DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 55805 issued to Respondent Bradley Delmar Herrick, M.D., is revoked. However, the revocation is stayed and Respondent is placed on probation for two (2) additional years in Case No. 800-2017-034089 on the following terms and conditions. This new Disciplinary Order is to run consecutive to the Disciplinary Order in Case No. 800-2017-034089, and extends those probationary terms and conditions by two (2) years.

1. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval the name and qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who has a doctoral degree in psychology and at least five years of postgraduate experience in the diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and continue psychotherapy treatment, including any modifications to the frequency of psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

The psychotherapist shall consider any information provided by the Board or its designee and any other information the psychotherapist deems relevant and shall furnish a written evaluation report to the Board or its designee. Respondent shall cooperate in providing the psychotherapist with any information and documents that the psychotherapist may deem pertinent.

Respondent shall have the treating psychotherapist submit quarterly status reports to the Board or its designee. The Board or its designee may require Respondent to undergo psychiatric evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of

1 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
2 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
3 period of probation shall be extended until the Board determines that Respondent is mentally fit
4 to resume the practice of medicine without restrictions.

5 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

6 2. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
7 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
8 prior approval, the name of a substance abuse support group which he or she shall attend for the
9 duration of probation. Respondent shall attend substance abuse support group meetings at least
10 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
11 abuse support group meeting costs.

12 The facilitator of the substance abuse support group meeting shall have a minimum of three
13 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
14 or certified by the state or nationally certified organizations. The facilitator shall not have a
15 current or former financial, personal, or business relationship with Respondent within the last five
16 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
17 the same facilitator does not constitute a prohibited current or former financial, personal, or
18 business relationship.

19 The facilitator shall provide a signed document to the Board or its designee showing
20 Respondent's name, the group name, the date and location of the meeting, Respondent's
21 attendance, and Respondent's level of participation and progress. The facilitator shall report any
22 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
23 or its designee, within twenty-four (24) hours of the unexcused absence.

24 3. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
25 completely from the personal use or possession of controlled substances as defined in the
26 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
27 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
28 ///

1 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
2 illness or condition.

3 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
4 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
5 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
6 telephone number.

7 4. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
8 use of products or beverages containing alcohol.

9 5. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
10 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
11 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
12 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
13 make daily contact with the Board or its designee to determine whether biological fluid testing is
14 required. Respondent shall be tested on the date of the notification as directed by the Board or its
15 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
16 any time, including weekends and holidays. Except when testing on a specific date as ordered by
17 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
18 basis. The cost of biological fluid testing shall be borne by the Respondent.

19 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
20 During the second year of probation and for the duration of the probationary term, up to five (5)
21 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
22 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
23 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
24 of random tests to the first-year level of frequency for any reason.

25 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
26 approved in advance by the Board or its designee, that will conduct random, unannounced,
27 observed, biological fluid testing and meets all of the following standards:

28 ///

- 1 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
2 Association or have completed the training required to serve as a collector for the United
3 States Department of Transportation.
- 4 (b) Its specimen collectors conform to the current United States Department of
5 Transportation Specimen Collection Guidelines.
- 6 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
7 by the United States Department of Transportation without regard to the type of test
8 administered.
- 9 (d) Its specimen collectors observe the collection of testing specimens.
- 10 (e) Its laboratories are certified and accredited by the United States Department of Health
11 and Human Services.
- 12 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
13 of receipt and all specimens collected shall be handled pursuant to chain of custody
14 procedures. The laboratory shall process and analyze the specimens and provide legally
15 defensible test results to the Board within seven (7) business days of receipt of the
16 specimen. The Board will be notified of non-negative results within one (1) business day
17 and will be notified of negative test results within seven (7) business days.
- 18 (g) Its testing locations possess all the materials, equipment, and technical expertise
19 necessary in order to test Respondent on any day of the week.
- 20 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
21 for the detection of alcohol and illegal and controlled substances.
- 22 (i) It maintains testing sites located throughout California.
- 23 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
24 computer database that allows the Respondent to check in daily for testing.
- 25 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
26 access to drug test results and compliance reporting information that is available 24 hours a
27 day.
- 28 (l) It employs or contracts with toxicologists that are licensed physicians and have

1 knowledge of substance abuse disorders and the appropriate medical training to interpret
2 and evaluate laboratory biological fluid test results, medical histories, and any other
3 information relevant to biomedical information.

