20 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
21 signed statement for approval by the Board or its designee.

22 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
23 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
24 make all records available for immediate inspection and copying on the premises by the monitor  
25 at all times during business hours and shall retain the records for the entire term of probation.

26 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
27 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
28 cease the practice of medicine within three (3) calendar days after being so notified. Respondent

1 shall cease the practice of medicine until a monitor is approved to provide monitoring  
2 responsibility.

3 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
4 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
5 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
6 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
7 that the monitor submits the quarterly written reports to the Board or its designee within 10  
8 calendar days after the end of the preceding quarter.

18 program approved in advance by the Board or its designee, that includes, at minimum,  
19 quarterly chart review, semi-annual practice assessment, and semi-annual review of  
20 professional growth and education. Respondent shall participate in the professional  
21 enhancement program at respondent's expense during the term of probation.

22 6. PROHIBITED PRACTICE. During probation, Respondent is prohibited from  
23 providing cancer treatment to patients. After the effective date of this Decision, all patients being  
24 treated by the Respondent shall be notified that the Respondent is prohibited from providing  
25 cancer treatment to patients. Any new patients must be provided this notification at the time of  
26 their initial appointment.

27 Respondent shall maintain a log of all patients to whom the required oral notification was  
28 made. The log shall contain the: 1) patient's name, address and phone number; patient's medical

1 record number, if available; 3) the full name of the person making the notification; 4) the date the  
2 notification was made; and 5) a description of the notification given. Respondent shall keep this  
3 log in a separate file or ledger, in chronological order, shall make the log available for immediate  
4 inspection and copying on the premises at all times during business hours by the Board or its  
5 designee, and shall retain the log for the entire term of probation.

7 respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or  
8 the Chief Executive Officer at every hospital where privileges or membership are extended to  
9 respondent, at any other facility where respondent engages in the practice of medicine,  
10 including all physician and locum tenens registries or other similar agencies, and to the Chief  
11 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
12 respondent. Respondent shall submit proof of compliance to the Board or its designee within  
13 15 calendar days.

14 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

15 8. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
16 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
17 advanced practice nurses.

18 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
19 governing the practice of medicine in California and remain in full compliance with any court  
20 ordered criminal probation, payments, and other orders.

21 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
22 under penalty of perjury on forms provided by the Board, stating whether there has been  
23 compliance with all the conditions of probation.

24 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
25 of the preceding quarter.

26 11. GENERAL PROBATION REQUIREMENTS.

27 Compliance with Probation Unit

28 Respondent shall comply with the Board's probation unit.

1           Address Changes

2           Respondent shall, at all times, keep the Board informed of Respondent's business and  
3 residence addresses, email address (if available), and telephone number. Changes of such  
4 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
5 circumstances shall a post office box serve as an address of record, except as allowed by Business  
6 and Professions Code section 2021(b).

7           Place of Practice

8           Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
10 facility.

11           License Renewal

12           Respondent shall maintain a current and renewed California physician's and surgeon's  
13 license.

14           Travel or Residence Outside California

15           Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
16 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
17 (30) calendar days.

18           In the event Respondent should leave the State of California to reside or to practice  
19 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
20 departure and return.

21           12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
22 available in person upon request for interviews either at Respondent's place of business or at the  
23 probation unit office, with or without prior notice throughout the term of probation.

24           13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
25 its designee in writing within 15 calendar days of any periods of non-practice lasting more  
26 than 30 calendar days and within 15 calendar days of respondent's return to practice. Non-  
27 practice is defined as any period of time respondent is not practicing medicine as defined in  
28 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar

1 month in direct patient care, clinical activity or teaching, or other activity as approved by the  
2 Board. If respondent resides in California and is considered to be in non-practice, respondent  
3 shall comply with all terms and conditions of probation. All time spent in an intensive  
4 training program which has been approved by the Board or its designee shall not be  
5 considered non-practice and does not relieve respondent from complying with all the terms  
6 and conditions of probation. Practicing medicine in another state of the United States or  
7 Federal jurisdiction while on probation with the medical licensing authority of that state or  
8 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice  
9 shall not be considered as a period of non-practice.

10 In the event respondent's period of non-practice while on probation exceeds 18 calendar  
11 months, respondent shall successfully complete the Federation of State Medical Board's  
12 Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment  
13 program that meets the criteria of Condition 18 of the current version of the Board's "Manual  
14 of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of  
15 medicine.

16 Respondent's period of non-practice while on probation shall not exceed two (2) years.  
17 Periods of non-practice will not apply to the reduction of the probationary term.

18 Periods of non-practice for a respondent residing outside of California, will relieve  
19 respondent of the responsibility to comply with the probationary terms and conditions with  
20 the exception of this condition and the following terms and conditions of probation: Obey  
21 All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use of  
22 Alcohol and/or Controlled Substances; and Biological Fluid Testing.

23 14. COMPLETION OF PROBATION. Respondent shall comply with all financial  
24 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
25 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
26 be fully restored.

27 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
28 of probation is a violation of probation. If Respondent violates probation in any respect, the

1 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
2 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
3 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
4 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
5 the matter is final.

6 16. LICENSE SURRENDER. Following the effective date of this Decision, if  
7 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
8 the terms and conditions of probation, Respondent may request to surrender his or her license.  
9 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
10 determining whether or not to grant the request, or to take any other action deemed appropriate  
11 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
12 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
13 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
14 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
15 application shall be treated as a petition for reinstatement of a revoked certificate.

16 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
17 with probation monitoring each and every year of probation, as designated by the Board, which  
18 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
19 California and delivered to the Board or its designee no later than January 31 of each calendar  
20 year.
