**DISCIPLINARY ORDER**

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 113786 issued to Respondent Anuj Vaid, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for four (4) years on the following terms and conditions:

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a professionalism program, that meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1. Respondent shall participate in and successfully complete that program. Respondent shall provide any information and documents that the program may deem pertinent. Respondent shall successfully complete the classroom component of the program not later than six (6) months after Respondent's initial enrollment, and the longitudinal component of the program not later than the time specified by the program, but no later than one (1) year after attending the classroom component. The professionalism program shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A professionalism program taken after the acts that gave rise to the charges in the

1 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
2 or its designee, be accepted towards the fulfillment of this condition if the program would have  
3 been approved by the Board or its designee had the program been taken after the effective date of  
4 this Decision.

5 Respondent shall submit a certification of successful completion to the Board or its  
6 designee not later than 15 calendar days after successfully completing the program or not later  
7 than 15 calendar days after the effective date of the Decision, whichever is later.

8 3. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
9 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
10 monitor, the name and qualifications of one or more licensed physicians and surgeons whose  
11 licenses are valid and in good standing, and who are preferably American Board of Medical  
12 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
13 relationship with Respondent, or other relationship that could reasonably be expected to  
14 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
15 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
16 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

17 The Board or its designee shall provide the approved monitor with copies of the Decision  
18 and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the  
19 Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed statement  
20 that the monitor has read the Decision and Accusation, fully understands the role of a monitor,  
21 and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the  
22 proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed  
23 statement for approval by the Board or its designee.

24 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
25 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
26 make all records available for immediate inspection and copying on the premises by the monitor  
27 at all times during business hours and shall retain the records for the entire term of probation.

28 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective

1 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
2 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
3 shall cease the practice of medicine until a monitor is approved to provide monitoring  
4 responsibility.

5 The monitor shall submit a quarterly written report to the Board or its designee which  
6 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
7 are within the standards of practice of medicine and whether Respondent is practicing medicine  
8 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
9 that the monitor submits the quarterly written reports to the Board or its designee within 10  
10 calendar days after the end of the preceding quarter.

11 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
12 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
13 name and qualifications of a replacement monitor who will be assuming that responsibility within  
14 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
15 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
16 notification from the Board or its designee to cease the practice of medicine within three (3)  
17 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
18 replacement monitor is approved and assumes monitoring responsibility.

19 In lieu of a monitor, Respondent may participate in a professional enhancement program  
20 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
21 review, semi-annual practice assessment, and semi-annual review of professional growth and  
22 education. Respondent shall participate in the professional enhancement program at Respondent's  
23 expense during the term of probation.

24 4. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the  
25 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice  
26 where: 1) Respondent merely shares office space with another physician but is not affiliated for  
27 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that  
28 location.

1 If Respondent fails to establish a practice with another physician or secure employment in  
2 an appropriate practice setting within 60 calendar days of the effective date of this Decision,  
3 Respondent shall receive a notification from the Board or its designee to cease the practice of  
4 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
5 practice until an appropriate practice setting is established.

6 If, during the course of the probation, the Respondent's practice setting changes and the  
7 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent  
8 shall notify the Board or its designee within five (5) calendar days of the practice setting change.  
9 If Respondent fails to establish a practice with another physician or secure employment in an  
10 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
11 shall receive a notification from the Board or its designee to cease the practice of medicine within  
12 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
13 appropriate practice setting is established.

14 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
15 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
16 Chief Executive Officer at every hospital where privileges or membership are extended to  
17 Respondent, at any other facility where Respondent engages in the practice of medicine,  
18 including all physician and locum tenens registries or other similar agencies, and to the Chief  
19 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
20 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
21 calendar days.

22 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

23 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
24 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
25 advanced practice nurses.

26 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
27 governing the practice of medicine in California and remain in full compliance with any court  
28 ordered criminal probation, payments, and other orders.

1           8.    INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
2 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
3 limited to, expert review, amended accusations, legal reviews, joint investigations, and subpoena  
4 enforcement, as applicable, in the amount of \$10,561.25 (ten thousand five hundred and sixty-one  
5 dollars and twenty-five cents). Costs shall be payable to the Medical Board of California. Failure  
6 to pay such costs shall be considered a violation of probation.

7           Any and all requests for a payment plan shall be submitted in writing by respondent to the  
8 Board.

9           The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility  
10 to repay investigation and enforcement costs, including expert review costs (if applicable).

11          9.    QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
12 under penalty of perjury on forms provided by the Board, stating whether there has been  
13 compliance with all the conditions of probation.

14          Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
15 of the preceding quarter.

16          10.   GENERAL PROBATION REQUIREMENTS.

17          Compliance with Probation Unit

18          Respondent shall comply with the Board's probation unit.

19          Address Changes

20          Respondent shall, at all times, keep the Board informed of Respondent's business and  
21 residence addresses, email address (if available), and telephone number. Changes of such  
22 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
23 circumstances shall a post office box serve as an address of record, except as allowed by Business  
24 and Professions Code section 2021, subdivision (b).

25          Place of Practice

26          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
27 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
28 facility.

1        License Renewal

2        Respondent shall maintain a current and renewed California physician's and surgeon's  
3 license.

4        Travel or Residence Outside California

5        Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
7 (30) calendar days.

8        In the event Respondent should leave the State of California to reside or to practice  
9 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
10 departure and return.

11        11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
12 available in person upon request for interviews either at Respondent's place of business or at the  
13 probation unit office, with or without prior notice throughout the term of probation.

14        12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
15 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
16 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
17 defined as any period of time Respondent is not practicing medicine as defined in Business and  
18 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
19 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
20 Respondent resides in California and is considered to be in non-practice, Respondent shall  
21 comply with all terms and conditions of probation. All time spent in an intensive training  
22 program which has been approved by the Board or its designee shall not be considered non-  
23 practice and does not relieve Respondent from complying with all the terms and conditions of  
24 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
25 on probation with the medical licensing authority of that state or jurisdiction shall not be  
26 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
27 period of non-practice.

28        In the event Respondent's period of non-practice while on probation exceeds 18 calendar

1 months, Respondent shall successfully complete the Federation of State Medical Board's Special  
2 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
3 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
4 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

5 Respondent's period of non-practice while on probation shall not exceed two (2) years.

6 Periods of non-practice will not apply to the reduction of the probationary term.

7 Periods of non-practice for a Respondent residing outside of California will relieve  
8 Respondent of the responsibility to comply with the probationary terms and conditions with the  
9 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
10 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
11 Controlled Substances; and Biological Fluid Testing.

12 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
13 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
14 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
15 be fully restored.

16 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
17 of probation is a violation of probation. If Respondent violates probation in any respect, the  
18 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
19 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
20 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
21 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
22 be extended until the matter is final.

23 15. LICENSE SURRENDER. Following the effective date of this Decision, if  
24 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
25 the terms and conditions of probation, Respondent may request to surrender his license. The  
26 Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
27 determining whether or not to grant the request, or to take any other action deemed appropriate  
28 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent

1 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
2 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
3 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
4 application shall be treated as a petition for reinstatement of a revoked certificate.

5 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
6 with probation monitoring each and every year of probation, as designated by the Board, which  
7 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
8 California and delivered to the Board or its designee no later than January 31 of each calendar  
9 year.

10 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
11 a new license or certification, or petition for reinstatement of a license, by any other health care  
12 licensing action agency in the State of California, all of the charges and allegations contained in  
13 Accusation No. 800-2020-067949 shall be deemed to be true, correct, and admitted by  
14 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
15 restrict license.
