22 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
23 included in a stipulated settlement.

24 **FIRST CAUSE FOR DISCIPLINE**

25 (Gross Negligence/Repeated Negligent Acts/Incompetence/Dishonesty)

26 6. uBiome, Inc. was a biotechnology company based in San Francisco, CA that
27 developed technology to sequence the human microbiome. Its main product, a "SmartGut" test,
28 analyzed gut microbes in patients.

1 7. Staff Care, a unit of AMN Healthcare, provided the physician staffing to uBiome
2 starting in 2017, and doctors were paid to approve uBiome tests.

3 8. In July, 2018 Respondent began working for AMN Healthcare, in the Staff Care unit.
4 His job duties including preordering stool studies for patients who sent in their stool specimens
5 for "SmartGut" testing to be performed by uBiome. The decision to order tests was based on
6 patients filling out an online checklist of symptoms. There was no verification of these symptoms,
7 further history or physical exam, or any direct communication with the patients prior to ordering
8 tests.

9 9. Respondent relied solely on the online checklist to order tests. Respondent ordered
10 expensive test kits (\$2,970.00 per kit) sometimes up to six kits per patient. Respondent also
11 ordered retesting of specimens without consultation with patients.

12 10. Patients were informed by uBiome there would be no charge to them for SmartGut
13 testing, as payments could be used towards a patient's insurance deductible, without the patient
14 spending their own money.

15 11. Respondent has no background in Microbiology, Infectious Diseases, Genetics or
16 Intestinal Medicine. Prior to July 2018, his training was in Pediatrics and Anesthesia. During the
17 time he ordered tests for uBiome, Respondent was not board certified in any specialty and had no
18 active hospital privileges.

19 13. As an example of Respondent's involvement in uBiome, on October 24, 2017 a
20 SmartGut test was ordered by uBiome for a patient who later filed a complaint with the
21 Department of Consumer Affairs. The results of the test were normal. Respondent ordered
22 additional tests for Patient, including the retesting of samples. Respondent failed to examine or
23 interact directly Patient prior to ordering the laboratory tests. Respondent permitted his name and
24 medical license to be used to preauthorize tests for Patient. After three normal tests, the fourth
25 test was denied coverage by Patient's insurance carrier. Respondent never had any interaction
26 with Patient before ordering the tests, after the testing was sent in, or after the results were
27 returned.

28

1 15. Respondent is guilty of unprofessional conduct and Respondent's certificate is subject
2 to discipline pursuant to Sections 2234 and/or 2234(b) and/or 2234(c) and/or 2234(d) and/or
3 2234(e) of the Code based upon gross negligence and/or repeated negligent acts, and/or
4 incompetence and/or dishonest or corrupt acts as follows:

- 5 a. Respondent repeatedly ordering tests without any exam or consultation with patients
6 b. Respondent repeatedly ordered tests for patients, without any medical indication,
7 c. Respondent repeatedly ordered tests for patients, without knowledge or training as the
8 validity or purpose of the tests, or whether there was any medical indication for the tests
9 d. Respondent repeatedly facilitated the submission of false insurance claims.

10
