17

18  
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 PARTIES

22 1. Linda K. Whitney (Complainant) is the Executive Director of the Medical Board  
23 of California. She brought this action solely in her official capacity and is represented in this  
24 matter by Kamala D. Harris, Attorney General of the State of California, by Esther P. Kim,  
25 Deputy Attorney General.

26 2. Respondent Patrick M. Sutton, M.D. (Respondent) is represented in this  
27 proceeding by attorney David L. Rosner, whose address is 22425 Ventura Boulevard, Suite 315,  
28 Woodland Hills, California, 91364.

1            3.        On or about October 29, 1984, the Medical Board of California issued Physician's  
2 and Surgeon's Certificate number G 53929 to Patrick M. Sutton, M.D. (Respondent). The  
3 Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the  
4 charges brought herein and will expire on August 31, 2012, unless renewed.

5    JURISDICTION

6            4.        Accusation No. 11-2009-197106 was filed before the Medical Board of California  
7 (Board), Department of Consumer Affairs, and is currently pending against Respondent. The  
8 Accusation and all other statutorily required documents were properly served on Respondent on  
9 December 15, 2010. Respondent timely filed his Notice of Defense contesting the Accusation. A  
10 copy of Accusation No. 11-2009-197106 is attached as Exhibit A and is incorporated herein by  
11 reference.

12    ADVISEMENT AND WAIVERS

13            5.        Respondent has carefully read, fully discussed with counsel, and understands the  
14 charges and allegations in Accusation No. 11-2009-197106. Respondent has also carefully read,  
15 fully discussed with counsel, and understands the effects of this Stipulated Settlement and  
16 Disciplinary Order.

17            6.        Respondent is fully aware of his legal rights in this matter, including the right to a  
18 hearing on the charges and allegations in the Accusation; the right to be represented by counsel at  
19 his own expense; the right to confront and cross-examine the witnesses against him; the right to  
20 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel  
21 the attendance of witnesses and the production of documents; the right to reconsideration and  
22 court review of an adverse decision; and all other rights accorded by the California  
23 Administrative Procedure Act and other applicable laws.

24            7.        Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
25 every right set forth above.

26    CULPABILITY

27            8.        Respondent admits that he failed to make and maintain adequate and accurate  
28 records of patient care and has therefore subjected his license to disciplinary action under

1 Business and Professions Code section 2266. The remaining charges in the Accusation are  
2 denied and shall be deemed unproven.

3 9. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
4 discipline and he agrees to be bound by the imposition of discipline by the Board of California as  
5 set forth in the Disciplinary Order below.

6 10. Respondent agrees that he will not petition for early termination or modification of  
7 probation. If the Board petitions for revocation of probation, for that proceeding only, it shall be  
8 deemed that the Complainant could establish a prima facie case with respect to all of the charges  
9 and allegations contained in Accusation No. 11-2009-197106, notwithstanding paragraph 8  
10 above.

#### 11 RESERVATION

12 11. Subject to the provision of paragraph 10 above, the admissions made by  
13 Respondent herein are only for the purposes of this proceeding, or any other proceedings in which  
14 the Medical Board of California is involved, and shall not be admissible in any other criminal or  
15 civil proceeding.

#### 16 CONTINGENCY

17 12. This stipulation shall be subject to approval by the Medical Board of California.  
18 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
19 Board of California may communicate directly with the Board regarding this stipulation and  
20 settlement, without notice to or participation by Respondent or his counsel. By signing the  
21 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
25 action between the parties, and the Board shall not be disqualified from further action by having  
26 considered this matter.

27 13. The parties understand and agree that facsimile copies of this Stipulated Settlement  
28 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and

1 effect as the originals.

2 14. In consideration of the foregoing admissions and stipulations, the parties agree that  
3 the Board may, without further notice or formal proceeding, issue and enter the following  
4 Disciplinary Order:

5 **DISCIPLINARY ORDER**

6 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 53929  
7 issued to Respondent Patrick M. Sutton, M.D. is revoked. However, the revocation is stayed and  
8 Respondent is placed on probation for three (3) years on the following terms and conditions.

