DISCIPLINARY ORDER

IT IS HEREBY ORDERED that the probation granted in case no. 800-2017-033770 is revoked, and Physician's and Surgeon's Certificate No. A 47822 issued to Respondent Peter Jonathan Rogers, M.D. is thereby revoked. However, the revocation is stayed and Respondent is placed on a new grant of probation for three (3) years on the following terms and conditions:

1. WRITTEN EXAMINATION. Within 90 days of the effective date of this Decision, Respondent shall register to take and pass the Special Purpose Examination (SPEX). Failure to pass the required written examination within one year after the effective date of this Decision is a violation of probation. Respondent shall pay all costs of all examinations. Respondent shall not practice medicine until Respondent has passed the required examinations and has been so notified by the Board or its designee in writing.

2. PAYMENT OF PAST DUE PROBATION MONITORING COSTS. Within 90 days of the effective date of this Decision, Respondent shall pay all outstanding probation monitoring costs totaling \$15,040.71, which were incurred during the probationary period in case no. 800-2017-0033770, including the following costs: 2019 (\$3,757.71), 2020 (\$4,800.00), and 2021 (\$6,483.00).

3. RENEWAL OF LICENSE. Within 30 days of the effective date of this Decision, Respondent shall renew his California Physician's and Surgeon's License.

4. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval the name and qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who has a doctoral degree in psychology and at least five years of postgraduate experience in the diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and continue psychotherapy treatment, including any modifications to the frequency of psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

The psychotherapist shall consider any information provided by the Board or its designee and any other information the psychotherapist deems relevant and shall furnish a written evaluation report to the Board or its designee. Respondent shall cooperate in providing the

1 psychotherapist with any information and documents that the psychotherapist may deem
2 pertinent.

3 Respondent shall have the treating psychotherapist submit quarterly status reports to the
4 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
5 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
6 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
7 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
8 period of probation shall be extended until the Board determines that Respondent is mentally fit
9 to resume the practice of medicine without restrictions.

10 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

11 5. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
12 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
13 where: 1) Respondent merely shares office space with another physician but is not affiliated for
14 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
15 location.

16 Respondent shall establish practice with another physician or secure employment in an
17 appropriate practice setting prior to resuming the practice of medicine. Respondent shall notify
18 the Board or its designation within five (5) calendar days of engaging in the solo practice of
19 medicine. Respondent shall receive a notification from the Board or its designee to cease the
20 practice of medicine within three (3) calendar days upon notification that Respondent is engaging
21 in the solo practice medicine. The Respondent shall not resume the practice of medicine until an
22 appropriate practice setting is established.

23 If, during the course of the probation, the Respondent's practice setting changes and the
24 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
25 shall notify the Board or its designee within five (5) calendar days of the practice setting change.
26 If Respondent fails to establish a practice with another physician or secure employment in an
27 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
28 shall receive a notification from the Board or its designee to cease the practice of medicine within

1 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
2 appropriate practice setting is established.

3 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
4 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
5 Chief Executive Officer at every hospital where privileges or membership are extended to
6 Respondent, at any other facility where Respondent engages in the practice of medicine,
7 including all physician and locum tenens registries or other similar agencies, and to the Chief
8 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
9 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
10 calendar days.

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

12 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
13 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
14 advanced practice nurses.

15 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
16 governing the practice of medicine in California and remain in full compliance with any court
17 ordered criminal probation, payments, and other orders.

18 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly
19 declarations under penalty of perjury on forms provided by the Board, stating whether there has
20 been compliance with all the conditions of probation.

21 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
22 of the preceding quarter.

23 10. GENERAL PROBATION REQUIREMENTS.

24 Compliance with Probation Unit

25 Respondent shall comply with the Board's probation unit.

26 Address Changes

27 Respondent shall, at all times, keep the Board informed of Respondent's business and
28 residence addresses, email address (if available), and telephone number. Changes of such

addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training

1 program which has been approved by the Board or its designee shall not be considered non-
2 practice and does not relieve Respondent from complying with all the terms and conditions of
3 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
4 on probation with the medical licensing authority of that state or jurisdiction shall not be
5 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
6 period of non-practice.