4 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
5 while practicing, even if the Respondent holds a valid prescription for the substance.

6 Prior to changing testing locations for any reason, including during vacation or other travel,
7 alternative testing locations must be approved by the Board and meet the requirements above.

8 The contract shall require that the laboratory directly notify the Board or its designee of
9 non-negative results within one (1) business day and negative test results within seven (7)
10 business days of the results becoming available. Respondent shall maintain this laboratory or
11 service contract during the period of probation.

12 A certified copy of any laboratory test result may be received in evidence in any
13 proceedings between the Board and Respondent.

14 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
15 administered to himself or herself a prohibited substance, the Board shall order Respondent to
16 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
17 medicine or providing medical services. The Board shall immediately notify all of Respondent's
18 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
19 provide medical services while the cease-practice order is in effect.

20 A biological fluid test will not be considered negative if a positive result is obtained while
21 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
22 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

23 After the issuance of a cease-practice order, the Board shall determine whether the positive
24 biological fluid test is in fact evidence of prohibited substance use by consulting with the
25 specimen collector and the laboratory, communicating with the licensee, his or her treating
26 physician(s), other health care provider, or group facilitator, as applicable.

27 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
28 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

1 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
2 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
3 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
4 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

5 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
6 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
7 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
8 any other terms or conditions the Board determines are necessary for public protection or to
9 enhance Respondent's rehabilitation.

10 6. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
11 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
12 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
13 Respondent shall participate in and successfully complete that program. Respondent shall
14 provide any information and documents that the program may deem pertinent. Respondent shall
15 successfully complete the classroom component of the program not later than six (6) months after
16 Respondent's initial enrollment, and the longitudinal component of the program not later than the
17 time specified by the program, but no later than one (1) year after attending the classroom
18 component. The professionalism program shall be at Respondent's expense and shall be in
19 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

20 A professionalism program taken after the acts that gave rise to the charges in Accusation
21 No. 800-2017-034089, but prior to the effective date of this Decision may be accepted towards
22 the fulfillment of this condition if the program would have been approved by the Board or its
23 designee had the program been taken after the effective date of this Decision.

24 Respondent shall submit a certification of successful completion to the Board or its
25 designee not later than 15 calendar days after successfully completing the program or not later
26 than 15 calendar days after the effective date of the Decision, whichever is later.

27 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
28 Respondent shall provide a true copy of this Decision and Petition to Revoke Probation to the

1 Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership
2 are extended to Respondent, at any other facility where Respondent engages in the practice of
3 medicine, including all physician and locum tenens registries or other similar agencies, and to the
4 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
5 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
6 15 calendar days.

7 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

8 8. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
9 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
10 advanced practice nurses.

11 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
12 governing the practice of medicine in California and remain in full compliance with any court
13 ordered criminal probation, payments, and other orders.

14 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
15 under penalty of perjury on forms provided by the Board, stating whether there has been
16 compliance with all the conditions of probation.

17 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
18 of the preceding quarter.

19 11. GENERAL PROBATION REQUIREMENTS.

20 Compliance with Probation Unit

21 Respondent shall comply with the Board's probation unit.

22 Address Changes

23 Respondent shall, at all times, keep the Board informed of Respondent's business and
24 residence addresses, email address (if available), and telephone number. Changes of such
25 addresses shall be immediately communicated in writing to the Board or its designee. Under no
26 circumstances shall a post office box serve as an address of record, except as allowed by Business
27 and Professions Code section 2021(b).

28 ///

1 Place of Practice

2 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
3 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
4 facility.

5 License Renewal

6 Respondent shall maintain a current and renewed California physician's and surgeon's
7 license.

8 Travel or Residence Outside California

9 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
10 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
11 (30) calendar days.

12 In the event Respondent should leave the State of California to reside or to practice,
13 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
14 departure and return.

15 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
16 available in person upon request for interviews either at Respondent's place of business or at the
17 probation unit office, with or without prior notice throughout the term of probation.

18 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
19 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
20 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
21 defined as any period of time Respondent is not practicing medicine as defined in Business and
22 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
23 patient care, clinical activity or teaching, or other activity as approved by the Board. If
24 Respondent resides in California and is considered to be in non-practice, Respondent shall
25 comply with all terms and conditions of probation. All time spent in an intensive training
26 program which has been approved by the Board or its designee shall not be considered non-
27 practice and does not relieve Respondent from complying with all the terms and conditions of
28 probation. Practicing medicine in another state of the United States or Federal jurisdiction while

1 on probation with the medical licensing authority of that state or jurisdiction shall not be
2 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
3 period of non-practice.

