psychiatric records indicate Patient A was taking the following
2 medications in 2015: Wellbutrin² 150mg; Buspar³ 10mg; Namenda⁴ 10mg; Restoril⁵ 30mg;
3 Desyrel⁶ 100mg; Viibryd⁷ 10 mg; and Geodon⁸ 80mg.

4 18. On or about March 24, 2016 and June 2, 2016, Dr. W. noted that Patient A was
5 "[s]till spending excess time in bed, possibly sleeping more than usual. Little social interaction.
6 Tolerating medications well and very resistant to reducing any of them even though she is
7 sleeping too much of the time."

8 19. On or about January 27, 2017, Patient A presented to the Loma Linda Hospital
9 Emergency Department with weakness and near syncope. Patient A reported she was taking the
10 following medications: Wellbutrin 150mg; Buspar 10mg; Namenda 10mg; Restoril 30mg;
11 Desyrel 100mg; Viibryd 10 mg; and Geodon 80mg. A social worker noted a concern that
12 Respondent was prescribing to and overmedicating Patient A.

13 20. In 2018, Patient A changed her treating Psychiatrist from Dr. W. to Dr. A.

14 21. On or about February 9, 2018, a report of possible elder abuse was made to the
15 Riverside County Adult Protective Services (APS) concerning Patient A.

16 22. On or about May 22, 2018, the Hemet Police Department assisted APS with a home
17 visit and noted that Patient A had "cradle crap" in her bed due to long hours spent lying down in a
18 heavily medicated state.

21 ² Wellbutrin (Bupropion) is an antidepressant medication, and a dangerous drug pursuant to
Business and Professions Code section 4022.

22 ³ Buspar (Buspirone) is an anti-anxiety medication, and a dangerous drug pursuant to Business and
Professions Code section 4022.

23 ⁴ Namenda (Memantine) is an anti-dementia medication, and a dangerous drug pursuant to
Business and Professions Code section 4022.

24 ⁵ Restoril (Temazepam) is used to treat insomnia and is a Schedule IV controlled substance
pursuant to Health and Safety Code section 11057, subdivision (d), and a dangerous drug pursuant to
Business and Professions Code section 4022.

25 ⁶ Desyrel (Trazadone) is an antidepressant medication, and a dangerous drug pursuant to Business
and Professions Code section 4022.

26 ⁷ Viibryd (Vilazodone) is an antidepressant medication, and a dangerous drug pursuant to Business
and Professions Code section 4022.

27 ⁸ Geodon (Ziprasidone) is an atypical antipsychotic used to treat symptoms of schizophrenia and
acute manic or mixed episodes associated with bipolar disorder, and a dangerous drug pursuant to
28 Business and Professions Code section 4022.

23. Between on or about January 2017 and October 22, 2019, Respondent, a board certified urologist, wrote multiple prescriptions for Trazodone, Temazepam, Viibryd, Bupropion, Ziprasidone, Memantine, and Triazolam for Patient A that overlapped and mirrored the prescriptions Patient A was receiving from her treating Psychiatrists, Dr. W. and Dr. A. Respondent did not consult with or in any way coordinate his prescribing with Drs. W. and A. Respondent's surreptitious and simultaneous prescribing to Patient A resulted in her being overmedicated.

24. On or about February 10, 2021, Respondent admitted prescribing to Patient A without consulting with her treating physicians. Respondent confirmed he ordered prescriptions for Patient A, but he “only continued what other doctors ordered for her.” Respondent said he did this as a convenience instead of having to track down Patient A’s other physicians. Respondent also admitted that he did not maintain a medical record for his prescribing to Patient A.

25. Respondent committed gross negligence in his care and treatment of Patient A, which included but was not limited to, the following:

A. Paragraphs 12 through 24, above, are hereby incorporated by reference and realleged as if fully set forth herein;