7 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
8 months, Respondent shall successfully complete the Federation of State Medical Board's Special
9 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
10 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
11 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

12 Respondent's period of non-practice while on probation shall not exceed two (2) years.

13 Periods of non-practice will not apply to the reduction of the probationary term.

14 Periods of non-practice for a Respondent residing outside of California will relieve
15 Respondent of the responsibility to comply with the probationary terms and conditions with the
16 exception of this condition and the following terms and conditions of probation: Obey All Laws;
17 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
18 Controlled Substances; and Biological Fluid Testing.

19 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
20 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
21 completion of probation. Upon successful completion of probation, Respondent's certificate shall
22 be fully restored.

23 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
24 of probation is a violation of probation. If Respondent violates probation in any respect, the
25 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
26 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
27 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
28 continuing jurisdiction until the matter is final, and the period of probation shall be extended until

1 the matter is final.

2 15. LICENSE SURRENDER. Following the effective date of this Decision, if
3 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
4 the terms and conditions of probation, Respondent may request to surrender his or her license.
5 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
6 determining whether or not to grant the request, or to take any other action deemed appropriate
7 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
8 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
9 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
10 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
11 application shall be treated as a petition for reinstatement of a revoked certificate.

12 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
13 with probation monitoring each and every year of probation, as designated by the Board, which
14 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
15 California and delivered to the Board or its designee no later than January 31 of each calendar
16 year.

17 ACCEPTANCE

18 I have carefully read the Stipulated Settlement and Disciplinary Order. I understand the
19 stipulation and the effect it will have on my Physician's and Surgeon's Certificate, and Physician's
20 and Surgeon's License. I enter into this Stipulated Settlement and Disciplinary Order voluntarily,
21 knowingly, and intelligently, and agree to be bound by the Decision and Order of the Medical
22 Board of California.

///

III

1 6. Section 118, subdivision (b), of the Code provides that the expiration of a license
2 shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period
3 within which the license may be renewed, restored, reissued or reinstated.

4 **FIRST CAUSE TO REVOKE PROBATION**

5 **(Non-Practice While on Probation)**

6 7. At all times after the effective date of Respondent's probation, Condition 9 stated:

7 "NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more
9 than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-
10 practice is defined as any period of time Respondent is not practicing medicine as defined
11 in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar
12 month in direct patient care, clinical activity or teaching, or other activity as approved by
13 the Board. If Respondent resides in California and is considered to be in non-practice,
14 Respondent shall comply with all terms and conditions of probation. All time spent in an
15 intensive training program which has been approved by the Board or its designee shall not
16 be considered non-practice and does not relieve Respondent from complying with all the
17 terms and conditions of probation. Practicing medicine in another state of the United States
18 or Federal jurisdiction while on probation with the medical licensing authority of that state
19 or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice
20 shall not be considered as a period of non-practice.

21 "In the event Respondent's period of non-practice while on probation exceeds 18
22 calendar months, Respondent shall successfully complete the Federation of State Medical
23 Board's Special Purpose Examination, or, at the Board's discretion, a clinical competence
24 assessment program that meets the criteria of Condition 18 of the current version of the
25 Board's "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to
26 resuming the practice of medicine.

27 "Respondent's period of non-practice while on probation shall not exceed two (2)
28 years.

1 “Periods of non-practice will not apply to the reduction of the probationary term.

2 Periods of non-practice for a Respondent residing outside of California will relieve
3 Respondent of the responsibility to comply with the probationary terms and conditions with
4 the exception of this condition and the following terms and conditions of probation: Obey
5 All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use
6 of Alcohol and/or Controlled Substances; and Biological Fluid Testing.”