9 1. **PROFESSIONAL BOUNDARIES PROGRAM** Within 60 calendar days from the  
10 effective date of this Decision, Respondent shall enroll in a professional boundaries program, at  
11 Respondent's expense, equivalent to the Professional Boundaries Program, Physician Assessment  
12 and Clinical Education Program at the University of California, San Diego School of Medicine  
13 ("Program"). Respondent, at the Program's discretion, shall undergo and complete the Program's  
14 assessment of Respondent's competency, mental health and/or neuropsychological performance,  
15 and at minimum, a 24 hour program of interactive education and training in the area of  
16 boundaries, which takes into account data obtained from the assessment and from the Decision(s),  
17 Accusation(s) and any other information that the Board or its designee deems relevant. The  
18 Program shall evaluate Respondent at the end of the training and the Program shall provide any  
19 data from the assessment and training as well as the results of the evaluation to the Board or its  
20 designee.

21 Failure to complete the entire Program not later than six months after Respondent's initial  
22 enrollment shall constitute a violation of probation unless the Board or its designee agrees in  
23 writing to a later time for completion. Based on Respondent's performance in and evaluations  
24 from the assessment, education, and training, the Program shall advise the Board or its designee  
25 of its recommendation(s) for additional education, training, psychotherapy and other measures  
26 necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with  
27 Program recommendations. At the completion of the Program, Respondent shall submit to a final  
28 evaluation. The Program shall provide the results of the evaluation to the Board or its designee.

1 The Program's determination whether or not Respondent successfully completed the  
2 Program shall be binding.

3 Failure to participate in and complete successfully all phases of the Program, as outlined  
4 above, is a violation of probation.

5 2. MEDICAL RECORD KEEPING COURSE Within 60 calendar days of the  
6 effective date of this decision, Respondent shall enroll in a course in medical record keeping, at  
7 the Respondent's expense, approved in advance by the Board or its designee. Failure to  
8 successfully complete the course during the first 6 months of probation is a violation of probation.

9 A medical record keeping course taken after the acts that gave rise to the charges in the  
10 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
11 or its designee, be accepted towards the fulfillment of this condition if the course would have  
12 been approved by the Board or its designee had the course been taken after the effective date of  
13 this Decision.

14 Respondent shall submit a certification of successful completion to the Board or its  
15 designee not later than 15 calendar days after successfully completing the course, or not later than  
16 15 calendar days after the effective date of the Decision, whichever is later.

17 3. PSYCHOTHERAPY Within 60 calendar days of the effective date of this  
18 Decision, Respondent shall submit to the board or its designee for prior approval the name and  
19 qualifications of a board certified psychiatrist or a licensed psychologist who has a doctoral  
20 degree in psychology and at least five years of postgraduate experience in the diagnosis and  
21 treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and  
22 continue psychotherapy treatment, including any modifications to the frequency of  
23 psychotherapy, until the Board, its designee, or the board approved psychotherapist deems that no  
24 further psychotherapy is necessary.

25 The psychotherapist shall consider any information provided by the Board or its designee  
26 and any other information the psychotherapist deems relevant and shall furnish a written  
27 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
28 psychotherapist any information and documents that the psychotherapist may deem pertinent.

1 Respondent shall have the treating psychotherapist submit quarterly status reports to the  
2 Board or its designee. If, prior to the completion of probation, Respondent is found to be  
3 mentally unfit, by the board approved psychotherapist, to resume the practice of medicine without  
4 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the  
5 period of probation shall be extended until the Board determines that Respondent is mentally fit  
6 to resume the practice of medicine without restrictions.

7 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations. Failure to  
8 undergo and continue psychotherapy treatment, or comply with any required modification in the  
9 frequency of psychotherapy, is a violation of probation.

10 4. THIRD PARTY CHAPERONE During probation, Respondent shall have a third  
11 party chaperone present while consulting, examining or treating female patients in his  
12 examination room. Respondent shall, within 30 calendar days of the effective date of the  
13 Decision, submit to the Board or its designee for prior approval name(s) of persons who will act  
14 as the third party chaperone.