4 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
5 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
6 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
7 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
8 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

9 Respondent's period of non-practice while on probation shall not exceed two (2) years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice for a Respondent residing outside of California will relieve
12 Respondent of the responsibility to comply with the probationary terms and conditions with the
13 exception of this condition and the following terms and conditions of probation: Obey All Laws;
14 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
15 Controlled Substances; and Biological Fluid Testing.

16 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
17 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
18 completion of probation. Upon successful completion of probation, Respondent's certificate shall
19 be fully restored.

20 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
21 of probation is a violation of probation. If Respondent violates probation in any respect, the
22 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
23 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
24 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
25 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
26 be extended until the matter is final.

27 16. LICENSE SURRENDER. Following the effective date of this Decision, if
28 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy

1 the terms and conditions of probation, Respondent may request to surrender his or her license.
2 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
3 determining whether or not to grant the request, or to take any other action deemed appropriate
4 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
5 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
6 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
7 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
8 application shall be treated as a petition for reinstatement of a revoked certificate.

9 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
10 with probation monitoring each and every year of probation, as designated by the Board, which
11 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
12 California and delivered to the Board or its designee no later than January 31 of each calendar
13 year.

2 writing by the Board or its designee that he has completed thirty (30) calendar days of continuous
3 negative biological fluid testing, and completed a clinical diagnostic evaluation.

4 **PRIOR DISCIPLINARY HISTORY**

5 3. In a prior disciplinary action titled *In the Matter of the Accusation Against Bradley*
6 *Delmar Herrick, M.D.*, Case No. 800-2017-034089, the Board issued a Decision and Order,
7 effective April 19, 2019, in which Respondent's Physician's and Surgeon's Certificate was
8 revoked. However, the revocation was stayed and Respondent's Physician's and Surgeon's
9 Certificate was placed on probation for a period of three (3) years, subject to terms and conditions
10 of the Order, including biological fluid testing and abstaining from use of alcohol. A true and
11 correct copy of that Decision and Order is attached as Exhibit A and is incorporated by reference.

12 **JURISDICTION**

13 4. This Petition to Revoke Probation is brought before the Board under the authority of
14 the following laws, and under the Board's Decision and Order in Case No. 800-2017-034089. All
15 section references are to the Business and Professions Code (Code) unless otherwise indicated.

16 5. Section 2227 of the Code states, in pertinent part:

17 (a) A licensee whose matter has been heard by an administrative law judge of
18 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
19 Code, or whose default has been entered, and who is found guilty, or who has entered
into a stipulation for disciplinary action with the board, may, in accordance with the
provisions of this chapter:

20 (1) Have his or her license revoked upon order of the board.

21 (2) Have his or her right to practice suspended for a period not to exceed one
22 year upon order of the board.

23 (3) Be placed on probation and be required to pay the costs of probation
monitoring upon order of the board.

24 (4) Be publicly reprimanded by the board. The public reprimand may include a
25 requirement that the licensee complete relevant educational courses approved by the
board.

26 (5) Have any other action taken in relation to discipline as part of an order of
27 probation, as the board or an administrative law judge may deem proper.

28 ...

6. At all times after the effective date of the Decision and Order in Case No. 800-2017-034089, Probation Condition No. 2 stated:

Respondent shall abstain completely from the use of products or beverages containing alcohol.

7. At all times after the effective date of the Decision and Order in Case No. 800-2017-034089, Probation Condition No. 3 stated:

Respondent shall immediately submit to biological fluid testing, at Respondent's expense, upon request of the Board or its designee. "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall make daily contact with the Board or its designee to determine whether biological fluid testing is required. Respondent shall be tested on the date of the notification as directed by the Board or its designee. The Board may order a Respondent to undergo a biological fluid test on any day, at any time, including weekends and holidays. Except when testing on a specific date as ordered by the Board or its designee, the scheduling of biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall be borne by the Respondent.

During the first year of probation, Respondent shall be subject to 52 to 104 random tests. During the second year of probation and for the duration of the probationary term, up to five (5) years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no positive biological fluid tests in the previous five (5) consecutive years of probation, may testing be reduced to one (1) time per month. Nothing precludes the Board from increasing the number of random tests to the first-year level of frequency for any reason.

