In the Matter of the Accusation Against:  
**GEORGE T. CRAIG, M.D.**  
St. Mary Medical Center  
16051 Kasota Road #100  
Apple Valley, CA 92307  
**Physician's and Surgeon's Certificate  
No. G 8597,**  
Respondent.

Case No. 800-2017-033223  
OAH No. 2019080660  
**STIPULATED SURRENDER OF  
LICENSE AND ORDER**

20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

**PARTIES**

- 22
- 23 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical  
24 Board of California (Board). She brought this action solely in her official capacity and is  
25 represented in this matter by Xavier Becerra, Attorney General of the State of California, by  
26 Giovanni F. Mejia, Deputy Attorney General.
- 27 2. George T. Craig, M.D. (Respondent) is represented in this proceeding by attorney  
28 Robert W. Frank, Esq., whose address is: 110 West A Street, Suite 1200, San Diego, CA 92101.

1 and hereby surrenders his Physician's and Surgeon's Certificate No. G 8597 for the Board's  
2 formal acceptance.

3 9. Respondent agrees that if he ever petitions for reinstatement of his Physician's and  
4 Surgeon's Certificate No. G 8597, or if an accusation or petition to revoke probation is ever filed  
5 against him before the Board, all of the charges and allegations contained in Accusation  
6 No. 800-2017-033223 shall be deemed true, correct, and fully admitted by Respondent for the  
7 purposes of any such proceeding or any other licensing proceeding involving Respondent in the  
8 State of California or elsewhere.

9 10. Respondent understands that by signing this stipulation he enables the executive  
10 director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
11 Physician's and Surgeon's Certificate No. G 8597 without further notice to, or opportunity to be  
12 heard by, Respondent.

13 **CONTINGENCY**

14 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
15 part, that the Board "shall delegate to its executive director the authority to adopt a . . . stipulation  
16 for surrender of a license."

17 12. This Stipulated Surrender of License and Order shall be subject to approval by the  
18 executive director on behalf of the Board. The parties agree that this Stipulated Surrender of  
19 License and Order shall be submitted to the executive director for her consideration in the above-  
20 entitled matter and, further, that the executive director shall have a reasonable period of time in  
21 which to consider and act on this Stipulated Surrender of License and Order after receiving it. By  
22 signing this stipulation, Respondent fully understands and agrees that he may not withdraw his  
23 agreement or seek to rescind this stipulation prior to the time the executive director, on behalf of  
24 the Medical Board, considers and acts upon it

25 13. The parties agree that this Stipulated Surrender of License and Order shall be null and  
26 void and not binding upon the parties unless approved and adopted by the executive director on  
27 behalf of the Board, except for this paragraph, which shall remain in full force and effect.

28 Respondent fully understands and agrees that in deciding whether or not to approve and adopt this

1 Stipulated Surrender of License and Order, the executive director and/or the Board may receive  
2 oral and written communications from its staff and/or the Attorney General's Office.  
3 Communications pursuant to this paragraph shall not disqualify the executive director, the Board,  
4 any member thereof, and/or any other person from future participation in this or any other matter  
5 affecting or involving Respondent. In the event that the executive director on behalf of the Board  
6 does not, in her discretion, approve and adopt this Stipulated Surrender of License and Order,  
7 with the exception of this paragraph, it shall not become effective, shall be of no evidentiary  
8 value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either  
9 party hereto. Respondent further agrees that should this Stipulated Surrender of License and  
10 Order be rejected for any reason by the executive director on behalf of the Board, Respondent  
11 will assert no claim that the executive director, the Board, or any member thereof, was prejudiced  
12 by its/his/her review, discussion and/or consideration of this Stipulated Surrender of License and  
13 Order or of any matter or matters related hereto.

14 **ADDITIONAL PROVISIONS**

15 14. This Stipulated Surrender of License and Order is intended by the parties herein to be  
16 an integrated writing representing the complete, final and exclusive embodiment of the  
17 agreements of the parties in the above-entitled matter.

18 15. The parties agree that copies of this Stipulated Surrender of License and Order,  
19 including copies of the signatures of the parties, may be used in lieu of original documents and  
20 signatures and, further, that such copies shall have the same force and effect as originals.

21 16. In consideration of the foregoing admissions and stipulations, the parties agree that  
22 the executive director of the Board may, without further notice or opportunity to be heard by  
23 Respondent, issue and enter the following Order on behalf of the Board:

15 "...."

