24 California (Board). A previous Interim Executive Director of the Board brought the original
25 Accusation solely in her official capacity. William Prasifka brought the First Amended
26 Accusation solely in his official capacity and is represented in this matter by Rob Bonta, Attorney
27 General of the State of California, by Caitlin Ross, Deputy Attorney General.
28

2. Respondent Alexander Lakowsky, M.D. (Respondent) is represented in this proceeding by attorney Bradford J. Hinshaw, Esq., whose address is: 12901 Saratoga Ave. Saratoga, CA 95070

3. On or about March 24, 2004, the Board issued Physician's and Surgeon's Certificate No. A 86437 to Alexander Lakowsky, M.D. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2018-039976, and will expire on March 31, 2022, unless renewed.

JURISDICTION

4. First Amended Accusation No. 800-2018-039976 was filed before the Board, and is currently pending against Respondent. The First Amended Accusation and all other statutorily required documents were properly served on Respondent on December 7, 2021. The original Accusation and all other statutorily required documents were properly served on Respondent on April 7, 2020. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of First Amended Accusation No. 800-2018-039976 is attached as Exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in First Amended Accusation No. 800-2018-039976. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. 1 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
2 every right set forth above.

3 **CULPABILITY**

4 9. Respondent understands and agrees that the charges and allegations in First Amended
5 Accusation No. 800-2018-039976, if proven at a hearing, constitute cause for imposing discipline
6 upon his Physician's and Surgeon's Certificate.

7 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case
8 or factual basis for the charges in the First Amended Accusation, and that Respondent hereby
9 gives up his right to contest those charges.

10 11. Respondent does not contest that, at an administrative hearing, Complainant could
11 establish a prima facie case with respect to the charges and allegations in First Amended
12 Accusation No. 800-2018-039976, a true and correct copy of which is attached hereto as Exhibit
13 A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 86437 to
14 disciplinary action.

15 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
16 discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the

22 settlement, without notice to or participation by Respondent or his counsel. By signing the
23 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
24 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
25 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
26 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
27 action between the parties, and the Board shall not be disqualified from further action by having
28 considered this matter.

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

JURISDICTION

3. This First Amended Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states, in part:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

...

1 6. Section 2242, subdivision (a) of the Code provides that prescribing, dispensing or
2 furnishing dangerous drugs without an appropriate prior examination and a medical indication
3 constitutes unprofessional conduct.

4 **FIRST CAUSE FOR DISCIPLINE**
5 **(Unprofessional Conduct, Gross Negligence, Repeated Negligent Acts, and/or Prescribing**
6 **Without an Appropriate Medical Examination/Medical Indication)**

7 7. Respondent Alexander Lakowsky, M.D. is subject to disciplinary action under
8 sections 2234; and/or 2234, subdivision (a); and/or 2234, subdivision (b); and/or 2234,
9 subdivision (c); and/or 2242, subdivision (a) of the Code in that Respondent committed
10 unprofessional conduct, and/or gross negligence, and/or repeated negligent acts, and/or
11 prescribing without an appropriate medical examination or medical indication for Patient One.¹
12 The circumstances are as follows:

13 8. From 2012 through 2018, Respondent treated Patient One for a variety of issues,
14 including chronic back pain. In August 2012, Dr. Y.C. informed Respondent that Patient One
15 “will most likely require chronic spinal pain management.”

16 9. On August 4, 2014, Patient One had an encounter with Respondent. Patient One
17 complained of mid to lower back pain due to a vertebral fracture a few years before. Patient One
18 informed Respondent that “[h]e tried some of his wife’s Fentanyl patch and it worked very well.
19 He is hoping to get his own prescription.” On that date, Respondent prescribed fentanyl to
20 Patient One, then followed up with three more refills before February 2015.

21 10. Respondent did not perform a physical back examination at the August 4, 2014
22 encounter when he began prescribing fentanyl to Patient One.

23 11. Fentanyl is a potent narcotic analgesic. It is a dangerous drug as defined in section
24 4022 and a Schedule II controlled substance and narcotic as defined by section 11055, subdivision
25 (c)(8), of the Health and Safety Code. Other central nervous system depressant drugs will have
26 additive or potentiating effects when combined with fentanyl. Fentanyl can produce drug
27 dependence of the morphine type and therefore has the potential for being abused.

28 ¹ The patient is referred to by number to protect his privacy. Respondent is aware of the
name of the patient.

1 12. On February 5, 2015, Respondent documented, "He is trying to get off the patch
2 (Fentanyl Patch) and he's had some success with it." Thirty-day refills commenced again in
3 March and May, with the August prescription being a 90-day refill.

4 13. On January 5, 2016, Respondent noted, "He continues with back pain and he uses
5 Fentanyl patch that only works for 2.5 days. He cannot get by with every 3rd day change of the
6 patch."

7 14. On November 29, 2017, another physician provider for Patient One wrote, "Chronic
8 constipation- in part exacerbated by chronic narcotic use has been non compliant with fiber and
9 laxatives." (sic.)

10 15. On December 18, 2017, Respondent wrote of Patient One, "He's been having some
11 issues with 'digestion' -> his stools are sometimes too hard causing too much straining. His pain
12 is Ok, controlled with fentanyl patch and norco. This in turn, could be causing his
13 constipation[.]" However, Patient One had only received a 5-day supply of Norco 14 months
14 earlier on October 2, 2016, and another 5-day supply 41 months earlier on July 14, 2014.

15 16. On July 26, 2018, Respondent wrote, "He's mainly concerned about uncomfortable
16 feeling in his abdomen; he feels like 'ants' are crawling on the inside of the abdomen. He thinks
17 he may have some component of depression that he refused to treat (was prescribed sertraline in
18 the past but he was too worried about side effects). He is on Fentanyl Patch due to chronic back
19 pain for at least 3-4 years." Additionally, Respondent noted, "Symptoms are likely due to chronic
20 fental use (sic); he will use biofeedback as he cannot go off of it due to chronic pain."

21 17. During the time Respondent was prescribing narcotics to Patient 1, beginning in
22 2014, Respondent did not check the CURES² report for Patient 1 until October 23, 2018. The
23 CURES report should be checked at least yearly to be sure the patient is not getting opiates from
24 multiple providers.

25 18. Respondent is guilty of unprofessional conduct and subject to disciplinary action
26 under sections 2234; and/or 2234, subdivision (a); and/or 2234, subdivision (b); and/or 2234,

27 ² The Controlled Substance Utilization Review and Evaluation System (CURES) is a
28 database of Schedule II, III and IV controlled substance prescription dispensed in California
serving the public health, regulatory oversight agencies, and law enforcement.

subdivision (c); and/or 2242, subdivision (a) of the Code, including but not limited to the following:

A. At the time of initiating the prescription of fentanyl to Patient One, Respondent failed to perform a physical back exam, in violation of the standard of care for evaluating a patient for long term use of narcotics.

B. Over many years of prescribing narcotics to Patient One, Respondent failed to check the CURES report yearly, in violation of the standard of care for monitoring a patient for whom a provider has prescribed narcotics.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number A 86437, issued to Respondent Alexander Lakowsky, M.D.;

2. Revoking, suspending or denying approval of Respondent Alexander Lakowsky, M.D.'s authority to supervise physician assistants and advanced practice nurses;

3. Ordering Respondent Alexander Lakowsky, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