Prior to practicing medicine, Respondent shall contract with a laboratory or service, approved in advance by the Board or its designee, that will conduct random, unannounced, observed, biological fluid testing and meets all of the following standards:

(a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry Association or have completed the training required to serve as a collector for the United States Department of Transportation.

(b) Its specimen collectors conform to the current United States Department of Transportation Specimen Collection Guidelines.

(c) Its testing locations comply with the Urine Specimen Collection Guidelines published by the United States Department of Transportation without regard to the type of test administered.

(d) Its specimen collectors observe the collection of testing specimens.

(e) Its laboratories are certified and accredited by the United States Department of Health and Human Services.

(f) Its testing locations shall submit a specimen to a laboratory within one (1) business day of receipt and all specimens collected shall be handled pursuant to chain of custody procedures. The laboratory shall process and analyze the specimens and

1 provide legally defensible test results to the Board within seven (7) business days of
2 receipt of the specimen. The Board will be notified of non-negative results within
3 one (1) business day and will be notified of negative test results within seven (7)
4 business days.

5 (g) Its testing locations possess all the materials, equipment, and technical
6 expertise necessary in order to test Respondent on any day of the week.

7 (h) Its testing locations are able to scientifically test for urine, blood, and hair
8 specimens for the detection of alcohol and illegal and controlled substances.

9 (i) It maintains testing sites located throughout California.

10 (j) It maintains an automated 24-hour toll-free telephone system and/or a
11 secure on-line computer database that allows the Respondent to check in daily for
12 testing.

13 (k) It maintains a secure, HIPAA-compliant website or computer system that
14 allows staff access to drug test results and compliance reporting information that is
15 available 24 hours a day.

16 (l) It employs or contracts with toxicologists that are licensed physicians and
17 have knowledge of substance abuse disorders and the appropriate medical training to
18 interpret and evaluate laboratory biological fluid test results, medical histories, and
19 any other information relevant to biomedical information.

20 (m) It will not consider a toxicology screen to be negative if a positive result is
21 obtained while practicing, even if the Respondent holds a valid prescription for the
22 substance.

23 Prior to changing testing locations for any reason, including during vacation or
24 other travel, alternative testing locations must be approved by the Board and meet the
25 requirements above.

26 The contract shall require that the laboratory directly notify the Board or its
27 designee of non-negative results within one (1) business day and negative test results
28 within seven (7) business days of the results becoming available. Respondent shall
maintain this laboratory or service contract during the period of probation.

A certified copy of any laboratory test result may be received in evidence in any
proceedings between the Board and Respondent.

If a biological fluid test result indicates Respondent has used, consumed,
ingested, or administered to himself or herself a prohibited substance, the Board shall
order Respondent to cease practice and instruct Respondent to leave any place of
work where Respondent is practicing medicine or providing medical services. The
Board shall immediately notify all of Respondent's employers, supervisors and work
monitors, if any, that Respondent may not practice medicine or provide medical
services while the cease-practice order is in effect.

A biological fluid test will not be considered negative if a positive result is
obtained while practicing, even if the practitioner holds a valid prescription for the
substance. If no prohibited substance use exists, the Board shall lift the cease-
practice order within one (1) business day.

///

1 After the issuance of a cease-practice order, the Board shall determine whether
2 the positive biological fluid test is in fact evidence of prohibited substance use by
3 consulting with the specimen collector and the laboratory, communicating with the
4 licensee, his or her treating physician(s), other health care provider, or group
5 facilitator, as applicable.

6 For purposes of this condition, the terms "biological fluid testing" and "testing"
7 mean the acquisition and chemical analysis of a Respondent's urine, blood, breath, or
8 hair.

9 For purposes of this condition, the term "prohibited substance" means an illegal
10 drug, a lawful drug not prescribed or ordered by an appropriately licensed health care
11 provider for use by Respondent and approved by the Board, alcohol, or any other
12 substance the Respondent has been instructed by the Board not to use, consume,
13 ingest, or administer to himself or herself.

14 If the Board confirms that a positive biological fluid test is evidence of use of a
15 prohibited substance, Respondent has committed a major violation, as defined in
16 section 1361.52(a), and the Board shall impose any or all of the consequences set
17 forth in section 1361.52(b), in addition to any other terms or conditions the Board
18 determines are necessary for public protection or to enhance Respondent's
19 rehabilitation.