### 16 FIRST CAUSE FOR ACTION

#### 17 (Mental or Physical Illness Affecting Competency)

18 7. Respondent's Physician's and Surgeon's Certificate No. G 8597 is subject to Board  
19 action pursuant to section 822 of the Code in that his ability to practice medicine safely is  
20 impaired because he is mentally ill, or physical ill affecting competency, as more particularly  
21 alleged hereinafter:

22 8. On one or more occasions since January 1, 2012, Respondent engaged in conduct  
23 including, but not limited to, striking walls, desks, or other objects, throwing medical instruments  
24 or other objects, physical aggression directed toward medical professionals, patients or hospital  
25 staff persons, or angry verbal outbursts while working as a physician and surgeon in a medical  
26 facility.

27 9. On one or more occasions since January 1, 2012, Respondent broke sterile technique  
28 in the course of rendering care or treatment to a patient including, but not limited to, reusing or

1 attempting to reuse soiled bandages or other non-sterile wound dressings, throwing sterile  
2 instruments or objects, or coming into contact with non-sterile objects in the midst of a procedure.

3 10. In an incident occurring in or around February 2015, a registered nurse alerted  
4 Respondent that he needed to issue one or more orders into a hospital's computer system prior to  
5 commencing a surgical procedure for a patient. Respondent told the nurse that he did not know  
6 how to issue such orders and asked the nurse if she could do it for him. The nurse responded that  
7 she could not put in such orders. Respondent approached the nurse, entering what she understood  
8 to be her personal space, with his fists clenched and proceeded to berate the nurse in front of the  
9 patient and his family. The nurse felt threatened by Respondent's actions.

10 11. In an incident occurring in or around February 2016, Respondent was working at a  
11 hospital and yelling to a hospital staff person about surgery times. In an attempt to distract  
12 Respondent, a registered nurse, who was sitting in a rolling office chair, asked Respondent about  
13 an injury to the registered nurse's finger. Respondent grabbed one of the registered nurse's wrists  
14 pulled his arm above his head, and pulled the nurse about six feet. The registered nurse yelled in  
15 pain and asked Respondent to release his arm. Respondent eventually let go of the registered  
16 nurse's wrist and walked down a hallway while cursing and punching the wall.

17 12. In an incident occurring in or around May 2016, Respondent struck a hospital patient  
18 receiving medical care or treatment from Respondent in the thigh. Two surgical assistants  
19 immediately, or shortly thereafter, went to a supervisor's office to report the incident. After the  
20 surgical assistants left the supervisor's office, Respondent approached one of the surgical  
21 assistants, backed her into the wall and began yelling at her. Eventually, a "Code Gray",  
22 indicating a combative or potentially combative person, was called at the facility in response to  
23 Respondent's conduct. Respondent walked away after additional hospital staff responded to the  
24 "Code Gray."

25 13. In an incident occurring in or around May 2017, Respondent, while working at a  
26 hospital, slapped another patient on one of the patient's thighs. Respondent then stated to a  
27 surgical technician also attending to the patient words to the effect that Respondent had just

28 / / / /

1 punched another patient and that that was what Respondent was famous for. The surgical  
2 technician immediately, or shortly thereafter, reported the incident to a supervisor.

3 14. On or about May 24, 2017, the Board's Central Compliant Unit ("CCU") received a  
4 report, pursuant to Business and Professions Code section 805 (the "805 Report"), from a health  
5 care facility in or around Apple Valley, California. The 805 Report stated, among other things,  
6 that, after evaluating concerns about Respondent's care of patients, the facility had in May 2017  
7 summarily limited Respondent's privileges to surgical assist only, with no consulting or admitting  
8 privileges, and that Respondent had subsequently voluntarily relinquished all clinical privileges  
9 except for surgical assist privileges.

10 15. In or around July 2018, R.H., M.D. ("Dr. H."), a physician and surgeon board  
11 certified in Geriatric Medicine, Internal Medicine and Hospice and Palliative Medicine,  
12 conducted an independent medical examination of Respondent. Based on the examination, Dr. H.  
13 opined, among other things, that Respondent is unable to practice medicine safely due to a mental  
14 or physical condition and that permitting Respondent to continue to practice medicine will  
15 endanger the public health, safety or welfare.

16 16. In or around July 2018, T.F., Ph.D. ("Dr. F.") a psychologist board certified in  
17 Clinical Neuropsychology, performed an independent neuropsychological examination of  
18 Respondent. Based on the examination, Dr. F. opined, among other things, that Respondent is  
19 unable to practice medicine safely due to a mental condition and that permitting Respondent to  
20 continue to practice medicine will endanger the public health, safety or welfare.

21 **PRAYER**

22 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
23 and that following the hearing, the Medical Board of California issue a decision:

25 Respondent George T. Craig, M.D.;
