RE: Physician's and Surgeon's Certificate No. G 85966
Case No. 800-2019-059114

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you failed to personally review a post-operative CT scan, which would have revealed pedicle screws placed at the C7 level were medially misplaced.

These actions constitute a violation of Business and Professions Code Section(s): 2234(b) – Gross Negligence.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