20 8. At all times after the effective date of the Decision and Order in Case No. 800-2017-
21 034089, Probation Condition No. 13 stated:

22 Failure to fully comply with any term or condition of probation is a violation of
23 probation. If Respondent violates probation in any respect, the Board, after giving
24 Respondent notice and the opportunity to be heard, may revoke probation and carry
25 out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
26 Probation, or an Interim Suspension Order is filed against Respondent during
27 probation, the Board shall have continuing jurisdiction until the matter is final, and
28 the period of probation shall be extended until the matter is final.

FIRST CAUSE TO REVOKE PROBATION

10 FSSolutions to determine if he was selected to provide a specimen for testing and analysis.

11 14. On or about September 29, 2020, Respondent was advised that his failure to make
12 daily contact with FSSolutions on or about September 25, 2020, was considered a violation of
13 probation, and that his continued failure to cooperate with the biological fluid testing requirement
14 could constitute grounds to issue a citation and fine.

15 15. Respondent's probation is subject to revocation because he failed to make daily
16 contact with FSSolutions to determine if he was selected to provide a specimen for testing and
17 analysis on or about September 25, 2020, as required under Probation Condition No. 3 of the

2 admitting that he drank multiple glasses of wine between on or about April 2, 2021, and on or
3 about April 4, 2021.

4 20. Respondent's probation is subject to revocation because he failed to abstain from
5 alcohol on or about April 15, 2021, as required under Probation Condition No. 2 of the Decision
6 and Order in Case No. 800-2017-034089.

7 **PRAYER**

8 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
9 and that following the hearing, the Medical Board of California issue a decision:

14 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
15 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
16 of random tests to the first-year level of frequency for any reason.

17 Prior to practicing medicine, Respondent shall contract with a laboratory or service,

26 calendar days.

27 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

28 ///

1 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
2 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
3 advanced practice nurses.

4 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
5 governing the practice of medicine in California and remain in full compliance with any court
6 ordered criminal probation, payments, and other orders.

7 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
8 under penalty of perjury on forms provided by the Board, stating whether there has been
9 compliance with all the conditions of probation.

10 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
11 of the preceding quarter.

12 9. GENERAL PROBATION REQUIREMENTS.

13 Compliance with Probation Unit

14 Respondent shall comply with the Board's probation unit.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021(b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 Travel or Residence Outside California

1 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
2 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
3 (30) calendar days.

4 In the event Respondent should leave the State of California to reside or to practice,
5 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
6 departure and return.

7 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
8 available in person upon request for interviews either at Respondent's place of business or at the
9 probation unit office, with or without prior notice throughout the term of probation.

10 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
11 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
12 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
13 defined as any period of time Respondent is not practicing medicine as defined in Business and
14 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
15 patient care, clinical activity or teaching, or other activity as approved by the Board. If
16 Respondent resides in California and is considered to be in non-practice, Respondent shall
17 comply with all terms and conditions of probation. All time spent in an intensive training
18 program which has been approved by the Board or its designee shall not be considered non-
19 practice and does not relieve Respondent from complying with all the terms and conditions of
20 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
21 on probation with the medical licensing authority of that state or jurisdiction shall not be
22 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
23 period of non-practice.

24 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
25 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
26 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
27 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
28 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

1 Respondent's period of non-practice while on probation shall not exceed two (2) years.

2 Periods of non-practice will not apply to the reduction of the probationary term.

3 Periods of non-practice for a Respondent residing outside of California will relieve
4 Respondent of the responsibility to comply with the probationary terms and conditions with the
5 exception of this condition and the following terms and conditions of probation: Obey All Laws;
6 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
7 Controlled Substances; and Biological Fluid Testing.

8 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
9 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
10 completion of probation. Upon successful completion of probation, Respondent's certificate shall
11 be fully restored.

12 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
13 of probation is a violation of probation. If Respondent violates probation in any respect, the
14 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
15 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
16 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
17 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
18 the matter is final.

19 14. LICENSE SURRENDER. Following the effective date of this Decision, if
20 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
21 the terms and conditions of probation, Respondent may request to surrender his or her license.
22 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
23 determining whether or not to grant the request, or to take any other action deemed appropriate
24 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
25 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
26 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
27 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
28 application shall be treated as a petition for reinstatement of a revoked certificate.