7 8. Respondent's probation is subject to revocation because he failed to comply with
8 Probation Condition 9, referenced above. The facts and circumstances regarding this violation
9 are as follows:

10 A. On or about February 11, 2019, Respondent participated in a probation intake
11 interview and acknowledged an understanding of the disciplinary order and all of the terms and
12 conditions of his probation and required timeframes.

13 B. On or about April 30, 2019, the Board received Respondent's quarterly declaration
14 for the first quarter of 2019, in which Respondent advised the Board that he was unemployed and
15 not practicing medicine.

16 C. On or about October 14, 2020, the Board sent Respondent a letter advising that his
17 non-practice exceeded 18 months on August 13, 2020, and that his period of non-practice would
18 exceed two years on February 13, 2021. The letter further advised that a period of non-practice in
19 excess of eighteen months, would require that he successfully complete a clinical training
20 program to resume practice in California. It also informed Respondent that, if his non-practice
21 exceeded two years, it would be considered a violation of probation and the Board would seek
22 further disciplinary action against his license.

23 D. On or about July 13, 2021, the Board sent Respondent another letter advising that his
24 period of non-practice exceeded two years on February 13, 2021, and that he was in violation of
25 probation.

26 E. Respondent has been in non-practice status since February 13, 2019.

27 ///

28 ///

1 E. To date, Respondent has failed to pay his probation monitoring fees for 2019 in the
2 amount of \$3,757.71, and for 2020 in the amount of \$4,800.00, for a total amount of \$8,557.71.

3 **THIRD CAUSE TO REVOKE PROBATION**

4 **(Failure to Maintain a Valid License)**

5 11. At all times after the effective date of Respondent's probation, Condition 7 stated:

6 "License Renewal. Respondent shall maintain a current and renewed California physician's
7 and surgeon's license."

8 12. Respondent's probation is subject to revocation because he failed to comply with
9 Probation Condition 7, referenced above. The facts and circumstances regarding this violation
10 are as follows:

11 A. On July 31, 2021, Respondent's license expired. On August 3, 2021, the Board sent
12 Respondent a letter advising him that his license expired on July 31, 2021, and that he was out of
13 compliance with the terms of his probation. Respondent was advised that a failure to renew his
14 license by August 10, 2021, may result in further discipline. To date, Respondent has failed to
15 renew his license.

16 **PRAYER**

17 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
18 and that following the hearing, the Medical Board of California issue a decision:

19 1. Revoking the probation that was granted by the Medical Board of California in Case
20 No. 800-2017-033770 and imposing the disciplinary order that was stayed thereby revoking
21 Physician's and Surgeon's Certificate No. A 47822 issued to Respondent Peter Jonathan Rogers,
22 M.D.;

23 2. Revoking or suspending Physician's and Surgeon's Certificate No. A 47822, issued
24 to Respondent Peter Jonathan Rogers, M.D.;

25 3. Revoking, suspending or denying approval of Respondent Peter Jonathan Rogers,

28 owed to the Board for the costs previously awarded in this case;

- 1 5. Ordering Respondent Peter Jonathan Rogers, M.D. to pay the Medical Board of
2 California the reasonable costs of the investigation and enforcement of this case, and, if probation
3 is continued or extended, the costs of probation monitoring; and
4 6. Taking such other and further action as deemed necessary and proper.

26 to Respondent Peter Jonathan Rogers, M.D. is revoked. However, the revocation is stayed and
27 Respondent is placed on probation for three (3) years on the following terms and conditions.

28 1. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,

1 Respondent shall submit to the Board or its designee for prior approval the name and
2 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
3 has a doctoral degree in psychology and at least five years of postgraduate experience in the
4 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
5 undergo and continue psychotherapy treatment, including any modifications to the frequency of
6 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

7 The psychotherapist shall consider any information provided by the Board or its designee
8 and any other information the psychotherapist deems relevant and shall furnish a written
9 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
10 psychotherapist with any information and documents that the psychotherapist may deem
11 pertinent.