15 Each third party chaperone shall initial and date each patient medical record at the time  
16 the chaperone's services are provided. Each third party chaperone shall read the Decision(s) and  
17 the Accusation(s), and fully understand the role of the third party chaperone.

18 Respondent shall maintain a log of all patients seen for whom a third party chaperone is  
19 required. The log shall contain the: 1) patient name, address and telephone number; 2) medical  
20 record number; and 3) date of service. Respondent shall keep this log in a separate file or ledger,  
21 in chronological order, shall make the log available for immediate inspection and copying on the  
22 premises at all times during business hours by the Board or its designee, and shall retain the log  
23 for the entire term of probation. Failure to maintain a log of all patients requiring a third party  
24 chaperone, or to make the log available for immediate inspection and copying on the premises, is  
25 a violation of probation.

26 5. NOTIFICATION Prior to engaging in the practice of medicine, the Respondent  
27 shall provide a true copy of the Decision and Accusation to the Chief of Staff or the Chief  
28 Executive Officer at every hospital where privileges or membership are extended to Respondent,

1 at any other facility where Respondent engages in the practice of medicine, including all  
2 physician and locum tenens registries or other similar agencies, and to the Chief Executive  
3 Officer at every insurance carrier which extends malpractice insurance coverage to Respondent.  
4 Respondent shall submit proof of compliance to the Board or its designee within 15 calendar  
5 days.

6 This condition shall apply to any change(s) in hospitals, other facilities or insurance  
7 carrier.

8 6. SUPERVISION OF PHYSICIAN ASSISTANTS During probation, Respondent  
9 is prohibited from supervising physician assistants.

10 7. OBEY ALL LAWS Respondent shall obey all federal, state and local laws, all  
11 rules governing the practice of medicine in California, and remain in full compliance with any  
12 court ordered criminal probation, payments and other orders.

13 8. QUARTERLY DECLARATIONS Respondent shall submit quarterly  
14 declarations under penalty of perjury on forms provided by the Board, stating whether there has  
15 been compliance with all the conditions of probation. Respondent shall submit quarterly  
16 declarations not later than 10 calendar days after the end of the preceding quarter.

17 9. PROBATION UNIT COMPLIANCE Respondent shall comply with the Board's  
18 probation unit. Respondent shall, at all times, keep the Board informed of Respondent's business  
19 and residence addresses. Changes of such addresses shall be immediately communicated in  
20 writing to the Board or its designee. Under no circumstances shall a post office box serve as an  
21 address of record, except as allowed by Business and Professions Code section 2021(b).

22 Respondent shall not engage in the practice of medicine in Respondent's place of  
23 residence. Respondent shall maintain a current and renewed California physician's and surgeon's  
24 certificate.

25 Respondent shall immediately inform the Board, or its designee, in writing, of travel to  
26 any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than  
27 30 calendar days.

28 10. INTERVIEW WITH THE DIVISION, OR ITS DESIGNEE Respondent shall be

1 available in person for interviews either at Respondent's place of business or at the probation unit  
2 office, with the Board or its designee, upon request at various intervals, and either with or without  
3 prior notice throughout the term of probation.

4 11. RESIDING OR PRACTICING OUT-OF-STATE In the event Respondent should  
5 leave the State of California to reside or to practice, Respondent shall notify the Board or its  
6 designee in writing 30 calendar days prior to the dates of departure and return. Non-practice is  
7 defined as any period of time exceeding 30 calendar days in which Respondent is not engaging in  
8 any activities defined in Sections 2051 and 2052 of the Business and Professions Code.

9 All time spent in an intensive training program outside the State of California which has  
10 been approved by the Board or its designee shall be considered as time spent in the practice of  
11 medicine within the State. A Board-ordered suspension of practice shall not be considered as a  
12 period of non-practice. Periods of temporary or permanent residence or practice outside  
13 California will not apply to the reduction of the probationary term. Periods of temporary or  
14 permanent residence or practice outside California will relieve Respondent of the responsibility to  
15 comply with the probationary terms and conditions with the exception of this condition and the  
16 following terms and conditions of probation: Obey All Laws and Probation Unit Compliance.