15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.

1 5. Section 2234 of the Code, states, in pertinent part:

2 "The board shall take action against any licensee who is charged with
3 unprofessional conduct. In addition to other provisions of this article,
4 unprofessional conduct includes, but is not limited to, the following:

5 "(a) Violating or attempting to violate, directly or indirectly, assisting in or
6 abetting the violation of, or conspiring to violate any provision of this chapter.
7 [Chapter 5, the Medical Practice Act].

8 "..."

9 6. Unprofessional conduct under Business and Professions Code section 2234 is
10 conduct which breaches the rules or ethical conduct of the medical profession, or conduct
11 which is unbecoming to a member in good standing of the medical profession, and which
12 demonstrated an unfitness to practice medicine. (*Shea v. Board of Medical Examiners*
13 (1978) 81 Cal.App.3d 564, 575.)

14 7. Section 2236 of the Code states, in pertinent part:

15 "(a) The conviction of any offense substantially related to the qualifications,
16 functions, or duties of a physician and surgeon constitutes unprofessional conduct
17 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The

27 controlled substance; or the use of any of the dangerous drugs specified in Section
28 4022, or of alcoholic beverages, to the extent, or in such a manner as to be

1 dangerous or injurious to the licensee, or to any other person or to the public, or to
2 the extent that such use impairs the ability of the licensee to practice medicine
3 safely or more than one misdemeanor or any felony involving the use,
4 consumption, or self-administration of any of the substances referred to in this
5 section, or any combination thereof, constitutes unprofessional conduct. The
6 record of the conviction is conclusive evidence of such unprofessional conduct.

7 “(b) A plea or verdict of guilty or a conviction following a plea of nolo
8 contendere is deemed to be a conviction within the meaning of this section. The
9 Division of Medical Quality¹ may order discipline of the licensee in accordance
10 with Section 2227 or the Division of Licensing may order the denial of the license

12 affirmed on appeal or when an order granting probation is made suspending
13 imposition of sentence, irrespective of a subsequent order under the provisions of
14 Section 1203.4 of the Penal Code allowing such person to withdraw his or her
15 plea of guilty and to enter a plea of not guilty, or setting aside the verdict of
16 guilty, or dismissing the accusation, complaint, information, or indictment.”²

17 9. Section 802.1 of the Code states:

references to the “Division of Medical Quality” and “Division of Licensing” in the Act or any other
provision of law shall be deemed to refer to the Board.

27 ² There is a nexus between a physician’s use of alcoholic beverages and his or her fitness to
28 practice medicine, established by the Legislature in section 2239, “in all cases where a licensed physician
used alcoholic beverages to the extent or in such a manner as to pose a danger to himself or others.”
(*Watson v. Superior Court (Medical Board)* (2009) 176 Cal.App.4th 1407, 1411.)

1 “(B) The conviction of the licensee, including any verdict of guilty, or plea
2 of guilty or no contest, of any felony or misdemeanor.

8 **FIRST CAUSE FOR DISCIPLINE**

9 **(Use of Alcoholic Beverages to the Extent, or in a Manner, as to be Dangerous to**
10 **Respondent, Another Person, or the Public)**

11 10. Respondent has subjected his Physician's and Surgeon's Certificate No. A55805 to
12 disciplinary action under sections 2227 and 2234, as defined by section 2239, subdivision (a), of
13 the Code, in that Respondent has used alcoholic beverages to the extent, or in such a manner, as
14 to be dangerous or injurious to himself, another person, or the public, as more particularly alleged
15 hereinafter:

16 11. On or about August 10, 2016, at approximately 4:14 p.m., National Park Service
17 Rangers were on patrol near the Glen Canyon National Recreation Area, when they were
18 dispatched to a report of a possible deceased or passed out male, drifting in a ski boat near
19 Gunsight and Padre Bay. When the Rangers arrived at the location, they found the ski boat
20 drifting along the shoreline. The Rangers maneuvered over the rocky shoreline and observed
21 Respondent alone, passed out in the driver's seat of the ski boat, with his head down, leaning over
22 the steering wheel.