12 Respondent shall have the treating psychotherapist submit quarterly status reports to the
13 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
14 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
15 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
16 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
17 period of probation shall be extended until the Board determines that Respondent is mentally fit
18 to resume the practice of medicine without restrictions.

19 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

20 2. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
21 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
22 where: 1) Respondent merely shares office space with another physician but is not affiliated for
23 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
24 location.

25 If Respondent fails to establish a practice with another physician or secure employment in
26 an appropriate practice setting within 60 calendar days of the effective date of this Decision,
27 Respondent shall receive a notification from the Board or its designee to cease the practice of
28 medicine within three (3) calendar days after being so notified. The Respondent shall not resume

1 practice until an appropriate practice setting is established.

2 If, during the course of the probation, the Respondent's practice setting changes and the
3 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
4 shall notify the Board or its designee within five (5) calendar days of the practice setting change.

5 If Respondent fails to establish a practice with another physician or secure employment in an
6 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
7 shall receive a notification from the Board or its designee to cease the practice of medicine within
8 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
9 appropriate practice setting is established.

10 3. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
11 Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief
12 of Staff or the Chief Executive Officer at every hospital where privileges or membership are
13 extended to Respondent, at any other facility where Respondent engages in the practice of
14 medicine, including all physician and locum tenens registries or other similar agencies, and to the
15 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
16 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
17 15 calendar days.

18 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

19 4. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
20 NURSES: During probation, Respondent is prohibited from supervising physician assistants and
21 advanced practice nurses.

22 5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
23 governing the practice of medicine in California and remain in full compliance with any court
24 ordered criminal probation, payments, and other orders.

25 6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
26 under penalty of perjury on forms provided by the Board, stating whether there has been
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 7. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit.

5 Address Changes

6 Respondent shall, at all times, keep the Board informed of Respondent's business and
7 residence addresses, email address (if available), and telephone number. Changes of such
8 addresses shall be immediately communicated in writing to the Board or its designee. Under no
9 circumstances shall a post office box serve as an address of record, except as allowed by Business
10 and Professions Code section 2021(b).

11 Place of Practice

12 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
13 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
14 facility.

15 License Renewal

16 Respondent shall maintain a current and renewed California physician's and surgeon's
17 license.

18 Travel or Residence Outside California

19 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
20 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
21 (30) calendar days.

22 In the event Respondent should leave the State of California to reside or to practice
23 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
24 departure and return.

25 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
26 available in person upon request for interviews either at Respondent's place of business or at the
27 probation unit office, with or without prior notice throughout the term of probation.

28 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or

1 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
2 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
3 defined as any period of time Respondent is not practicing medicine as defined in Business and
4 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
5 patient care, clinical activity or teaching, or other activity as approved by the Board. If
6 Respondent resides in California and is considered to be in non-practice, Respondent shall
7 comply with all terms and conditions of probation. All time spent in an intensive training
8 program which has been approved by the Board or its designee shall not be considered non-
9 practice and does not relieve Respondent from complying with all the terms and conditions of
10 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
11 on probation with the medical licensing authority of that state or jurisdiction shall not be
12 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
13 period of non-practice.

14 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
15 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
16 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
17 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
18 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve
22 Respondent of the responsibility to comply with the probationary terms and conditions with the
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
25 Controlled Substances; and Biological Fluid Testing..

26 10. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
28 completion of probation. Upon successful completion of probation, Respondent's certificate shall

1 be fully restored.

2 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
3 of probation is a violation of probation. If Respondent violates probation in any respect, the
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
6 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
7 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
8 the matter is final.

9 12. LICENSE SURRENDER. Following the effective date of this Decision, if
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
11 the terms and conditions of probation, Respondent may request to surrender his or her license.
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
13 determining whether or not to grant the request, or to take any other action deemed appropriate
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
20 with probation monitoring each and every year of probation, as designated by the Board, which
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
22 California and delivered to the Board or its designee no later than January 31 of each calendar
23 year.