17 Respondent's certificate shall be automatically cancelled if Respondent's periods of  
18 temporary or permanent residence or practice outside California total two years. However,  
19 Respondent's license shall not be cancelled as long as Respondent is residing and practicing  
20 medicine in another state of the United States and is on active probation with the medical  
21 licensing authority of that state, in which case the two year period shall begin on the date  
22 probation is completed or terminated in that state.

23 12. FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT

24 In the event Respondent resides in the State of California and for any reason Respondent stops  
25 practicing medicine in California, respondent shall notify the Board or its designee in writing  
26 within 30 calendar days prior to the dates of non-practice and return to practice. Any period of  
27 non-practice within California, as defined in this condition, will not apply to the reduction of the  
28 probationary term and does not relieve Respondent of the responsibility to comply with the terms

1 and conditions of probation. Non-practice is defined as any period of time exceeding 30 calendar  
2 days in which respondent is not engaging in any activities defined in sections 2051 and 2052 of  
3 the Business and Professions Code.

4 All time spent in an intensive training program which has been approved by the Board or  
5 its designee shall be considered time spent in the practice of medicine. For purposes of this  
6 condition, non-practice due to a Board-ordered suspension or in compliance with any other  
7 condition of probation, shall not be considered a period of non-practice.

8 Respondent's certificate shall be automatically cancelled if Respondent resides in  
9 California and for a total of two years, fails to engage in California in any of the activities  
10 described in Business and Professions Code sections 2051 and 2052.

11 13. COMPLETION OF PROBATION Respondent shall comply with all financial  
12 obligations (e.g., probation costs) not later than 120 calendar days prior to the completion of  
13 probation. Upon successful completion of probation, Respondent's certificate shall be fully  
14 restored.

15 14. VIOLATION OF PROBATION Failure to fully comply with any term or  
16 condition of probation is a violation of probation. If Respondent violates probation in any  
17 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke  
18 probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to  
19 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,  
20 the Board shall have continuing jurisdiction until the matter is final, and the period of probation  
21 shall be extended until the matter is final.

22 15. LICENSE SURRENDER Following the effective date of this Decision, if  
23 Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy  
24 the terms and conditions of probation, Respondent may request the voluntary surrender of  
25 Respondent's certificate. The Board reserves the right to evaluate Respondent's request and to  
26 exercise its discretion whether or not to grant the request, or to take any other action deemed  
27 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,  
28 Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the

1 Board or its designee and Respondent shall no longer practice medicine. Respondent will no  
2 longer be subject to the terms and conditions of probation and the surrender of Respondent's  
3 certificate shall be deemed disciplinary action. If Respondent re-applies for a medical license, the  
4 application shall be treated as a petition for reinstatement of a revoked certificate.

5 16. PROBATION MONITORING COSTS Respondent shall pay the costs associated  
6 with probation monitoring each and every year of probation, as designated by the Board, which  
7 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
8 California and delivered to the Board or its designee no later than January 31 of each calendar  
9 year. Failure to pay costs within 30 calendar days of the due date is a violation of probation.

18 **PARTIES**

- 19 1. Linda K. Whitney (Complainant) brings this Accusation solely in her official capacity  
20 as the Executive Director of the Medical Board of California, Department of Consumer Affairs.
- 21 2. On or about October 29, 1984, the Medical Board of California issued Physician's and  
22 Surgeon's Certificate Number G 53929 to Patrick M. Sutton, M.D. (Respondent). The Physician's  
23 and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
24 herein and will expire on August 31, 2012, unless renewed.

25 **JURISDICTION**

- 26 3. This Accusation is brought before the Medical Board of California, Department of  
27 Consumer Affairs (Board), under the authority of the following laws. All section references are  
28 to the Business and Professions Code unless otherwise indicated.

1           4.     Section 2227 of the Code provides that a licensee who is found guilty under the  
2 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
3 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
4 action taken in relation to discipline as the Board deems proper.