23 12. As one of the Rangers boarded the ski boat, he noted the engine was off, but the keys
24 were still in the ignition, the ignition was turned to the “on” position, and the throttle was placed
25 in neutral. When Respondent was able to be awakened, the Rangers immediately noted that he
26 smelled of alcohol and slurred when he spoke. Respondent's sunglasses were cocked on his head
27 at a 45-degree angle, and he initially made no attempt to adjust them when speaking to the

28 ///

1. Rangers. Respondent exhibited difficulty in locating and retrieving his identification when asked,
2 and nearly fell over as he attempted to put on a life jacket.

3 13. A brief search of Respondent's ski boat yielded a half empty 350 ml bottle of vodka
4 in the center glove compartment near the operator's console.

5 14. After performing poorly on standard field sobriety tests, Respondent submitted to a
6 preliminary breath test, which registered his blood alcohol content to be .202 percent. Based
7 upon the totality of the circumstances, Respondent was then placed under arrest for boating under
8 the influence.

9 15. As Respondent was transported to a detention facility, he was uncooperative with the
10 Rangers' commands and had to be physically placed in a seated position multiple times. During
11 the booking process, Respondent refused to provide his social security number, and refused to
12 submit to further chemical testing.

13 16. On or about September 15, 2016, the United States Attorney filed a criminal
14 Information against Respondent in the matter entitled, *United States of America v. Bradley D.*
15 *Herrick*, United States District Court, District of Utah, Case No. 2:16-PO-00466-RTB.
16 Respondent was charged with three Class B Misdemeanors, including (1) Operating a vessel
17 under the influence of alcohol, in violation of 36 C.F.R. §3.10(a)(1); (2) Refusal to submit to
18 requested testing for blood/alcohol concentration, in violation of 36 C.F.R. §3.11(a)(1); and (3)
19 Operating a vehicle with an open container of alcohol, in violation of 36 C.F.R. §4.2(b) / U.C.A.
20 1953 § 41-6a-516(2).

21 17. On or about December 1, 2016, the United States Attorney filed a Superseding
22 Information against Respondent in Case No. 2:16-PO-00466-RTB, charging Respondent with one
23 Class B Misdemeanor for being under the influence of alcohol to an unsafe degree, in violation of
24 36 C.F.R. § 2.35(c).

25 18. On or about December 19, 2016, Respondent was convicted upon his plea of guilty to
26 being under the influence of alcohol to an unsafe degree, in violation of 36 C.F.R. § 2.35(c), and
27 was sentenced to ten days of custody, and ordered to pay approximately \$1,025.00 in fines and
28 fees.

1 19. On or about June 26, 2017, the Board received notification of Respondent's
2 misdemeanor conviction for the first time upon receipt of a letter from Respondent's counsel.

3 **SECOND CAUSE FOR DISCIPLINE**

4 (Conviction of a Crime Substantially Related to the Qualifications,
5 Functions, or Duties of a Physician and Surgeon)

6 20. Respondent has further subjected his Physician's and Surgeon's Certificate No.
7 A55805 to disciplinary action under sections 2227 and 2234, as defined by section 2236, of the
8 Code, in that Respondent has been convicted of a crime substantially related to the qualifications,
9 functions, or duties of a physician and surgeon, as more particularly alleged in paragraphs 10
10 through 19, above, which are hereby incorporated by reference and realleged as if fully set forth
11 herein.

12 **THIRD CAUSE FOR DISCIPLINE**

13 (Unprofessional Conduct)

14 21. Respondent has further subjected his Physician's and Surgeon's Certificate No.
15 A55805 to disciplinary action under sections 802.1, 2227, and 2234 of the Code, in that
16 Respondent has engaged in conduct which breaches the rules or ethical code of the medical
17 profession, or conduct that is unbecoming to a member in good standing of the medical
18 profession, and which demonstrates an unfitness to practice medicine, as more particularly
19 alleged in paragraphs 10 through 20, above, which are hereby incorporated by reference and
20 realleged as if fully set forth herein.

21 **PRAYER**

22 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
23 and that following the hearing, the Medical Board of California issue a decision:

24 1. Revoking or suspending Physician's and Surgeon's Certificate No. A55805, issued to
25 Respondent, Bradley Delmar Herrick, M.D.;

26 2. Revoking, suspending or denying approval of Respondent Bradley Delmar Herrick,
27 M.D.'s authority to supervise physician assistants and advanced practice nurses;

28 ///

1 3. Ordering Respondent Bradley Delmar Herrick, M.D., if placed on probation, to pay
2 the Board the costs of probation monitoring; and
