10. **QUARTERLY DECLARATIONS.** Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Response shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

11. **GENERAL PROBATION REQUIREMENTS.**

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.
Address Changes

Respondent shall, at all times, keep the Board informed of Respondent’s business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021(b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent’s or patient’s place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician’s and surgeon’s license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent’s place of business or at the probation unit office, with or without prior notice throughout the term of probation.

13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of respondent’s return to practice. Non-practice is defined as any period of time respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar
month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If respondent resides in California and is considered to be in non-practice, respondent shall comply with all terms and conditions of probation. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice and does not relieve respondent from complying with all the terms and conditions of probation. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

In the event respondent's period of non-practice while on probation exceeds 18 calendar months, respondent shall successfully complete the Federation of State Medical Board's Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment program that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

Respondent's period of non-practice while on probation shall not exceed two (2) years. Periods of non-practice will not apply to the reduction of the probationary term.

Periods of non-practice for a respondent residing outside of California, will relieve respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or Controlled Substances; and Biological Fluid Testing.

14. **COMPLETION OF PROBATION.** Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. Upon successful completion of probation, Respondent’s certificate shall be fully restored.

15. **VIOLATION OF PROBATION.** Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the
Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
continuing jurisdiction until the matter is final, and the period of probation shall be extended until
the matter is final.

16. LICENSE SURRENDER. Following the effective date of this Decision, if
Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
the terms and conditions of probation, Respondent may request to surrender his or her license.
The Board reserves the right to evaluate Respondent’s request and to exercise its discretion in
determining whether or not to grant the request, or to take any other action deemed appropriate
and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
shall within 15 calendar days deliver Respondent’s wallet and wall certificate to the Board or its
designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
to the terms and conditions of probation. If Respondent re-applies for a medical license, the
application shall be treated as a petition for reinstatement of a revoked certificate.

17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
with probation monitoring each and every year of probation, as designated by the Board, which
may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
California and delivered to the Board or its designee no later than January 31 of each calendar
year.

Complainant alleges:

PARTIES

1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).

2. On or about June 18, 2003, the Medical Board issued Physician's and Surgeon's Certificate Number G 86923 to Thomas Samuel Cowan, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought herein and will expire on October 31, 2018, unless renewed.

JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.
4. Section 2004 of the Code states, in pertinent part:

“The board shall have the responsibility for the following:

“(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

“(b) The administration and hearing of disciplinary actions.

“(c) Carrying out disciplinary actions appropriate to findings made by a panel or an administrative law judge.

“(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of disciplinary actions.

“…”

7. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain adequate and accurate records relating to the provision of services to their patients constitutes unprofessional conduct.”

FACTS

8. At all times relevant to this matter, Respondent was licensed and practicing medicine in San Francisco, California.

9. Patient P-1, who resided in Los Angeles, California, contacted Respondent by telephone on or about September 19, 2013 seeking alternative treatment for metastatic breast cancer. Respondent did not ask for or obtain copies of any of P-1’s prior medical records documenting her treatment for the breast cancer. He documented measurements that P-1 reported to him but never saw her complete blood panel test results, physical examination findings documented by the oncologist, complete reports on diagnostic imaging studies ordered by the oncologist, or any other reports or findings.

10. Without seeing P-1 in person and without conducting a physical examination, Respondent recommended that P-1 consult with a local oncologist and, in conjunction with any treatment prescribed by the oncologist, obtain and use GcMAF, an experimental, unlicensed, non-FDA approved drug, available only outside the United States.

11. When P-1 asked Respondent if she should tell her oncologist about taking GcMAF, Respondent told her that it would be best for her to be upfront with her oncologist about everything that she was doing including taking GcMAF. He did not document this discussion.

1 The patient is designated in this document as Patient P-1 to protect her privacy. Respondent knows the name of the patient and can confirm her identity through discovery.
12. Respondent did not advise P-1 that the FDA had not approved GcMAF and that there were no formal safety or efficacy studies regarding the use of GcMAF in humans and obtain informed consent from her before or in conjunction with recommending the treatment.

14. In February 2015, P-1 learned that GcMAF from ImmunoBiotech, where Respondent had directed her to obtain the product, was potentially unsafe. On her last telephonic visit with Respondent on February 9, 2015, she advised Respondent that she was concerned about the health consequences of having taken an unsafe medication for fifteen months. Respondent did not document this discussion in his chart notes.

**FIRST CAUSE FOR DISCIPLINE**

*(Gross Negligence)*

15. Respondent is guilty of unprofessional conduct and subject to disciplinary action under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent acts), of the Code in that he recommended a drug to P-1 that did not have safety studies in humans or efficacy studies in humans and he did not obtain informed consent from P-1 for that recommendation.

**SECOND CAUSE FOR DISCIPLINE**

*(Repeated Negligent Acts, Inadequate Records)*

16. Respondent is guilty of unprofessional conduct and subject to disciplinary action under section 2234, subdivision (c) (repeated negligent acts), of the Code and/or section 2266 (inadequate records) of the Code in that Respondent engaged in the conduct described above including, but not limited to, the following:

A. Respondent recommended a medication to P-1 without first performing a physical examination.

B. Respondent failed to obtain informed consent from P-1 about the potential risks of treatment over the telephone without performing a physical examination.
C. Respondent failed to ask for or obtain records of P-1’s prior treatment for cancer.

D. Respondent did not document the discussion he had with P-1 advising her to be upfront with her oncologist about taking GcMAF.

E. Respondent did not document the discussion he had with P-1 about her concerns about the health consequences of having taken an unsafe medication for fifteen months.

**PRAYER**

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician’s and Surgeon’s Certificate Number G 86923, issued to Thomas Samuel Cowan, M.D.;

2. Revoking, suspending or denying approval of Thomas Samuel Cowan, M.D.’s authority to supervise physician assistants, pursuant to section 3527 of the Code;

3. Ordering Thomas Samuel Cowan, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

4. Taking such other and further action as deemed necessary and proper.