5           5.     Section 2234 of the Code states:

6                 "The Division of Medical Quality<sup>1</sup> shall take action against any licensee who is  
7 charged with unprofessional conduct. In addition to other provisions of this article,  
8 unprofessional conduct includes, but is not limited to, the following:

9                 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting  
10 the violation of, or conspiring to violate any provision of this chapter [Chapter 5, the  
11 Medical Practice Act].

12                 "(b) Gross negligence.

13                 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent  
14 acts or omissions. An initial negligent act or omission followed by a separate and distinct  
15 departure from the applicable standard of care shall constitute repeated negligent acts.

16                 "(1) An initial negligent diagnosis followed by an act or omission medically  
17 appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

18                 "(2) When the standard of care requires a change in the diagnosis, act, or omission  
19 that constitutes the negligent act described in paragraph (1), including, but not limited to, a

### 13 **FIRST CAUSE FOR DISCIPLINE**

#### 14 **(Sexual Misconduct)**

15 8. Respondent is subject to disciplinary action under section 726 of the Code in that  
16 Respondent engaged in sexual abuse and/or misconduct with a patient. The circumstances are as  
17 follows:

18 A. On or about July 27, 2006, patient W.C., a 41-year-old woman, first saw  
19 Respondent for a well gynecological exam. A history was taken and a physical exam was  
20 performed. The visit was unremarkable.

21 B. On or about October 4, 2007, patient W.C. saw Respondent with a complaint of  
22 irregular periods. A pap test was performed which came back negative. The visit was  
23 otherwise unremarkable.

24 C. On or about September 29, 2008, patient W.C. was seen by Respondent for a  
25 well woman exam ("WWE"). A nurse noted in the chart vaginal dryness and the patient's  
26 complaint regarding the occurrence of hot flashes every 20 minutes over a 2 1/2 months  
27 period ending in mid August. The patient had advised that over-the-counter medications  
28 had resolved the hot flashes. The patient was taking Levoxyl 1.25 mg, a medication for low

1 thyroid, and was not taking any birth control medications. Respondent noted that the  
2 patient's pelvic and breast exams were normal and he took a pap smear and ordered a  
3 mammogram. His diagnosis was perimenopausal female with a question mark about  
4 possible Estrogen replacement, birth control pills ("BCP") or local therapy. There was no  
5 mention in the medical record of any discussion of therapy for vaginal dryness or any  
6 discussion of sexual dysfunction and human sexuality. The patient was to return in one  
7 year.

8 D. On or about September 29, 2008, subsequent to the well woman exam, after  
9 the nurse chaperone had left the exam room and prior to the patient changing back into her  
10 clothes, Respondent engaged in a discussion of human sexuality with patient W.C. The  
11 door to the exam room was closed and Respondent sat on a stool in front of the patient, who  
12 was still on the exam table using both hands to keep the exam gown closed to avoid  
13 exposing her breasts or legs. The patient asked Respondent about water-based verses  
14 silicon lubricants and the potential side effects if the lubricant was left in overnight.  
15 Respondent answered the questions. Then Respondent asked the patient if she ever  
16 masturbated. When the patient said no, Respondent asked her why not. He then asked her  
17 questions about whether she fantasized during sex. Respondent told the patient she should  
18 feel free to fantasize about anything, "whether you like it from behind or the front, with  
19 another woman or another man, or anything you want." Respondent told the patient that  
20 she was beautiful, sexy and sensual and a real turn on. The patient asked Respondent to  
21 stop talking that way. Respondent told the patient not to worry about the size of her  
22 tummy, that, "as long as you enjoy sex, any man would love to sleep with you, believe me,  
23 I am a man, you know." Respondent asked the patient if she liked it when a man "goes  
24 down" on her. He asked the patient if she had multiple or single orgasms. He said most  
25 men just want to please a woman, "to make them smile, if you know what I mean." He said  
26 he saw many beautiful women in his office who did not want to be touched and it saddened  
27 him that they hate sex. He said the biggest turn on for a man is a woman who loves sex and  
28 he would know because he is a man. Respondent asked the patient if she loved sex. The

1 patient replied that she loved sex with her husband. Respondent asked the patient if she  
2 ever put her hand between her legs. Respondent told the patient several times that men  
3 liked to see women with their hands between their legs. The patient told Respondent that  
4 she is married and does not need to fantasize. Respondent told the patient to call him if she  
5 has a fantasy or "any new sexual adventure" because he would love to hear all about it.  
6 During the conversation the patient attempted to direct Respondent to discuss the  
7 menopause issue, his family or her husband, but Respondent kept talking about sex,  
8 repeatedly using such phrases as "hard dick," "hard cock going in and out of you," and  
9 "hard on." Respondent also told the patient how lucky her husband was to have her.  
10 During the conversation, Respondent patted the patient's bare thighs several times and  
11 several times briefly rubbed halfway up from the patient's knee.

12 E. On or about September 29, 2008, Respondent engaged in sexual abuse and/or  
13 misconduct by the manner in which he questioned the patient about her sex life and when  
14 he without prompting from the patient discussed human sexuality with patient W.C. using  
15 crude, non-medical language while the patient was still in an exam gown and the nurse  
16 chaperone had left the exam room, as more fully set forth in paragraph 8(D) above.

17 F. On or about September 29, 2008, Respondent engaged in sexual misconduct  
18 when he rubbed his hand on the patient W.C.'s legs above the knee several times and when  
19 he patted the patient's thigh several times during a discussion human sexuality with the  
20 patient which took place while the patient was still in an exam gown and the nurse  
21 chaperone had left the exam room as more fully set forth in paragraph 8(D) above.

## 22 SECOND CAUSE FOR DISCIPLINE

### 23 (Repeated Negligent Acts)

24 9. Respondent is subject to disciplinary action under section 2234, subdivision (c), of  
25 the Code in that Respondent engaged in repeated acts of negligence. The circumstances are as  
26 follows:

27 A. On or about September 29, 2008, Respondent was negligent when he failed to  
28 chart in patient W.C.'s medical record a discussion of human sexuality with the patient.

1 B. On or about September 29, 2008, Respondent was negligent when he  
2 questioned the patient about her sex life and when he without prompting from the patient  
3 discussed human sexuality with patient W.C. using crude, non-medical language while the  
4 patient was still in an exam gown and the nurse chaperone had left the exam room, as more  
5 fully set forth in paragraph 8(D) above.

6 C. On or about September 29, 2008, Respondent was negligent when he rubbed  
7 his hand on the patient W.C.'s legs above the knee several times and when he several times  
8 patted the patient's thigh during a discussion of human sexuality with the patient which  
9 took place while the patient was still in an exam gown and the nurse chaperone had left the  
10 exam room as more fully set forth in paragraph 8(D) above.

### 11 **THIRD CAUSE FOR DISCIPLINE**

#### 12 **(Failure to Maintain Adequate and Accurate Records)**

13 10. Respondent is subject to disciplinary action under section 2266 of the Code in that  
14 Respondent failed to maintain adequate and accurate records of the medical services he provided  
15 to a patient. The circumstances are as follows:

16 A. The facts and circumstances alleged in paragraphs 8 and 9 above are  
17 incorporated here as if fully set forth.

### 18 **DISCIPLINE CONSIDERATIONS**

19 11. To determine the degree of discipline, if any, to be imposed on Respondent,  
20 Complainant alleges that on or about December 2, 2002, in a prior disciplinary action entitled In  
21 the Matter of the Accusation Against Patrick M. Sutton, M.D. before the Medical Board of  
22 California, in Case Number 17-1999-97314 Respondent's license was placed on probation for  
23 four years. That decision is now final and is incorporated by reference as if fully set forth.

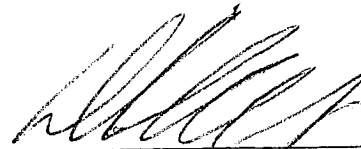

### 24 **PRAYER**

25 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
26 and that following the hearing, the Medical Board of California issue a decision:

28 issued to Patrick M. Sutton, M.D.;
